Dear Friends,

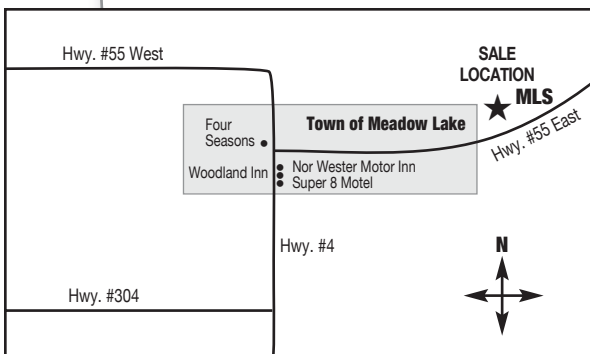

Welcome to our 16th Annual Bull Sale, and 7th at Meadow Lake, SK. As always the seedstock we offer in this sale are the result of generations of intense selection not only for low birth weight, balanced performance in an efficient uniform maternal oriented package. We also strive for phenotypically and structurally sound cattle with perfect feet, legs and udders. These cattle will convert forage into beef while effectively making you the primary producer more net dollars with a consistent, uniform calf crop, that performs very well, conception to consumer.

These bulls are raised on only their mothers and Mother Nature. They are weaned early December, back grounded on high forage ration, then grazed on grass from early May until late November. The average grass gain on this set of bulls was 547 lbs. per bull, over 202 days this equaled to 2.70 lbs. per day.

Looking to a bright future.

Sincerely,  
Harvey Bowerman

*P.S. Roast Beef lunch will be on at 12:00*

### **EPDs:**

- Expected Progeny Differences are values that predict how the future progeny of an animal will perform relative to the progeny of other animals in the same breed.
- Are expressed in the units measured of that particular trait. For example, weaning weight is measured in pounds thus the weaning weight EPD is also expressed in pounds.
- Allow a fair comparison of breeding value by removing environmental bias such as climate, feed and special management.
- Are the best tool available to compare animals between herds, countries and year of birth.

# BLACK ANGUS BULL SALE

## NESSET LAKE ANGUS

Ivan, Julie, Jenna & Lacey Demmans  
Box 225, Meadow Lake, SK S9X 1Y2  
PH: 306-236-6058 Cell: 306-236-8086  
Seldon Cell: 306-240-5011

We are pleased to be hosting our 7th Annual Black Angus Bull Sale at the Meadow Lake Stockyards. We are excited to bring you our top bull selections and a group of heifers from the heart of our replacements. The positive outlook in the agriculture industry is one we have not seen for a number of years. Many of us do not remember 900 pound steers bringing \$1200 and replacement quality heifers nearing \$1000. With the national cow herd numbers being at an all time low I don't see these prices changing any time soon. It will be exciting to be a part of this upswing in the industry for the next number of years!

The bulls have been fed a ration of 14% range pellets and free choice hay. We feel that these top end bulls in the sale have excelled at a high rate of gain on this ration. The bulls have been vaccinated spring and pre-weaning with express vaccine. The AI sires we have selected have a balance of calving ease, fleshing ability and strong maternal traits.

Our cows swath graze until mid-December so we select for low maintenance cattle. We run a family operation so temperament is also an important trait in our herd.

We had a challenging year from a cool dry spring until mid June. Rain came and flooded hay fields and crop land, then by mid July we had a wind storm that recorded over 140 km. winds destroying a calving shed, wind breaks and many fence lines covered by fallen trees. After a lot of clean up we started haying the first week in August and finished the long weekend in September. When the weather broke we had a beautiful fall which has continued into mid January. We live in an amazing country!

Jenna and Chris continue to live in Smiley and have taken on some share cattle from their grandparents and uncle. Lacey has gone off to explore the new world of Edmonton and is attending the University of Alberta taking Animal Health and Sciences. We are pleased to have our son Sheldon and family join us in the sale this year. They are building a herd of registered Angus and are offering two bulls in the sale.

We would like to take this opportunity to thank all of our past buyers and look forward to seeing you again this year. We invite anyone interested in viewing the bulls or heifer pens to stop by for a visit, and the coffee is always on. We are looking forward to meeting and visiting with you on sale day.

### *Terms & Conditions*

**CONDITIONS AND GUARANTEE:** All entries sell with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute whatever, regular TERMS AND CONDITIONS recognized with Sales Management shall apply, and in accordance with the Canadian Aberdeen Angus Association Code of Ethics.

**CATTLE INSPECTION:** All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

**EVERY ANIMAL:** Sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

**RELEASE:** No cattle will be released until the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the Clerk's desk from the appointed representatives on sale day.

**TERMS OF SALE:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received.

**ALL PERSONS:** Who attend the Sale do so at their own risk, and the Owners, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
