# ALBERTA JUNIOR ANGUS BLACK MAGIC DONATION HEIFER ::

Black Magic is once again pleased to be working with the Alberta Junior Angus Association in our 7th year of donating a heifer as their main fund raiser

The Juniors may market the heifer as they wish and this year they are selling tickets with the draw made at our sale. Watch for and encourage the Juniors at Black Magic working in our Apprentice Program, learning sale preparation and marketing skills while gaining valuable work experience.

It is very exciting for me to put together a few words about this donation heifer, as I am the only person that gets the opportunity to be involved with the Alberta Juniors, the Black Magic sales group and Lorenz Angus on a personal basis. It is an honor to donate this heifer on behalf of the Black Magic group to the very progressive Alberta Junior Angus Association. This young heifer has a great pedigree with the eye appeal to become a show heifer for her new owner. She is sired by the breed leading calving ease sire, SAV Bismarck 5682 and out of a daughter of the high selling Remitall Stockade bull that we purchased several years ago. This exciting donation heifer also goes back to great females such as the Lady Blossom 28'02 cow. Please support our Juniors in the last of 7 Black Magic donation heifers by purchasing chances on her. If you did not purchase chances at the Junior Show in Bashaw, they will be available at the Black Magic Sale or you can give me a call.

- Chad Lorenz

Be sure to get your chances on this outstanding heifer  
We all win when we support our Junior members!

DONATION HEIFER :: LORENZ ATALANTA 20Z

LORENZ ♦ BELVIN ♦ CHICO ♦ REMITALL

# LORENZ ANGUS

Once again summer has come and nearly gone in a flash. Our calves are growing and look as good as they ever have, some of our latest genetics are working very well in our program and all in all, the cow business seems like an alright place to be right now.

We are honoured to donate this exciting young heifer to the Alberta Junior Angus Association, on behalf of the entire Black Magic group. I feel that it would also be appropriate to send a huge thank you out to the buyers and bidders that purchased chances on her

at the Alberta Angus Association AGM, more chances will be available and she will be on display at the sale.

This year's offering is without a doubt our strongest group of sale heifers yet. It isn't until after these females make our own replacement pen that we then select them for Black Magic. The six females on offer are sired by bulls that walk the pastures right here at Lorenz Angus and we know exactly what they have to offer, there is no guess work involved.

The sale is approaching quickly, we would be happy to tour anyone interested, through our program. We look forward to seeing you at Black Magic '12.

Here is the first daughter of FV Pioneer 83X to sell. We purchased this Pioneer son out of Fertile Valley's bull sale last spring as the Lead off bull that was also pictured on the cover of their catalogue, he was the high selling yearling and second high selling bull of the day. We have a small, select group of calves on the ground and we used him again this year. The calves are powerful and stout made with loads of rib shape and eye appeal. When you combine bulls like Pioneer, King and Paradigm 13U, the result is females like this one and her sister that was Champion Angus heifer calf at Summer Synergy '12.

This heifer's first calf is one you don't want to miss.

39Y has the Wanderlei stamp, the same power that the Wanderlei sons displayed in our bull sales this spring. Wanderlei 25'09 sired the Reserve Champion Angus Bull in Calgary this spring as well as the Champion Group of Three Bulls. This bred heifer has an extremely bright future; she is a real volume type of a heifer with tons of dimension and middle. Blackcap 39Y is a brood cow in the making, also a full sister to the Wanderlei heifer calf that is selling as Lot 2.

Exposed April 8 to July 6 to FV Pioneer 83X. Observed bred April 16, preg checked safe.

**GAVIN, COLTON, QUINN & MABEL**

Welcome to the 13th Black Magic Production Sale. The past year has seen optimism throughout the Angus industry, and the cattle industry in general. From commercial calves to purebred bulls, we have seen strong prices from top to bottom.

This year we are offering a feature cow/calf choice lot, along with 12 bred heifers, and 6 fancy heifer calves. These females represent our different cow families and herdsires. There are also semen and embryo lots that feature an opportunity to acquire genetics from Belvin Tres Marias Patron 205.

We would like to thank all of our past supporters of the Black Magic Sales, and invite everyone to Olds on Saturday October 6th. This year the Olds Fall Classic AAA Gold Show will take place the morning of the sale, making a day full of Angus cattle. We look forward to seeing you then.

The Hamiltons

Geis Kodiak 12T was purchased as one of the top bulls out of the first group of Kodiak sons to sell at Geis Angus. 12T was extremely easy calving, and he left a really nice set of daughters. We lost him after the 2010 breeding season, so Belvin Yardage 57'11 was kept this year to replace him. The dam of Yardage is a picture perfect female, who goes back to legendary sires such as 6595, EXT, Rito 2100 and Battle Cry.

Bred April 28 to Belvin Warrior 6'09. Preg checked safe to this date.  
Exposed April 2 to May 27 to Belvin Warrior 6'09.

Belvin Duchess 115'06 is a typical Panther daughter, with lots of rib, length, bone, and an excellent udder. Panther was the sire of Belvin Georgina 18'08, the \$25,000 High Seller at the 2010 Black Magic Sale. A daughter of Duchess 115'06 also sold that year, and was one of the top bred heifers in the sale, selling to Dr. Steve Harvey. The maternal grandmother of 115'06 was Champion Female at the 2003 Calgary Stampede. The cow is bred to Belvin Warrior 6'09, a son of S A V Heavy Hitter 6347, who sold to Pahl Livestock for \$20,000 at the 2010 Calgary Bull Sale.

The heifer calf on this cow is a powerful show heifer prospect, whose sire combines the Alliance and Yellowstone bloodlines.

This is an outstanding pair, with the choice of a potential donor cow in her prime, or her calf with loads of future.

Belvin Lady Blossom 23'11 is a Warrior daughter, whose mother is a maternal sister to Belvin Lady Blossom 64'04, a past Black Magic High Seller at \$16,000 to Owen O'Neill of Ireland. Warrior has been used heavily at Belvin and Pahl Livestock the last two years, and his first calf crops have done really well. This female is double bred Lady Blossom, with the matriarch Blossom 104J cow in her pedigree many times.

Exposed April 24 to Aug. 7 to Belvin Yardage 57'11. Preg checked safe 60 days on Aug 8th.

## ART PRINT

## "MR. A"

SIGNED ART PRINT BY SCOTTISH ARTIST ANGELA DAVIDSON

Mr. James Arnott of Coul Angus (Canada & Scotland) has once again donated a dramatic work of art by Scottish artist Angela Davidson to raise funds for Canadian Angus activities. Entitled "Mr. A", this limited edition unframed print (568 in the series) will sell by auction to the highest bidder during the Black Magic Sale.

All proceeds will go to the Canadian Angus Foundation.

Our thanks to James for his generous donation and support of Canadian Angus activities. Special thanks and congratulations to the lucky purchaser!

More information on the print can be found at [angeladavidsonart.co.uk](http://angeladavidsonart.co.uk).

Another Ring Creek El Tigre 9X daughter, Belvin Echo 88'12 is a show prospect as well. Her mother is a maternal sibling to Belvin Echo 211'10, the Jr Champion Female at Agribition last year and the CAA All-Star Bred Heifer of the Year. A maternal sister of 88'12 sold in last year's Black Magic sale to Kody Traxel. With a pedigree that includes Kodiak, Traveler, Annie K, and Echo bloodlines, Echo 88'12 should have a bright future.

Since topping the 2011 Power and Perfection Sale at \$28,500 for 2/3 interest to Boss Cattle Co. and Megan Gotschall of Nebraska, Belvin Tres Marias Patron 205 has become one of the exciting bulls in North America, and he keeps getting better. He was an RBC Top 10 Finalist at Agribition, and went on to be one of the popular bulls on display at Denver. Patron's first calves have the same eye appeal, shape and stoutness that he has. Patron was used by many top breeders in Canada and the US this spring, and with his outcross pedigree backed by some of Argentina's best genetics, Patron's future is very bright.

These embryos offer an exciting mating between Patron and the mother of Belvin Echo 211'10, the 2011 Agribition Jr Champion Female and CAA All-Star Bred Heifer of the Year. Echo 111T is a direct daughter of HF Echo 167N, the Agribition Supreme Champion Female in 2005. 111T is also a Sandy Bar Advantage 43M daughter, making her a paternal sibling to HF Kodiak 5R. Combining the strength of the Echo cow with the stoutness, style and outcross pedigree of Patron, these embryos feature some of the breed's leading bloodlines.

Embryos stored at Davis-Rairdan.

Guaranteeing one pregnancy if implanted by a certified technician.

This is our lucky 13th Black Magic Sale and that means a lot of animals sold for a relatively small herd like ours. When you are dealing with smaller numbers it means selecting from the very top of your herd to come up with the quality required for a sale such as this.

And this year we feel we really have the best group we have ever put together with something for everyone - our best two year old pair, a stellar calf and her outstanding dam in the prime of her producing years, along with our best bred yearlings. We are confident all will work in anyone's herd.

We are excited to offer the service of our growing herd bull battery. There's a lot of thought, arguments and cow power put into the coupons these animals carry.

Many thanks to all our past customers. We hope you join us on the Thanksgiving weekend, either in person or online.

John, Jan, Dallas & T.J.

We're extremely excited to offer the first service of "Monty", who we believe is truly one the future Angus superstars to have sold this spring. Monty was bred in the highly respected Mountain View Farms herd, his dam was the high selling fall bred yearling in their historic dispersal to the Belsham's in BC. He combines stellar correctness with excellent EPDs - top 15% for BW, with all the rest in the top 1-10%. You couldn't ask for more when breeding heifers.

Bushs Coach is known for his ability to provide his progeny with high fertility, problem free calving and early growth. He also improves disposition while increasing depth of rib and body capacity.

This heifer boasts a beautiful front end and is structurally very correct. She'll show and she'll darn sure become a great cow.

A rare and exciting opportunity! Chico Bellemere 14T is a proven matron in the prime of her productive life. She is a member of our prolific, easy doing Bellemere cow family that has excelled in both the show ring and the pasture. 14T is one of the best, true to the Bellemere pattern. She is feminine and angular fronted while being thick and deep bodied with a great udder.

Bellemere 14T is sired by the calving ease KMK Alliance and was one of our WAF '09 Futurity entries. Note her well-balanced EPDs.

Her first two heifer calves sold through Black Magic; her 3rd bull calf sold this spring into a good commercial herd and her 4th calf sells as Lot 28A. All were from different sires which speaks volumes about her ability to consistently produce the good ones.

The super heifer calf at side by Bushs Coach is her best yet and as a bonus 14T is bred back the same way.

LOT 29 & 29A :: CHICO KEEPSAKE 39X & 54Z

Simply put, 39X and her 54Z heifer calf are our best two year old pair. Eddy left us easy to sell sons and exceptional daughters before we lost him just before breeding last year. We could certainly use a lot more like this pair. 39X has a beautiful udder, a sharpe, angular front end and a super disposition. She has depth and the muscle pattern to become a great brood cow. A hard working mom, she has shown what she can do with her sweet Aberdeen daughter at side. 54Z is a very fancy calf with EPDs in the top 1 to 20% in all categories. She is headed for a great future as a junior prospect and superstar producer.

BW: +2.7 P WW: +41 P YW: +75 P Milk: +18 P TM: +38 CE: +1.5 P MCE: +5.5 P

A real favorite. 25Y is developing into a smooth, top quality heifer, amazing when you consider that she was orphaned at birth and raised on another cow along with her own calf. This is a really great pedigree with her grandam 52P producing the Champion Showdown Yearling and WAF Young Guns Two Year Old Champion for Cole Giles.

Rose is at the top of the pen with visitors and was selected to be bred to our top Game Day son 4Y.

Exposed April 26 to June 14 to Chico Yes Man 4Y. Observed bred May 12. Ultrasounded July 18 at approx. 65 days to this service.

This younger heifer is darn good. A moderate framed Eddy daughter from a KMK Alliance dam that is deep and thick with a super udder, a true Angus cow. 43Y is quiet, deep bodied and easy doing. Expect her to have an excellent udder and develop into a great brood cow.

The service to the good Game Day son, Chico Yes Man 4Y, could produce your next calving ease - high gain superstar.

Exposed April 26 to June 14 to Chico Yes Man 4Y. Ultrasounded July 18 at approx. 55 days.

Welcome to the 2012 Black Magic Sale. It is a very exciting time to be in the cattle business - especially in the Angus breed. With the strong demand for Angus beef and Angus genetics right across the country, we are in for some very promising years ahead.

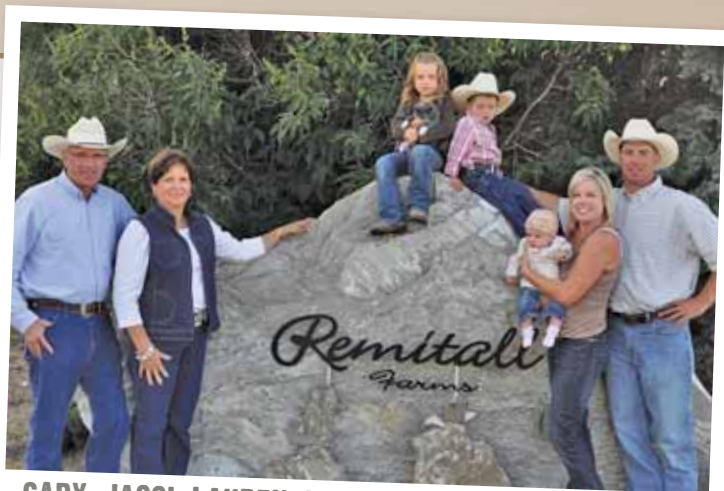

Our breeding focus is to raise sound, fertile, efficient working females that are profitable. These working females in turn, need to raise the kind of offspring that will become great mother cows themselves or powerful herdsires. We strive for low birth weight calves with performance that will prosper on pasture or feedlot conditions with appetite and gainability to be efficient and profitable.

Here at Remitall Farms, we are very excited about our Black Magic Sale offering. We have a select group of herd building bred heifers right off the top of our replacement pen, many sired by National Champion, SAV Prodigy 8101 and carrying the service to Remitall F Odyssey 67X. Odyssey's dam topped the 2011 Black Magic Sale selling for \$26,250. We also have a select few 2 year old females with heifer calves at side that we believe could be top donor females or young cows to build a program around. Also on offer are outstanding heifer calves that will make great junior projects and have the potential to become outstanding young cows.

Join us on Saturday October 6, 2012 for an exciting sale and some great hospitality. Be sure to take in the Alberta Angus Gold Show Saturday morning in conjunction with the Olds Fall Classic.

Looking forward to seeing you,

Gary and Jacci, Richard and Kelly

GARY, JACCI, LAUREN, LOUIS, ELLA, KELLY & RICHARD

A real special bred heifer sired by Canadian National Champion, SAV Prodigy 8101. An easy doing, naturally thick, powerful individual. With the teat placement and udder development this heifer possesses she will truly make a great cow. Black Beauty is in the top 10% yearling EPD and top 3% for milk. Her dam was selected at the Forsyth Dispersal as one the top selling heifer calves alongside her powerful Leachman Right Time dam that was a sole feature.

Bred April 28 to Remitall F Odyssey 67X (safe). Exposed May 28-July 23 to Remitall F Monument 6Y.

A special highlight of our 2012 sale offering. A unique pedigree and superb phenotype out of the time tested Tibbie cow family. Her dam, Tibbie 516U, was our sale feature and high selling female in the 2010 Black Magic Sale to Bob Hahn, HRH Cattle Co. and since then has been in the donor program and flushed with great success. The Prodigy females are very powerful, big volume, great uddered young females and Tibbie 98Y will certainly be no exception. Tibbie 98Y earned an impressive weaning index of 108, ranking seventh out of 65 heifers. She was also top 5% in Weaning EPD, top 2% Yearling EPD and top 3% Milk EPD.

Co-owned with HRH Cattle Co. Bob Hahn  
 Exposed May 7-May 30 to Remitall F Odyssey 67X.  
 Observed bred May 7 (safe).

## BLACK MAGIC TERMS & CONDITIONS ::

**CATTLE INSPECTION:** All carry identity tags that correspond to the sale lot numbers. All cattle have CCIA RFID buttons.

**PREGNANCY:** Examinations have been conducted on all serviced females.

**BREEDING GUARANTEE:** All cattle are sound and sold with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**HOLDING AND SHIPMENTS:** Cattle may be held until the Olds Fall Classic is complete - please instruct the clerks at settlement time. Joint shipping arrangements to attain minimum shipping cost will gladly be made by the consignors if instructions to that effect are provided when settlement is made. Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care.

**ALL CATTLE ARE SOLD:** Subject to tests required for export by the Canadian Food Inspection Agency, Health of Animals Act and Regulations.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representative on sale day

**TERMS OF SALE:** Are cash or cheque at par, payable to clerks of the sale on sale day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

**ALL PERSONS** who attend the Sale do so at their own risk, and the owners, sale staff and Olds Agricultural Society assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
