Black Harvest

19th Annual Bull Sale

Welcome to the 19th Annual edition of the Black Harvest Bull Sale

If you are reading this you've survived one of the roughest if not THE roughest era's in livestock history. Congratulations on this feat as it was a bear cat to say the least. For every negative there is always a positive; that being a tremendously more productive and efficient cow herd. No doubt we are due for a good upswing but input costs will follow suit as they always do. So the importance of our newly learned efficiencies must not be forgotten. It is often stated that cattle are sold by the pound. This is true but expenses are also incurred by the dollar and profit is influenced more by what is saved than what is produced. So to ensure profitability we must secure trouble free cows, who year after year calve unassisted, breed back in a timely manner and raise a healthy, efficient feeding calf that consumers desire. I think there are bulls who will sire cattle with those qualities within this offering of bulls. When selecting a herdsire you should be selecting more than just a bull. You should be selecting a program. What you get when you invest in a given set of genetics represents that producer's efforts and dedication. So don't just buy a bull, buy a brand.

On behalf of Cecil and myself we would like to welcome and introduce a new face to the Black Harvest group. That being Right Cross Ranch; Jim and Sarah Anderson. Jim and Sarah have taken over the reigns from Betty and Gerry. They acquired the farm lock, stock and barrel spring of 2010. With spring brandings, weigh days, bull clipping days, catalogue construction and a few social outings Jim and Sarah have become valued friends. I feel fortunate that the farm I grew up on has been saddled by an enthusiastic young couple who have seamlessly blended into the mold that Mom and Gerry had left behind. They are excellent cattlemen and serious Angus enthusiasts who we look forward to being long term partners and friends with.

Finally, welcome to our fellow stockmen and women who support our programs. We are a dedicated group of breeders that want to earn your business through the quality cattle and services we provide. If we can be of assistance to your herdsire requirements please give us a call.

Check www.blackharvest.ca for videos!

Welcome to the 19th Annual

Black Harvest Bull Sale

Wednesday, April 13, 2011 1:00 pm Right Cross Ranch Sales Facility, Kisbey, SK

Directions: 5km South on Grid 605 4 km West (all paved)

Offering:

44 Black Angus Yearling Bulls

Stan's Cell: 403.704.0288

To make this sale more convenient for our Western Prairie buyers & bidders, we have provided Stan Skeels as our Alberta Representative.

- FREE DELIVERY WITHIN 200 MILES, THEREAFTER AT COST.
- FREE KEEP OF BULLS UNTIL MAY 1ST. THEREAFTER WILL BE CHARGED AT \$2.00/DAY.
- BULLS STAYING AFTER SALE MUST BE INSURED.

CALVING EASE BULLS & COW BULLS

In response to our customers' needs we have selected a group of bulls that we can recommend for use on heifers. These bulls will be marked with a  next to their name.

GBT Angus

Welcome to the 19th edition of the Black Harvest Bull Sale.

Our goal as seedstock producers is to create a product for our customers that is consistently predictable. To do this we avoid extremes of any fashion and concentrate on cumulating all traits to an optimal level. Our genetics are mostly unique as we do not follow the mainstream, en vogue cattle of the day. We value our customers long term success and this is achieved through concentration of proven bloodlines.

The move to a two year old program is our commitment towards adding customer value. They are slowly developed from birth to the day they are delivered. Developed to 80% of mature weight by turn out they are physically bigger and stronger making them capable of higher serving capacity and requiring less TLC post breeding. The extra year also gives us more time to evaluate, scrutinize and cull for structure, temperment and conversion efficiencies on both stored feeds as well as pasture settings. Equally relevant is where these bulls come from. These boys represent a cow herd who survive solely on roughage, walk several miles daily for water and calve largely unsupervised. Poor udders, poor calving and mothering ability and poor calf vigour do not stand up in this sort of environment. Couple this with a tight calving interval and the girls get seperated from the ladies in short order.

Two year old timeline:

Dec. 2009- weaned and fed free choice alfalfa/grass hay.

Feb. 2010- introduced rolled barley with balanced mineral supplement to maximum 5lbs/day.

Apr. 2010- out to pasture.

Nov. 2010- come off pasture, fed free choice alfalfa/grass hay.

Feb. 2011- introduced rolled barley with balanced mineral supplement to maximum 12lbs./day.

Apr. 2011- post sale, bulls back out to pasture until delivery.

We appreciate your interest past, present and future. It is our pleasure and passion to be your seedstock supplier. We take great pride in striving to make a positive impact on your herd. If we can be of any assistance in regards to your herdsire needs please don't hesitate to call as we are always eager to work with you and your program.

Best regards,

Trevor, Cheryl, Brett and Carter

Cecil's Cell: 306.461.5501

Welcome to our 19th Annual Bull Sale and a big "thank you" to all our buyers who supported us throughout this time. The cattle markets seem to be defying all odds with higher grain prices, a high dollar value and a recession. I hope everyone hit some of the higher prices on their calves and culls. I also wonder if some are wishing they would have kept their cows for a little longer.

This year's bull pen is as strong as ever with a good selection of calving ease and top end performance bulls. We feel we have bulls to suit everyone's needs with lots of 3/4 brothers on offer.

Please join us for lunch on sale day and enjoy some Black Harvest hospitality!

Look forward to seeing you there,

Cecil Mantei

It is with excitement and anticipation that we welcome you to the 19th Annual Black Harvest Bull Sale. What a time to be apart of the cattle industry! It is important that the people who are lucky enough to ranch

do so to the best of their ability. We are dedicated to the industry. One of our goals is to improve the genetics and health of each year's calf crop to provide the best seed stock possible for commercial and purebred breeders. The Black Harvest Bulls have been fed to maximize each calf's genetic potential while maintaining longevity. This is easier said than done! One thing that we both enjoy about our job is we continue to learn something new every day. We have been exposed to many sectors of the cattle industry and know what types of cattle are needed to make these sectors functional. It is our responsibility to breed the kind of cattle that will best fit producer's programs, commercial or purebred.

This year has brought many changes for us. We are the new owners of a ranch, newly married, new to the community of Kisbey, new to the Black Harvest Sale group, meeting new friends and neighbors, and new to doing ALL the night checks! We would like to take this opportunity to thank our family and friends for their support and the community of Kisbey for the warm welcome. We are grateful to Mantei Farms and GBT Angus for the invitation to join the Black Harvest sale group. And lastly, we appreciate the continued support from the That'll Do Ranch team as we continue on with a portion of their cowherd. We wish the Kopp and Kuefler families all the best in their future endeavors.

Looking forward to providing you with Purebred Angus, Yesterday, Today, and Tomorrow!

Right Cross Ranch

Jim & Sarah Anderson

Terms and Conditions

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration: Each animal will carry papers issued by the applicable breed association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health: All animals in the sale have met all necessary health requirements.

Guarantee: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in the sale will be sold under the terms and guarantees set forth by the applicable breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities: All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail Wire Bids: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance: Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supercede any written material in this catalogue.
