It is our pleasure to welcome you to the 22nd Annual Cattleman's Connection Bull Sale.

Ray, Barb and family take great pride in producing top quality Angus bulls that will help the commercial Angus industry to thrive into the future.

We are strong believers in working smarter, not harder! And how better to do that than with vigorous Black Angus cattle that have light birthweights and tremendous performance.

This year's bull line up is very exciting. Our largest sire group will be the Rage bulls, a very consistent group with tremendous eye appeal, thickness, depth of quarter, easy doing, very moderate birth weight with great temperaments. Rage is a sire we will continue to use heavily into the future.

There are a number of new herd sire groups with some very exciting progeny in the sale. Lazy E Excitement, Spruceview Ten X, Six Mile Black Hawk Down, and Six Mile Bull Durham. These new herd bulls and sons excel in depth of body, overall thickness, eye appeal, and moderate birth weights. We also have an extensive AI program with calving ease and performance sires, such as Bullseye, Fortitude, Double Vision, Ten Speed, Grit, Tour of Duty and Montana.

We would like to thank everyone for their continued support over the years. If you would like more information on the bulls feel free to call. Bulls are available for viewing on the farm prior to the sale or they can be viewed at Heartland March 2nd.

If we can be of any assistance in selecting your bulls feel free to give us a call, or any of our sale staff.

Come and enjoy lunch with us sale day!

Ray, Barb & Family

Welcome to the 22nd Annual Cattleman's Connection Sale

Over the years there have been a few changes but the one thing that has proved constant has been the quality of the bulls offered in this outstanding bull sale. The other thing is the influence of Jack Harts breeding program, as you will notice going through the catalog the number of bulls in the HBH and Airey program that have Brookmore dams, along with the Brookmore consignment.

Jack was an exceptional cowman and his efforts in breeding top quality Angus cattle will be felt in the Angus industry for years to come.

This year Derrick Pilatic will be presenting the Brookmore bulls and is taking over the mature Brookmore cowherd under the prefix of Brookside.

A new guest consignor, Wild West Angus, Willem and Jaceline Klessens and family have five top bulls in the sale.

HBH and Airey Cattle Company have the strongest consignment to date with exciting new genetics.

If Ray and Barb, Derrick, the Klessens, any of the sale crew or Brody and myself can be of assistance in any way please give us a call.

Yours truly,
Doug Henderson

Rage has proven to be a top sire, his progeny have topped sales wherever his sons sold. They were exceptional in last year's sales. The sons are deep sided, thick, easy fleshing bulls with lots of hair, loads of eye appeal and very correct. His females have the potential of making fabulous brood cows.

CATTLEMAN'S CONNECTION

- **WE STAND BEHIND WHAT WE SELL**
All bulls will be semen tested & breeding soundness evaluated
- **SIGHT UNSEEN PURCHASE PLAN** - your satisfaction guaranteed
- **WINTERING POLICY** - free board on bulls until April 1, 2017
- **POUNDS** - generations of bred on muscle, without sacrificing maternal traits
- **CALVING EASE** - 50% of the bulls selling are suitable for heifers

WELCOME to the 22nd Annual Cattleman's Connection Bull Sale and we are honoured to be continuing the Brookmore Angus herd after Jack and Barb's many years of hard work and extreme dedication to Angus cattle.

I began working for Jack and Barb in 2012. I have always been involved with cattle through my parents and own commercial herd, but my passion grew for Black Angus cattle working for Jack and Barb. Not only did I learn about cattle, I learned about what goes into having a reputable name, like Brookmore Angus, and how much hard work is involved in producing top quality bulls and females. I hope to continue the same line with the cattle that I have purchased from Barb. We cannot thank Barb enough and we are very thankful for this opportunity that she has presented us to be a part of the Cattleman's Connection Bull Sale with HBH & Airey Cattle Co.

Although under Brookside Angus, the goal is to continue with hard work and dedication to raise quality Black Angus bulls for both purebred and commercial breeders, just as Brookmore Angus did. Our bulls sell with personal guarantee for soundness of fertility, as well as complete satisfaction to our customers.

If I can be of any assistance with your bull purchase, please feel free to call or email.

Rage has proven to be a top sire, his progeny have topped sales wherever his sons sold. They were exceptional in last year's sales. The sons are deep sided, thick, easy fleshing bulls with lots of hair, loads of eye appeal and very correct. His females have the potential of making fabulous brood cows.

WE would like to welcome you to our first bull sale - but to all of you the 22nd Cattleman's Connection Bull Sale. We are very excited and thankful that we are able to join this sale and meet all these great people. With this being said we like to give the Cattleman's Team a big thank you!

We started only a few years ago and bought some great open heifers from LLB and Peak Dot Ranch. We also added a few high sellers out of the Masterpiece Sale, Angus Collection and the Keystone Klassic.

Our goal is to establish a high quality herd with lots of performance. And raise bulls that will improve your bottom line.

We try to get them all AI bred to big performance bulls that are structurally sound. We have flushed a few cows so we hope to get to our goal sooner.

If you would like to see the bulls before the sale feel free to give us a call. Otherwise we will see you sale day!

SPECIAL OFFERS TO BUYERS

TRUCKING

Cattleman's Connection consignors will deliver bulls at cost to central stockyard locations in Canada. Cattleman's Connection Consignors will be more than willing to assist you in getting your bull delivered in a timely fashion and as affordable as possible.

SIGHT UNSEEN PURCHASE PLAN

If you are unable to attend sale day, you may call or send bids to the consignors or any member of the sales management team. Those who are interested in this plan are urged to contact anyone of the consignors to discuss your bull requirements and determine a budget. Every effort will be made to buy you the right bull or bulls, at the right price to make you a repeat customer. If for any reason you are not satisfied with any of the cattle you purchased on order, you are under no obligation to accept them.

**SIGHT UNSEEN

PLAN**

WINTERING POLICY

Wintering of bulls is free until April 1st, 2017. We ask purchasers to state their intentions for wintering at the time of settlement. *We strongly encourage you to insure your bulls under this policy.*

CATTLEMAN'S CONNECTION BULL WARRANTY

Cattleman's Connection guarantees to sell you a bull that is structurally sound, a bull that has passed a semen test and a breeding soundness evaluation by a licensed veterinarian. Should any Cattleman's Connection bull fail to be a satisfactory breeder - unable to physically service a cow or heifer - he will be replaced with a bull of equal value. Should this not be possible, an adjustment will be made to reflect the value of the bull in question, or a credit will be given towards the purchase of another bull.

IN SHORT, WE GUARANTEE TO PROVIDE YOU WITH A SOUND, BREEDING BULL.

We, however, will not provide replacement or adjustment for physical injury or mismanagement. Bearing this in mind, we stress the importance of insurance on your bull. At no time shall the seller's liability exceed the purchase price of the bull. Should you have a problem with your bull, call us right away. We will work with you to make sure you are satisfied with your Cattleman's Connection bull.

Brookmore & HBH Farms use Canadian Angus Performance Program whole herd reporting.

GENERAL INFORMATION

CATTLE INSPECTION:

All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

HEALTH STATUS:

The bulls offered for the sale have been vaccinated for IBR, PI-3, BRSV, 8 WAY BLACK LEG, HEAMOPHILUS, SOMNUS AND PASTEURILLA HAEMOLYTICA. All were treated for internal and external parasites.

ALL CATTLE ARE SOLD:

Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

BREEDING GUARANTEE:

All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

HOLDING & SHIPMENTS:

Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made if instructions to that effect are provided to clerk of the sale when settlement is made.

INTEREST:

The Cattleman's Connection Consignors reserve the right to retain an interest in any of the animals selling.

INSURANCE:

Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the Clerk's desk from the appointed representatives on sale day, also from the Sales Management at any time.

TERMS OF SALE:

Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. US funds accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

ALL PERSONS:

Who attend the Sale do so at their own risk, and the Owners, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

EXPECTED PROGENY DIFFERENCES - EPDS

EPDs are an estimate of how future progeny of each sire can be expected to perform in each of the traits listed. EPDs are followed by % Accuracy - the higher the Accuracy, the higher the reliability.

BW: Birth Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

WW: Weaning Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires. Weaning weight is an indicator of growth from birth to weaning (205 days of age). The calf's growth during this period is influenced by its own ability to grow plus its mother's maternal abilities.

YW: Yearling Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

MILK: Milk EPD - is an indicator of milking ability in daughters. It represents the differences in weaning weights of calves due to the amount of milk produced by their mothers. It is expressed in pounds of calf weaned.

TM: Total Maternal EPD - is a combination of the weaning weight and milk EPDs. It is calculated as: 1/2 Weaning Weight EPD + Milk EPD = Total Maternal. This EPD represents the differences in weaning weights between calves due to mothering and milking ability of their dams.
