**BULL & ELITE FEMALE SALE**

THURSDAY, MARCH 13, 2014 2 P.M. AT THE RANCH

# Welcome...

On behalf of our family I invite you to join us for the BAR-E-L Angus Bull & Elite Female Sale. We always look forward to the opportunity each year to present our best for our annual Bull & Female Sale.

We spend a lot of time and spare no expense sourcing genetics to move our program and add value to your bottom line. We appreciate the opportunity to be your herd sire source.

The bulls have been developed on their mother's milk and grass until November at which time their were started on a balanced TMR ration through to sale time. These cattle will continue to develop into sound, efficient seed stock for you. These cattle are carefully sorted and selected for this sale. Only the best make the grade.

All the bulls and females are sound - no trimmed feet - full herd health and guaranteed breeders. We expect them to be a sound and profitable investment for years to come.

The cattle are available for viewing at anytime, just give us a call.

If you are unable to attend the sale, call me or any of the sale staff. For the first time this year we have full Internet coverage with DLMS, Mark Shologan. Call Mark at 780-699-5082 to be on-line for the sale.

I think the future is bright for the beef business. There is renewed optimism and the demand for high quality beef is world over. It is time to have the genetics and inventory in place to achieve the rewards.

We appreciate your time and interest in the BAR-E-L herd and our product. We invite you to join us on March 13th as we present our best.

Join us for lunch and pre-sale hospitality! Remember the sale starts at 2 p.m. See you Sale Day.

This sale will feature a live internet broadcast with internet bidding. To be approved for internet bidding, log in to [www.dlms.ca](http://www.dlms.ca) and click **BUYER APPROVAL**. Then Click sign up beside the sale you wish to bid at. For any assistance with getting approved please contact **Mark Shologan at 780-699-5082 or [mshologan@dlms.ca](mailto:mshologan@dlms.ca)**.

Join us at 12:30 for BBQ  
steak lunch & refreshments  
prior to the sale

### Contact Numbers

Dave - 403-579-2394 (House) or 403-740-6788 (Cell)

Lynne - 403-741-9445

John - 403-741-5629

## GENERAL INFORMATION

### TERMS OF SALE

Cash or cheque payable sale day. Each animal becomes the risk of the purchaser as soon as sold.

### BULL DEVELOPMENT

Bulls and females are developed free of charge until delivery in April.

### FERTILITY

All bulls will have a complete fertility exam and semen test done.

Scrotal measurements will be available sale day.

### ABSOLUTELY 100% GUARANTEED

We guarantee to provide you with a sound breeding bull, capable of passing a semen test within 14 months of age. Bulls are not guaranteed to freeze semen. If you have a problem with your bull, please notify us immediately.

### IN-HERD SEMEN

BAR-E-L reserves the right to draw semen for in-herd use - at our expense - at the buyer's convenience - on any bull in the sale.

### FEMALES

All females are guaranteed breeders. The standard CAA guarantee will apply.

### CERTIFICATE OF REGISTRY

A certificate of registration will be transferred to the buyer for each registered animal after complete and full payment has been made.

### IDENTIFICATION

CCIA digital frequency buttons will be in their ear plus a Lot tag corresponding to the catalogue.

### INSURANCE

Will be available sale day.

### ANNOUNCEMENTS

Errors in this catalogue will be corrected by announcements from the block at sale time and such corrections will take precedence over any printed matter. Any disputes will be settled by the Auctioneer.

### BUYER REGISTRATION

Buyers please register for a buyer number prior to purchasing.

### HEALTH

All bulls and females are on the PHIZER GOLD vaccination program and treated with IVOMEK.

### ACCIDENTS

Although every precaution is taken, neither sale staff or the owners will assume any responsibility, and disclaims any liability, legal or otherwise for any reason.

### DELIVERY

Free delivery in Alberta, B.C. and Saskatchewan, or the nearest port of entry to the US on purchases of \$3000 or more. 50/50 cost shared beyond these points in Canada.

**RED BAR-E-L KINGS RANSOM 7Y**

-The ASTER cow has done it again with this deep bodied, square hipped son of DUKE.

-AMBUSH is a three star calving ease bull recommended for heifers.

-Note the ASTER cow is from two black parents, making AMBUSH an out cross to a lot of Red Angus cattle.

-Maternal brother sold to Duralta Farms in our 2012 sale.

-My personal favorite in the pen.  
 -ANTHEM is attractive made, square hipped, deep sided. A calf that is really well balanced and shows a lot of herd sire character.  
 -I only wish I had a picture of his mother. She is an ideal female with that impeccable udder quality we are all looking for.

- Another BEDROCK from a herd bull producing dam.
- His RIBEYE mother gets the job done every year.
- The grandmother, 44L, still roams the pastures at BAR-E-L.

-The BEDROCK sons are so similar in their type; long spined, growthy bulls with extra performance.  
 -ACCLAIM combines the best in the ALLIANCE daughters with the KASSIE family which has produced a Farmfair and Agribition Grand Champion Female.

RANSOM is a calving ease sire. He is a low birth bull with muscle and character. We love the maternal line behind him. Another excellent choice to use on heifers. RANSOM was a \$10,000 purchase in our 2012 bull sale by the Durie's at Duralta Farms.

**HOW MUCH CAN YOU AFFORD TO PAY FOR A TOP BULL?****COWMAN FORMULA**

Increase in pounds per calf from a top performance bull  
 X number of cows bred to him per year  
 X number of years to keep bull  
 X expected selling price of calves  
 = Additional dollars you can pay for a better bull

Example: A bull who will add 30 lbs. to the weaning weight of each of his calves - is mated to 25 cows per year for 4 years - and you sell your calves for \$1.00 per lb.

30 lbs x 25 cows = 750 x 4 years = 3000 x \$1.00 / lb. = \$3000

This bull is worth \$3000 more than your average bull who will keep the weaning weights the same. Take this formula and put your own figures in and see what you can afford to pay. This equation does not consider the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and improved carcass quality.

**SMOKIN' ACES** was purchased from Hamilton Farms in 2012. We showed **SMOKIN' ACES** at Agribition that fall and he was named Reserve Grand Champion Bull. He returned in 2013 and was crowned Agribition Grand Champion Bull, Top Ten All Breeds in RBC Beef Supreme Challenge, thought to be the pinnacle of livestock shows in Canada.

It's interesting to note **ACES** sire, **GREENS PREMIUM** won the first RBC Supreme All Breeds. It's no fluke **SMOKIN' ACES** has risen to the top. **SMOKIN' ACES** has bred two seasons for us. His progeny are low birth, born easy. They are very sound, gentle temperament, with excellent scrotals. His daughters show the same style and genetic design as his mother, 26T, one of the greats at Hamilton Farms. **SMOKIN' ACES** really stamps his progeny - both sexes. He is one of the soundest, most fault free sires we have ever owned. Owned with Hamilton Farms.

**IRON WILL** was our lead off bull and high seller in 2012 when half interest sold to Merit Cattle Co. for \$31,000.

His sons offer calving ease, performance and rib capacity. They are sound in every way with excellent scrotals. We expect his daughters to be exceptional cows. We think he is the best we have used from this line of genetics.

**NATURAL LAW** was our second high seller in 2012 to Tanya Belsham, Poplar Meadows Angus. Although we are very limited this year with a small group of calves they are some of our best, including a Heifer Calf Champion at Agribition, and an exceptional son in this sale. He comes from on of the best cow lines at BAR-E-L.
