Gate Guarantee

If you are not able to attend our sale but are interested in our bulls, we can facilitate your order. Call to discuss your cow herd, your program and your specifications. We will select a bull that meets your requirements/specifications. The bull delivered to your gate is "satisfaction guaranteed" or we take him home - no hassle. You may also rely upon the sale representatives to bid and act on your behalf in a confidential manner.

Semen Tests & Measurements

All bulls in the sale have passed a semen test and breeding soundness evaluation by a licensed veterinarian and have been issued a Semen Evaluation Certificate. Scrotal measurement & weight information will be available sale day.

Board and Pick Up Program

We will keep your bulls and look after them for you up to a maximum of 30 days at no cost to you. You will be responsible for picking up the bull(s) any time prior to, but no later than May 1, 2017. Insurance protection is mandatory for this option. After May 1, a feed charge of \$2.00/day will apply.

Insurance

Insurance will be available sale day.
Larry Toner: cell 306-834-7652. All bulls returning to Merit after sale MUST be insured to protect your investment.
INSURANCE IS MANDATORY!
Larry provides various packages to suit your needs.

Delivery

Free delivery will be provided up to 200 miles on purchases totalling \$3500.00 or more. Purchases less than \$3500.00 will be delivered at cost. We will deduct \$50.00 from the purchase price if you trailer them directly from the sale.

On behalf of Cockburn Red Angus, we would like to welcome you to the Cockburn/Merit bull sale. We would also like to thank all our buyers and bidders from our past sales, your support is greatly appreciated.

Our bulls are developed with longevity in mind. They are fed to meet their potential to emphasize on muscle development, not to over fatten and jeopardize their longevity and fertility. The bulls will all be fertility tested and guaranteed breeders. We are very excited about the group of bulls we have to offer this year. They represent some exciting new herdsires including Specialist and Cowboy Kind. There is a bull to meet everyone's needs, cow bulls with lots of performance and easy calving heifer bulls to let you sleep easy.

We make our living solely from our cattle. We have built around strong cow families emphasizing on sound feet and legs, thick easy doing cattle with good udders, and herd sires with muscle, performance and do ability as well as calving ease. Our purebred cows are run on native grass alongside our commercial cows with no special pampering or creep feed. We believe our cattle should work harder than we do and we cull strictly to ensure we stay on track.

We invite you to join us on March 27th at Johnstone Auction Mart in Moose Jaw, come presale for lunch, refreshments and to view the bulls. If you are unable to attend the sale, please feel free to contact myself or any of our sales staff to help you with your order. We will be sure to find a bull to suit your needs and we guarantee your satisfaction. For any questions or to tour the bull pen or cow herd feel free to call. I look forward to visiting with you.

Breakout was the high selling bull in the 2012 SSS bull sale. We purchased him on the strength on his sire and on the maternal strength on his dam, she was one of the most impressive cows in the SSS cow herd. Breakout excels in siring females that are the kind the industry needs. They are correct, big volume, easy doing and great uddered. This past fall a daughter was a feature heifer in the power and perfection sale at Agribition, and sold for \$15,000 to South View Ranch. Not only can Breakout sire females like these but also bull calves that are stout, big hipped, great footed and in demand. His sons have been our top and high selling sire group for the past three years. In our 2016 bull sale nine sons sold to average just over \$10,500, with a high of \$39,000 for Red Cockburn Heavy Duty 518C.

Ribeye 308U is a bull we are very proud to have bred and raised, he was our high selling bull in our 2009 sale to Soo line Cattle co. for \$30,000. As a two-year-old he was the feature lot in their dispersal sale and sold for \$70,000. His sons were our high selling sire group for many years. Ribeye consistently sires cattle that are easy doing and have superb depth of body, muscle shape and hair. His daughters are easy fleshing great uddered females and are proving their worth by weaning some of our top calves every year.

Cowboy Kind is another new sire in our line up. He was a \$70,000 high seller at Peipers 2014 sale, and although we weren't able to get him bought that day, we were able to get one of only two semen packages released in Canada. Cowboy Kind is a super stout bull with a ton of shape, just as his name implies he is "The Cowboy Kind". His sons follow the same pattern and his daughters also look like they will be great females.

Specialist is a new herd sire we are very excited about. He was added to our herd bull line up for his outcross genetics and his combination of calving ease and growth. He constantly sires calves that are super low birth weight, yet don't give up on performance. Specialist has been the most reliable calving ease sire we have ever used, he will be a big part of our program going forward.

Assassin 624D is a bull we are as excited about as any we have ever raised. He is very well balanced, combining low birth, explosive growth, outstanding phenotype, great EPD's and from our most prestigious cow family. Assassin is the first son we sell of our new calving ease herd sire Specialist, Assassins combination of calving ease and exceptional growth are hard to find. Assassins dam is an exceptional young cow and is a maternal sister to Ribeye 308U. She is proving to be one of our top producers and is destined to be a great donor cow, just like her dam 443P. A maternal sister to Assassin was one of the high selling bred heifers at the power and perfection sale this past fall at \$15,000

Retaining 1/3 Semen Interest.

Outlaw 626D is a son of Ribeye 308U and much like his sire, he is big ribbed, big hipped and dark cherry red in color. He is a bull that demands your attention for his herd bull character and style. Outlaws dam 406W is a huge topped, big ribbed female with an amazing udder.

RED COCKBURN RIBEYE 308U - SIRE OF LOT 2

COCKBURN

BREAKOUT

600D is a moderate framed, super stout son of Breakout 114Y. The Breakout sons have been our high selling sire group the past few years and 600D fits right in with the best of them. A full sister to 600D was sold to Rack Red Angus and the reports are very good on her. The maternal strength in 600D will be second to none with the combination of Breakout and the Cora cow family.

724D is the youngest Simmental we have in the sale but he is big time in the performance department. He is a long bodied, thick bald faced bull.

SIMMENTAL

MERIT CATTLE CO.

Welcome

Once again we will begin by saying a huge THANK YOU to our customers, for a very rewarding 2016. We were humbled by one of the best Angus bull sales of the spring season. It was an extremely gratifying to experience the interest and support of our fellow cattle breeders from both the seed stock and commercial sectors. We are grateful for you all!

We have always believed the commercial industry steers the purebred market place, not the other way around. Our program has always focused on the basic traits that are important to real cattlemen.

Calving ease, good growth, high vigor, exceptional foot structure, great hair, good temperament, backed by sound and functional momma cows. 30 plus years of genetic predictability takes the guess work out of your purchase. Like our customers, we are the ones who provide the manual labour, so our tolerance for management cattle is extremely low. It starts with cows that are designed with the **capacity and hair coat to be efficient forage converters** with feet and udders that will last into their teens without intervention, and sound maternal minds so they stay in the herd long enough to be profitable.

Merit bulls are managed for optimum growth and soundness. They are highly exercised and athletic as the field they are housed in from weaning to bull sale time is set up for maximum exercise with hay, pellets, water and bedding locations forcing the bulls to travel. **The bulls are walking a minimum of 1.6 miles a day!**

We feel this years group of bulls is our strongest and deepest to date. **There are bulls to fit everyone's needs and budget.** There are calving ease bulls designed for your heifers and growth and power bulls designed for your cows, all backed by quality Merit maternal genetics so the heifers that you retain will be sound, productive and profitable. **NEW for 2017 the sale will be broadcast on DV Auction.**

Please feel free to call, email or text. Our sales staff is highly competent and trust worthy so feel free to ask them about the offering as well.

77 is a soft made, deep bodied performance bull with a great foot. He displays true herdbull character and moves like a stud. His Socialite dam was a great producer for us. He's in the top of the breed for growth traits, milk and scrotal. 77x sons exhibit performance and loads of hair which is essential in siring top selling steer calves in the fall. As consistently good as his sons are, his greatest strength lies in his daughters. They are beautiful females with well balanced tidy udders with small teats, built for longevity! His daughters are angular moderate and soft sided. Some of the top bulls in the sale offering are out of 77X daughters. We are excited for the impact the 77's will be making in our program for years to come.

Range Boss was found in Kansas by our friend Riley Lafrentz, who thought we would be interested in this unique breeding piece. His structure is impeccable and he consistently passes that on to his progeny. Range Boss checks a lot of boxes. He's got a great look and presence about him. He's long bodied, deep sided and easy fleshing, with great hair, good scrotal and feet and a disposition that is second to none. Even Emile, Janelle's dad and lifetime Charolais guy, liked Range Boss. The Pride cow family at Bar S is a cornerstone in their operation. He's really stamped his progeny and we like his sons and daughters equally.

Merit Big Dawg made a splash as the high selling bull in our 2014 sale at \$30,500 for 2/3 interest selling to Double F and Locke Farms. He made a lot of friends that fall, being named Reserve Junior Champion at Agribition. His muscle, hind leg, powerful forerib, and style set him apart from the competition. Big Dawg consistently transmits that big top and hip to his progeny. They display his unquestionable class and character as well. His first daughters are in production this spring and they are making good mommas. Their udders are square and balanced with small well placed teats.

Klondike was retained in our herd as a walking bull option. His progeny are born vigorous with extra length and loads of hair. He ranks in the top percentiles for performance in the breed, as well as top 1% for scrotal. His sons exhibit a powerful hip structure, not made by feed but in their natural design, unlike so many Angus bulls that profile so well and are disappointingly flat and narrow from a rear view. Klondike sired the Junior Bull Calf Champion at Agribition last fall, Merit Dawson City 6138. Klondike gave us another opportunity to use a son from the Socialite cow family. His dam by Forte is wedgy, with loads of capacity and a beautiful udder. His daughters are feminine, fertile and functional.

Rage was the high selling herdbull prospect in our 2015 sale selling to Howard Rambur and Bar JV Angus in Montana for \$37,000. His exceptional depth and performance with an outcross pedigree made him one of the most intriguing individuals offered that spring. His dam, 48X, is a model female. Garrett showed her to many Championships, including the Open Championship at the National Junior Angus Show and Supreme Champion at the Young Ranchman's Show. His sons will be easy to find sale day, and his daughters are at the top of the replacement pen. Once again, the strength of the Socialite cow family breeds true.

Stoney Creek was another herdsire highlight in the 2014 sale, selling for \$22,000 to Bear Creek Angus. Stoney does so many things right. We just love his progeny, as do Weiss's. This comes as no surprise, as all the females on the dam's side of his pedigree are model cows. His sons display exceptional muscle and volume. We'd love to use him more extensively, but are somewhat limited with both GDAR Insight and Dutch up close in his pedigree.

Trent found Upfront in the winter of 2015 at the South Montana bull test. He displayed a unique combination of structural correctness and eye appeal, with a perfect foot and large scrotal. He became the top WDA bull and was among the top gainers. He and his half brothers were easily the standout group out of over 100 bulls on test. His dam is all old line Montana breeding, with Emulation, Traveler, and Rainmaker in her pedigree. Upfront's sons are long sided, masculine and rugged, while his daughters are extremely feminine and wedgy. We are eagerly anticipating his daughters in production.

6048 is a big growth and performance prospect with an 838lb 205 day weight, from a big ribbed heavy milking Insight dam, who is also designated Elite.

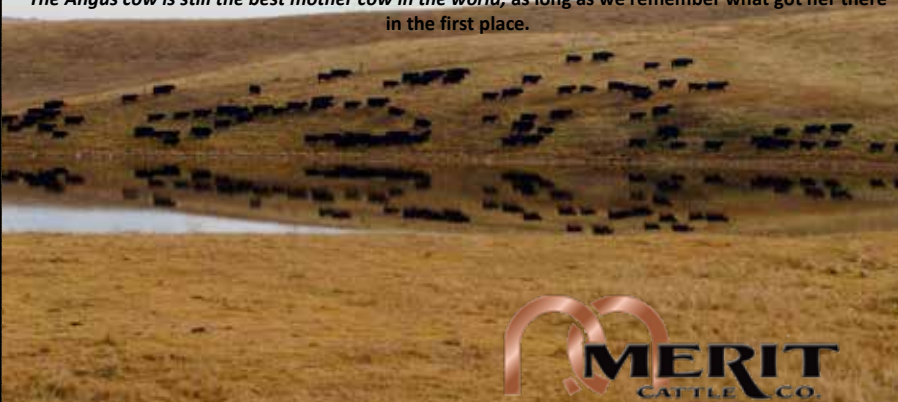

MERIT BIG DAWG 3049 - SIRE OF 6048D

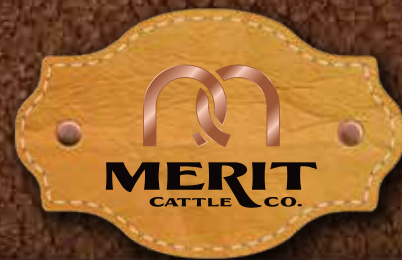

Merit Mommas...No frills, functional females with the utmost attention paid to structure, udders, disposition and do-ability. Our cows graze stockpiled grass as late as possible in the year, and when we are lucky and Mother Nature allows, even past Christmas. They are then fed hay bales with lick tubs on a half section until February. They are *not* supplemented with grain, fed silage or out swath grazing annual cereals.

They are not perfect, but we are trying to produce the best Merit Mommas possible for our environment and market.

The Angus cow is still the best mother cow in the world, as long as we remember what got her there in the first place.

**SCROTAL MEASUREMENTS
 WILL BE AVAILABLE
 SALE DAY.**

Stoney Creek 4023 was a high selling bull in our 2015 sale to Bear Creek Angus at Maple Creek. Stoney himself was a soft made, super sound and attractive made bull with the cow power to back up his herd sire potential. The dam of 6067 needs no introduction as she has literally been Carson's cash cow producing bull sale high sellers that have gone on to work in purebred herds. She's the dam of 8808, Maverick and Lucky Sevens. At 11 years of age her udder and feet are perfect and she's maintained her calving interval. Stoney Creek 6067 is an absolute stud, and has a distinctive herdbull presence about him.

If you still select cattle by visual appraisal, then 6098 will rank high on your list. His dam Merit Countess 2027 was the Senior Yearling Champion at Agribition. She was quite likely the most admired and unique female shown that fall. She passed on her tremendous volume, powerful hip, and rib shape to her extra fancy son.

MERIT COUNTESS 2027
DAM OF 6098D

MATERNAL SISTER TO 6098D

foundation

[foun-dey-shun]

1. the basis or groundwork of anything :
2. the base on which a structure rests :

At Merit, we believe that structure is not just another detail but the foundation essential for something greater.

Mentor is a full brother to Merit Socialite 5024 - "Daisy", who was the most decorated show heifer in Saskatchewan in the spring of 2016. She was Grand or Reserve at 7 different shows and was never beaten in an Angus class. Mentor displays that same style yet is very masculine. His dam is a maternal sister to 77X. The maternal influence of the Socialite family is always positive.

6113 is typical of the Upfront sons, hairy, loose hidged, and easy moving. These bulls will cover some ground.

As a result of bylaw changes within the Canadian Angus Association, Merit will be retaining a "NON revenue" sharing interest in every bull we sell. This allows Merit to collect semen on any Merit bull in the offering for in herd use only. This will be done at Merit's expense and the new owner's convenience. This is the same as in past sales but the change now means that 'Merit' will remain on the registration paper as an owner in order to satisfy association rules. This will apply to all bulls unless other terms are announced sale day.

TRUE GRIT

True Grit is an intriguing individual when you study his length, thickness, hair coat, and eye appeal. He has a herdbull presence. No surprise, as he traces back to our original Socialite 19B cow. His maternal sister was the undefeated Junior Yearling Champion at Lloydminster and Agribition, as well as being named Angus Champion and overall Grand Champion at the Agribition RBC Junior Beef Extreme.

Gold Rush will be one of the most unique herdsire prospects to sell this spring. We believe cattle need to be bred "from the ground up", and Gold Rush exemplifies that, starting with a big solid hoof, continuing into a stout leg all the way up to an explosive hip. He's long spined with a terrific hair coat and a strong, masculine head. His third dam, Bosta Blackbird 19Z, was a picture perfect cow and our pick of the entire Glennie herd.

MAR Innovation was easily the best Angus bull of likely 100 'Stud' bulls we saw in the winter of 2015. His combination of phenotype, character, hoof structure, scrotal, and performance was unmatched. 6128 exemplifies all these traits, with added muscle. His Dutch x Heroine dam at 10 years old looks like she's 5. Her udder and hoof quality is impeccable.

Dawson City was the Agribition Junior Bull Calf Champion. He's a performance and growth standout, with weaning and yearling ratios of 110 & 106 respectively. He exhibits tremendous length and character, with a big hip and excellent feet. His ultra feminine Jilt dam has a perfect udder, typical of the Luke daughters. This one will sire females that will keep you in the cow business and his steers will take you to the pay window.

6168 is the youngest bull in our offering. He possesses that typical Klondike depth, thickness and hair coat. His dam is a beauty, tracing back to one of the really good females we purchased out of the Glennie dispersal.

6168D

We are grateful and blessed to be able to do what we love for a living. Thank you to our customers for your continued support in our program. We truly appreciate your confidence and friendship.

"It's good to have an end to journey toward; but it's the journey that matters in the end."

Ernest Hemmingway

Lovey Liebreich

April 30, 1936- November 18, 2016

*One hundred years from
Now*

It won't matter

What kind of car I drove

What kind of house I lived in

How much money I had in the bank

Nor what my clothes looked like

BUT

The world may be a little better

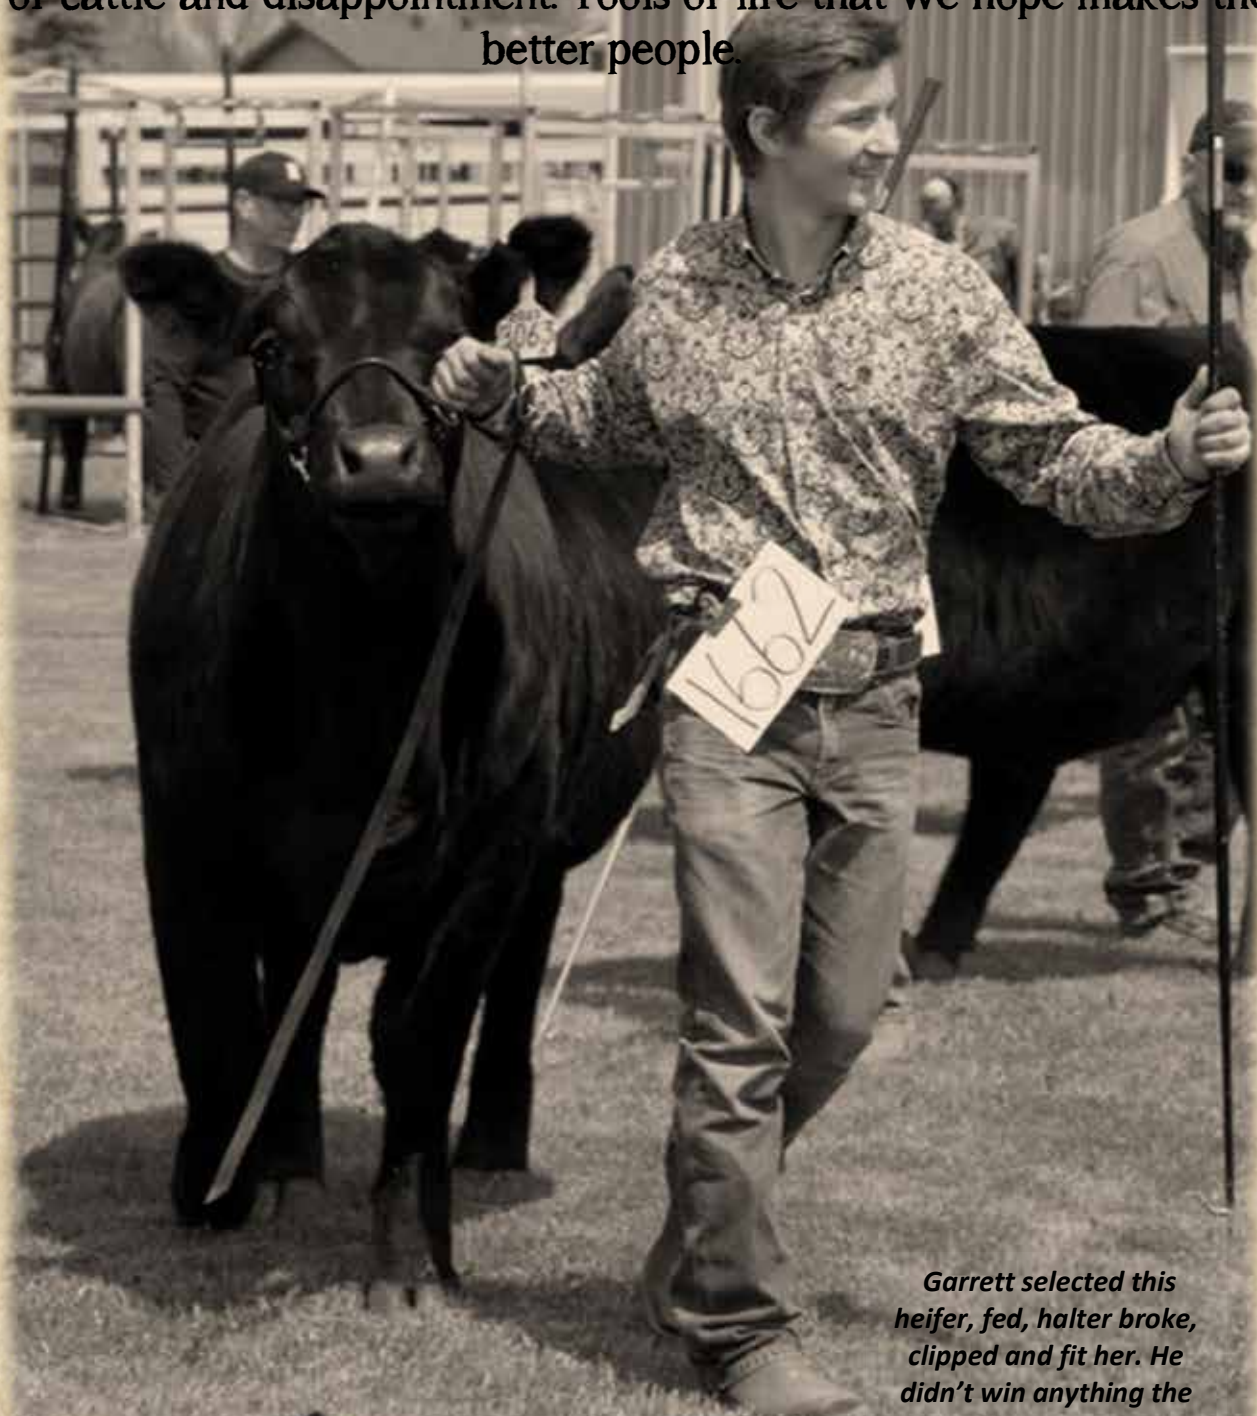

*Because I was important in the life of a
child.*

**It ain't about the banners, ribbons or buckles.
We don't raise show cattle.**

We simply show the cattle we raise!

What a tremendous gift we are able to give our kids, teaching them work ethic, goal setting, perseverance, friendships, marketing, competitive spirit, love of cattle and disappointment. Tools of life that we hope makes them better people.

Garrett selected this heifer, fed, halter broke, clipped and fit her. He didn't win anything the day this photo was taken but it truly captures the essence of what it is to be a stock show kid!

MERIT CATTLE CO.

TERMS & CONDITIONS

Terms: The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance to the sale with the owner or Sales Manager.

Bidding: Each animal is to be sold to the highest bidder. No by-bidding will be permitted. A reasonable price base may be set.

Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Certificate of registry: Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers for each animal after settlement has been made.

Breeders Guarantee, bulls: Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

In no event shall the seller be responsible for more than the purchase price. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

Exception guarantee: In cases where the animal was subjected to hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Settlement: Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful

in proving the animal in question to be a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of the replacement animal, the Sale Management will appoint a mediator.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer, or sellers assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Mail or telephone bids: Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale.

Rights and obligations: The above terms and conditions of the sale shall continue a contract between the buyer and the seller and be equally binding to both.

Resale of animals following purchase in this sale shall constitute a separate transaction which is not covered by the terms and conditions of this sale.
