

*Belvin Angus Fifth Annual*  
**BULL SALE**

MARCH 7, 2017 • AT THE FARM

# Welcome to the 2017 Belvin Angus Bull Sale

2016 was undoubtedly a trying year for much of the agricultural sector in Canada, with the cattle industry experiencing what seemed to be a strong market correction from the previous two years record high prices. Now that cattle prices have been rising again, hopefully a sustainable level can be reached, that will allow for profitability in all aspects of the Canadian cattle industry. 2016 was also a year of change at our operation, as we welcomed Brendyn Elliot to Belvin Angus. Brendyn has brought enthusiasm, a strong work ethic, and an extensive background in the Angus industry to the table. He also brought his herd of cows, which fit in and complement our existing cowherd very well, and will play a large part in our operation going forward.

Again this year, we have an offering of bulls that we feel are extremely uniform. They are sound, athletic bulls that have natural muscle and the ability to go out and cover a lot of ground. This year will feature large groups of sons from our three new walking herdsires, KR Cash 4003, HF Junction 18B and HF Syndicate 65B. We are very excited about these sire groups in 2017 and going forward. Maternal strength has always been something we have focused on, and you can see the prevalence of our top donor cows and cow families throughout the pedigrees of the bulls.

These bulls are fed a forage based ration, and are fed with an eye towards soundness and longevity. For years we have been proud of the fact that our bulls go out and work in the toughest conditions Western Canada has to offer, from the mountain ranges in BC, to Alberta's foothills and the prairies of Southern Alberta and Saskatchewan. All

the bulls are semen tested and vet inspected, and they are guaranteed 100%. Please feel free to stop in and view the sale cattle anytime before the sale.

Also, new for this year we have decided to offer a select group of 10 heifer calves. These heifers are from the heart of our replacement pen, and are paternal siblings to the bulls we have on offer. We feel they are productive females that can help any operation, and offer a glimpse of the maternal backing of the bulls.

We would like to invite everyone to the farm east of Bowden on March 7th. Please join us for a prime rib lunch before the sale, and stay and enjoy some hospitality afterwards. If there is anything we can do to assist in purchasing a bull, or if you can't make it to the sale and would like more information, feel free to call us, or any of the sales consultants. Online bidding will again be offered, but this year we will be utilizing the services of DLMS, so feel free to register to bid there. Videos of the bulls will be posted well in advance of the sale on our website.

Lastly, we would like to thank all of the buyers and bidders, from last year's sale, and every year previous. Your support is greatly appreciated. We are proud of the relationships and friendships that we have forged with so many of Western Canada's great ranchers over the years.

We look forward to seeing you on sale day.

Regards,

*Gavin and Mabel • Colton • Brendyn and Quinn*

*Cassey*

*Belvin Fifth Annual*  
**BULL SALE**  
**70 ANGUS BULLS SELL**  
**PLUS 10 OPEN PUREBRED HEIFERS**

**SALE LOCATION** Exit from Queen Elizabeth #2 at Bowden • Go east 3 miles (5 km) on Highway 587 to Rge Rd 285 • South 2 miles (3.2 km) to Twp Rd 342 • East 1/2 mile (0.8 km) • Farm on north side of road

### REFERENCE Belvin Velasquez 203'11

BW 3.5 WW 52 YW 87 MK 23 TM 49 CE -1.0 MCE 5.0

Belvin Velasquez 203'11 is an excellent Bismarck son out of a Leachman Right Time donor cow. His sons are some of the features in this year's sale, powerfully made individuals with muscle, thickness and great feet.

### REFERENCE Belvin Panic Switch 2'11

BW -2.7 WW 30 YW 78 MK 26 TM 41 CE 6.0 MCE 3.0

Belvin Panic Switch continues to be a breed leading calving ease sire, with a BW EPD of -2.7 ranking in the top 1% of the breed in Canada. Panic Switch's greatest legacy will be his daughters, who are soft made, moderate framed females, with excellent udders.

### REFERENCE KR Cash 4003

BW 0.2 WW 55 YW 105 MK 22 TM 50 CE 9.0 MCE 12.0

KR Cash 4003 was the lead off bull in the 2015 NWSS Reserve Champion Carload for Krebs Ranch. He was purchased with Ring Creek Farms as a \$40,000 feature in Krebs sale that spring. His first calf crop has not disappointed, born easily with excellent growth, powerful muscle and style. Cash boasts a BW to YW spread of 0.2 to 105, and he is in the top 10% of the breed in Canada for BW, WW, YW, TM, SC, CE, MCE, REA and CW.

# Belvin REFERENCE SIRE

**REFERENCE HF Syndicate 65B**

BW -0.2 WW 45 YW 89 MK 25 TM 48 CE 12.0 MCE 11.0

HF Syndicate 65B was purchased for his easing calving, and he has proven to be a sure fire bull in that regard, with a -0.2 BW EPD. The Syndicate sons are long, smooth made, and excellent structurally. Syndicates mother is also a CAA elite Dam, and the mother of HF Stop N' Stare 97Y, a past NWSS pen bull.

**REFERENCE HF Junction 18B**

BW 1.7 WW 51 YW 88 MK 15 TM 41 CE 5.0 MCE 7.0

HF Junction 18B was purchased from the 2015 Hamilton Farms Sale as one of the top bulls. Combining the popular Young Dale Knock Out sire line, with a CAA Elite Dam. The first Junction calves have exceeded expectations. They possess impressive stoutness and shape, while not sacrificing calving ease. The Junction sire group is the largest in the sale, but is extremely consistent.

**REFERENCE Duralta 56S Yellowstone 136X**

BW 1.2 WW 31 YW 49 MK 22 TM 38 CE 6.0 MCE 14.0

Yellowstone 136X was purchased from the 2011 Duralta Farms Bull Sale. He offers calving ease, with extra size and growth.

## terms & conditions

### OWNERSHIP

Belvin Angus will retain 1/3 semen interest in all bulls selling. Buyer has full possession and full salvage value of the bull.

### CATTLE INSPECTION

All bulls carry permanent identity tags that correspond with the Sale Lot numbers. The bulls also carry a freeze brand, correlating their birth year and their tag number. All bulls have the required CCIA buttons. Cattle available for viewing prior to the sale.

### BREEDING GUARANTEE

All bulls sell with the responsible Breeders Guarantee of Satisfaction. All bulls are guaranteed. All cattle sell under the Terms and Conditions set forth by the Canadian Angus Association.

### SIGHT UNSEEN PURCHASE GUARANTEE

If you are unable to attend the sale, we have a sight unseen purchase plan that is 100% satisfaction guaranteed. Contact any of us for further details.

### INSURANCE

Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock insurance will be available sale day.

### TERMS OF SALE

Cash or cheque at par, payable to Clerks on Sale Day. No release of cattle will occur until satisfactory settlement has been made

### LIABILITY

All Persons who attend this sale do so at their own risk, and the owners and sale staff assume no liability, legal or otherwise for property loss or for any accidents that may occur.

### ANNOUNCEMENTS

Errors discovered in the catalogue will be corrected from the auction block at the beginning of the sale and such corrections will take precedence over the printed material in the catalogue.

## about EPDs

### EXPECTED PROGENY DIFFERENCES (EPDS)

EPDs provide a means of comparing genetic merit of animals within a breed. For each trait evaluated, the EPD incorporates the animals individual and progeny performance information from other relatives. Each trait evaluated predicts expected progeny performance relative to the breed average. The EPD itself does not imply "good" or "bad" performance, only whether the performance of progeny is expected to be above or below that of the progeny of the average parents. Cattlemen should on an individual basis, decide what is best for them by considering what traits are important to their program, their current herd performance and the degree of change desired. We encourage you to look at the EPDs, however they cannot be used as an exclusive evaluation system of cattle but rather be added to visual and structural appraisal, existing performance data and other considerations you normally use when making selection decisions.

### CAA AVERAGE EPD'S FOR BLACK ANGUS BORN IN 2016

BW	WW	YW	MM	TM	CE	MCE
2.1	45	80	21	43	3.5	6.6

## leptin

### TEST RESULTS

All the bulls have been leptin tested and the results are available upon request.

2016 was a very difficult year for our family. We lost Logan Chalack, who was not just a nephew and cousin, but a friend, idol and source of great inspiration for us all. Logan was one of the rare people in this world who was truly memorable, with his love of life, work ethic, sense of humour, compassion and mischievous smile. Anyone who had the pleasure of meeting Logan, no matter how briefly, remembered him. We are amongst the legion of people who will miss Logan forever, but we will never forget the impact he had on our lives.

In Loving Memory **Logan Chalack** 1983 - 2016
