## BULL SALE

Saturday, March 28, 2015

1:00 PM

At the farm, Swan River MB

***50 TWO YEAR OLD & YEARLING***

**RED AND BLACK ANGUS BULLS**

**“RANGE READY”**

***PURCHASE YOUR NEXT HERDSIRE  
WITH CONFIDENCE***

Welcome to our sixth annual bull sale. Last year we moved the sale to the farm and we never looked back. Our program focuses on selling two year old bulls, but we are pleased to offer a select group of yearlings this year as well. We have selected for calving ease and the majority of the bulls will be recommended for heifers.

We are very excited to offer the influence of some of the most prominent programs in the breed. We selected our herdsires from several Manitoba and Saskatchewan breeders with the belief that you can shop at home. We were not disappointed and you will see this reflected in our offering.

None of our two year olds received creep feed prior to weaning. They were raised their first winter on a forage based ration. They pastured over the summer until October. A silage ration was fed with grain supplement for the remainder of the winter. All bulls receive free choice mineral.

Two year olds require plenty of room and this group of bulls are very athletic. They will go straight to work and walk your pastures with ease. All of the cattle are familiar with both horses and dogs. We work with the bulls daily and we value the good dispositions in our breeding lines.

We are offering a group of yearlings as we couldn't pass up the opportunity to add these genetics to the sale. We exhibited at Yorkton Harvest Showdown, Agritibion and Ag Days and were pleased to see that they are competitive. We hope you agree.

We can't thank our family and neighbors enough for all their extra help. A special thanks to Larry Burton and Lynne Fullerton for keeping us going, you are part of our program in so many ways. Austen and Breanna are the reason we have kept going all these years and they hold their heritage in the greatest regard. They both have excelled in the cattle industry and we couldn't be prouder.

It gives us great pleasure to see the smiles on producers faces at the auctions and we are thankful for these better times. Each producer deserves a huge thank you for keeping the beef industry alive this last decade, we certainly do.

If we or any of our sales staff can help you select a bull for your program, please call. Hope to see you March 28th!

Sincerely,

Bruce and Lone Anderson

SPRING 2015 EPD'S BW 0 WW 50 YW 90 M 23 TM 48  
50 CALVES AVG : BW 84 WW 634

Darryl Elliot purchased 67Y for us at the final D Bar bull sale. We have thanked him several times. The 67Y calves are naturally thick with incredible muscle expression. He has added pounds with out increasing birth weight. He moves extremely well and has a gentle disposition. We will be using him heavily again this year.

This pair is a favorite of everyone. 13B is not impressed with her nose adornment, but we sure are. This is the second year using Quiet Weans and we will never wean any other way. The transition is seamless.

Austen and Katie on our annual cattle drive this fall. We are very excited about the upcoming nuptials this summer and even more so to add a daughter to our family.

# ACC YEARLINGS

## 1 RED ACC CURRENT TREND 11B

BIA 11B 1803807 February 03 2014

The only Kodiak two year old offered this year, 73A promises to be a great addition to your herd. Offering calving ease with performance his sire had a WW ratio of 116 and calves averaged BW 81 WW 677. He is a paternal brother to Lot 16 in our yearling offering. His mother is the picture of a perfect Angus cow with a beautiful udder.

*If it takes a community to raise a child then it takes an army to have a bull sale! We can't thank those listed below enough for your contribution to our program. From making feed, to moving and feeding cows, to working the sale you are all so very important to our operation and to each of us.*

Our families, Katie Olynyk, Larry Burton, Lynne Fullerton, Barker Family, Big Bend Simmentals, Shaw Farms, Green Valley Stock Farm, TKO Custom Spraying, Galbraith Electric, Swan Valley Vet Clinic, Sean Barker, our entire sale staff, Lynne Stehr, Tanya Staniland, Kassi Highmoor, Corey Barker, Gerrad Wenzel, Katie Jo Stehr, Wade Olynyk, Kodie Doetzel, Blair Barker, Nathan Barker, Traci Henderson, Verneece Eggie, Grandma Donna, Lynne Wenzel, Ian Down, Ron Galbraith, Angela Mullin, Barb Lewis and anyone else we have missed!

**Terms:** The terms of the sale are cash or cheque, payable in Canadian Funds. The right of property shall not pass until after the settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneers decision will be final. Announcements from the auction block take precedence over the printed matter in the catalogue.

**Cattle Inspection:** All carry permanent identity tags, corresponding to Sale Lot Numbers as well as Canadian Cattle Identification Tags.

**Health:** The bulls offered for the sale have been vaccinated in June and October for IBR, PI-3, BRSV, 8 WAY BLACK LEG, HEAMOPHILUS, SOMNUS AND PASTERURELLA HAEMOLYTICA. All bulls were treated for external and internal parasites.

**Breeding Guarantee:** All cattle are sound and right, and sell with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute, the regular terms and conditions of the Canadian Angus Association shall apply. All bulls will be semen tested and breeding soundness evaluated by a licensed veterinarian.

**Phone or Mail Bids:** If you are unable to attend sale day, you can entrust your bid in confidence to sales staff or the consignors.

**Insurance:** The animals become the responsibility of the purchaser after the animal is sold. Insurance will be available on sale day. We strongly recommend you insure your purchase.

**Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale staff assume no liability, legal or otherwise for any accidents that occur.

**Delivery:** The two year old bulls will be delivered as soon as possible after the sale. Please speak to us about arranging delivery or deduct \$50 from the purchase price if you take your bull home sale day. Any bulls remaining at the farm must be insured and after May 1/15 will be kept at a cost of \$3/day.

***All bulls in the sale offering will be vet inspected and have passed a semen test prior to the sale. Scrotal measurements, tests results and current weights will be available at the sale.***

Anderson Cattle Company Inc. uses Canadian Angus Performance Program (CAPP) whole herd reporting and performance data is printed in the catalogue.

***SIGHT UNSEEN PURCHASE PLAN— Call us to discuss your specific needs. Your satisfaction guaranteed.***
