Cooke Livestock

We would like to invite everyone to the 7th Annual Cooke Livestock Bull Sale, Wednesday, April 13th at 1:00 pm. Plan to come early to view the bulls and join us for refreshments and Prime Rib.

This year we are offering an impressive set of powerful bulls. We were very critical when we sorted through our 2010 bull calves. After several rounds of sorting we ended up with a group of bulls that we would use in our own breeding program.

Our herd sires have to work for us. Calving ease and good temperament are important traits for our program. We have selected bulls that are built right for calving ease, are structurally sound, have good feet and produce desirable maternal traits. These herd sires consistently produce calves that have lots of performance, good rate of gain, produce consistent type and have eye appeal.

This year we made the decision not to sell any heifers because we wanted bring young cows into our breeding program. They are the foundation for the future.

If you are looking for good quality heifer bulls or bulls to add performance to your cow herd we are confident that you will find one to suit your needs at our bull sale. There should be a bull suitable for any cattlemen's breeding program.

The cattle industry has certainly turned around and has been more profitable. This is a good time to reinvest in good quality cattle for the future.

We want to thank all of our past customers for their interest and confidence our breeding program. The Circle C breeding and soundness guarantee remains as always. You can count on it!

If you are unable to attend the sale (or if we have a blizzard on sale day) we offer a "sight unseen purchase plan". Give Grant, Krista, Doug or Rob a call to discuss your herd bull requirements. They would be happy to answer questions and help you select the right bull for your needs prior to sale day.

We look forward to seeing you on April 13th!

Sincerely,
Grant & Sharon,
Krista

Video Auction Sale

The live lots will be on display close to the sale barn for your inspection. We would be happy to show you the bulls or heifers anytime prior to the sale. **VIDEO AVAILABLE BY REQUEST.**

DjH

Welcome . . .

The 2011 Edition of the Cooke Livestock Bull Sale offers the best set of bulls offered in this sale. The Cooke's philosophy of offering only the best is very evident in this very strong group of bulls.

There is a powerful group of sons sired by Rachis, the 2007 Farm Fair Supreme Champion and the 2006 Canadian National Reserve Champion Bull. There is a fancy set of sons from the calving ease bull Remington Total and a strong group of sons from the maternal sire, Remington Right Time.

One of the real advantages of the Cooke Livestock bulls is the strength of the cow herd, they are out of. If you ever have the opportunity to view this outstanding herd of cows please do, you will be most impressed.

It is always a real pleasure to be associated with Grant, Sharon and Krista they do a top job. This sale is one of the fun events of the year, the hospitality is superb and the Cooke's are noted for backing their cattle up.

If Grant, Sharon, Krista any of the sale crew or myself can be of assistance in anyway concerning this fun filled event please give us a call.

Yours truly,

Doug Henderson

Rachis 21R has all the attributes of a great breeding bull, performance, low birth weight, phenotype, strength of pedigree, temperament, structural soundness and stoutness of bone. His track record at the shows includes being named the 2006 Canadia National Reserve Champion Bull and the 2007 Edmonton Farmfair Supreme Champion Bull over all breeds.

His progeny are very moderate at birth and he was successfully used on first calf heifers at Cookes and Remitall. His calves are very consistent in their pattern and lots of thickness and style. Both his heifer and bull calves have topped Cooke Livestock and Remitall Cattle sales.

As always it is a pleasure to work with you!

Terms & Conditions

TERMS OF SALE: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in case of disputes, the auctioneer's decision will be final. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

BREEDING GUARANTEE: All purebred cattle are sound and right and sell with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association, shall apply. The consignors will not, however, provide replacement or adjustment for physical injury or mismanagement. We therefore stress the importance of insurance on bulls. At no time shall the seller's liability exceed the purchase price of any animal.

CATTLE INSPECTION: All carry identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to the sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected from the auction stand at sale time and will take precedence over the printed matter in the catalogue.
SIGHT UNSEEN BIDS: May be entrusted in complete confidence to any of the consignors, sale staff listed or to Douglas J. Henderson & Associates Ltd.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerks desk from representatives on Sale Day, also from the Sales Management.

ALL PERSONS who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
