From Your Sale Hosts - Curraghdale Cattle Corp.!!

Welcome to the **3rd Annual Extravaganza Sale** here at Curraghdale. It's hard to believe another year has passed. Time makes changes. The cattle business is setting up to be exciting times ahead. With cattle numbers across North America at an all-time low, now is the time to increase or upgrade your herds. This is an exceptional offering of Angus seed stock available. The offering was hand selected by Castlerock out of the hearts of the consignors' herds.

We are thrilled to have Shane Castle managing the sale this year. Shane has a great knowledge of the breed and he or any of our capable staff will be happy to represent you on your behalf if you are unable to attend.

We also welcome Chris Poley as auctioneer. Chris is also a huge asset to the sale with his professional ability.

I personally would like to thank Cliff and Catherine Frame for their support for the past 25 years building and improving this great herd. Also thank you to our staff, Terry Till (herdsman and maintenance) and my wife Shari (office administration and maintenance)

See you on Sale Day – October 5, 2013

Come for the complimentary lunch at 11:30am!!

Shane & Tammy Castle

From Your Sale Manager - Castlerock Marketing!!

Welcome to the **Eastern Extravaganza 2013 Edition!!** It is an exciting one with a powerful lineup with *"something for everyone"* gathered for this great sale! When touring through these herds in June it was awesome to see the quality that anchored these herds. This sale really is a great mix of cattle and people and whether it be a show heifer, brood cow prospect, bred heifers that will make your mouth water, or proven cows, plus top notch services that leave the door wide open to land a calf next spring that could pay for the whole deal the first time through... ***there is something here for you!*** Keep in mind the commitment to quality these consignors have put forward as well the pride in selling you a high quality Angus female. The character and integrity that these folk represent shines through in their cattle as well.

Join us Sale Day to evaluate these cattle, you will be impressed! The greatest thing about this Angus fraternity is the people – the buzz from the great visits before and after the sale create memories that make the ag industry memorable! The cattle will be available for viewing at the sale site for a few days prior to the sale so if you're unable to attend sale day feel welcome to come out before. Should you have any questions regarding the offering feel free to contact any of the consignors, myself or Dean McAvoy and we would be more than happy to discuss the offering with you.

See you sale day!

Shane Castle

This heifer calf is definitely the fanciest out of the pen this year. "SAV Bismarck" is producing great females and this one, in particular, has the potential to make an impact in the showing and in the pasture.

This is the first calf out of the "SAV Final Answer" two year old and she is showing how a moderate sized cow can make big yield without big input, and we all know that translates into profit.

This cow with her nice udder brings a portfolio with her to the sale ring. The daughter selling at her foot as Lot #47A topped out the heifer pen at weaning and this factory is more than capable of doing it again.

When a cow had to be chosen to sell with their calf it was a coin toss to determine which it would be and you can be sure it will come up heads for whoever takes this cow home.

Long bodied and thick, this is a female that will stand out in whatever program she enters. She is smoothly made front to back and will be a force to be reckoned with out in the ring.
