tetz@sasktel.net • www.triplelangus.com

On behalf of my family I'd like to welcome you to the 6th annual Impact bull sale. Along with our great partners the Georges and McAvoy's I feel this is our best overall group of bulls to date. These bulls will last the test of time and provide overall calving ease with a great growth curve.

Thank you all previous supporters, it is greatly appreciated and welcome all new interest. Call any of us about any questions or to stop by for a look and chat anytime.

See you Sale Day,

The Tetzlaff's

www.jandscattle.com

Welcome to the 6th Annual Impact Bull Sale. On behalf of my family, I would like to thank you in taking interest in our program. Your patronage and friendship is greatly appreciated.

The bulls for sale this year are a nice consistent group, ready to go to work! This group of bulls is on a silage, hay and pellet ration. These bulls are back by some of the best Angus genetics available. This year's bulls are the most consistent group of bulls we have ever raised. If you have any questions about the sale offering please don't hesitate to give me a call.

All the cattle can be viewed prior to the sale at the farm. The bulls will be vet inspected and semen tested; 365 day weights and scrotal measurements will be available a few days prior to the sale.

I would like to thank the past buyers and bidders for taking interest in our program. I would also like to thank Randy, Kim and the McAvoy's as well as all the people that make the sale a success.

On behalf of Shauna, Dawson, Carson, Connor and myself we look forward to seeing you sale day or even before!
Sincerely,

Jason

McAvoy Charolais Farm

I would like to welcome you to the 6th Annual Impact Bull Sale. I'd like to thank the Georges and Tetzlaffs for being great partners in this event. Most of all, a big thank you to our customers and friends who have supported our program over the years. We strive to supply you with bulls that will go out and give you years of trouble free service and help you top the market with your calves. The market this fall for all grades of cattle has been exciting with prices where they need to be. These markets should continue to be strong for the foreseeable future with numbers as low as they are and bred females selling south. We are proud of the bulls we have to offer you this year. There are a handfull of bulls that we feel are definite breeder bulls as well as a strong set of bulls for our commercial customers. Some of our birthweights on these bulls were a little higher then usual due to the harsh winter and lenth of time our cows were on feed, but we are confident and guarantee that they won't be problem calvers. The bulls can be viewed any time on the farm. Come early sale day and be our guest for lunch. Hope to see you sale day.

- Mike

From the desk at T Bar ...

"Impact" is described as a strong influence and in this case...on the livestock industry. This sale combines the influence of the three most dominant beef breeds, making it a profit-earning impact for producers who choose to select their sires here. Since we are all aware that the "silver" and "tan" stocker is the most sought after, yielding the largest cheque in the marketplace for the producer, the "Impact Bull Sale" is one of the few sales in which you can acquire all your sires' necessary and ready for spring service. "Impact" is a win-win situation!

The young breeders who host this 6th annual event are very similar in their operations. Each do not have a herd large enough to conduct their own self standing sale, but combined, can offer you a large enough sale with a diversity of genetics, therefore each breeder only brings his best herd improvers to town. All three are mixed farming operations which are family run and combine cattle with crops. They are young, honest and enthusiastic, but most importantly, very knowledgeable of livestock and the needs of their customers. Each family is very community minded, involved in breed affairs and with youth in agriculture through junior associations and 4-H.

The George family operate a very large grain farm in addition to a powerful herd of Black Angus. Jason and Shauna have travelled throughout North America acquiring some of the best Angus genetics available. In the first "Impact" Sale, J & S sold a son of Kodiak whose progeny are "impacting" shows in the Maritime Provinces. His group of rugged, hairy yearlings are worth the trip alone.

Triple L headlines the sale with their exciting Agribition winner, who will fit any program large or small. In addition to their Black bulls, Randy and Kim also consign Red Angus bulls to the sale....beefy, calving ease sires to fit either pasture. The 2014 edition of the Triple L bull pen is the strongest and stoutest ever. All the bulls in their powerful 2013 show herd are offered...don't miss them!

Mike and Dean bring you a powerful set of thick hairy Charolais bulls. In the group are several bulls that require breeder attention. McAvoy Charolais have quietly risen to the top with their program and are one of the new powers to contend with. In "Impact 2011", K-Cow Ranch selected a McAvoy bull that went on to win Farm Fair, be Grand Champion Bull at Agribition and a top ten finalist in the RBC Supreme. This is the quality offered by McAvoy Charolais!

Each spring there is a multitude of sales, but there is only one..."Impact!" For those who are looking for affordable sires that will "impact" your program and bottom line, this sale is worth the wait.

Plan to arrive early, view the offering and be guests for a complimentary lunch and refreshments. For those who want to see the bulls prior the sale, do not hesitate to visit the farms and view these bulls dams as well.

As we begin to restock the livestock industry, remember that success comes with high maternal values combined with performance....only found in Angus and Charolais!

If we, at T Bar C, may be of assistance, prior to or sale day, feel free to give Ted, Shane or myself a call...we would be pleased to assist with your selections or requirements.

- Chris

Herd Health...

All bulls have been vet inspected and measured and will be semen tested before delivery.

Full Herd Vaccination Program.

Sight Unseen Guarantee...

For those who cannot attend, we offer a sight-unseen purchase program. Call us with your needs (birth weight, frame, weight, etc.) and we will recommend suitable bulls. We will deliver the bulls to you with a satisfaction guarantee. Your order will be handled in strict confidence. Call Jason, Randy, Mike or any of the sale staff.

Financing Terms are Available for Prior Arrangements Only...

Please contact each individual separately to discuss financing terms available.

Volume Discounts Available...

3 bulls - receive 3% off purchase price

4 bulls - receive 4% off purchase price

5 bulls - receive 5% off purchase price

Free Delivery Available...

For any bull purchased over \$2,500.00, up to a 200 mile radius.

Boarding Available...

We will keep the bulls until May 1, 2014. \$2.00/day will be charged after May 1st and purchasers must pick up their bulls. All bulls left at the farm must be insured for full purchase price.

Lunch will be served prior to the sale and refreshments served after the sale.

An insurance agent will be available sale day.

Triple L Angus & J & S Cattle would like to keep 1/3 semen interest in all bulls, collection at owner's convenience and our expense.

COWMAN FORMULA

Increase in pounds per calf from a top performance bull
X number of cows bred to him per year
X number of years to keep the bull
X expected selling price of calves
= Additional dollars you can pay for a better bull

Example: A bull who will add 30 lbs. to the weaning weight of each of his calves, mated to 25 cows per year for 4 years, and you sell his calves for \$1.00 per pound. $30 \text{ lbs} \times 25 \text{ cows} = 750 \times 4 \text{ years} = 3000 \times \$1.00/\text{lbs.} = \$3,000.00$ This bull is worth \$3,000.00 more than the average bull who will keep your weaning weights the same. Take this formula and put your own figures in and see what you can afford to pay. This equation does not take into consideration the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and improved carcass quality.

Crazy Train has been a standout since day one. Strong top, awesome quarter freemoving in an overall very eye appealing package. He won his class at Agribition and was Reserve Division Winner at Lloyd. His pedigree is a cool combination of something new and old. His sire we purchased from Four Corner Farms to bring in some new genetics and his dam is a direct daughter of the great female maker leachman right time. Having the old 15H cow in the pedigree only adds to the consistency of the pedigree as she was the Elliott's top cow and producer for years. Don't let this bull get away he is the best I've ever raised and as one comment was made here recently, "you'd have to travel a lot of miles up and down the road to find another one like this."

This sire was brought in by myself and Wrights to add a different genetic twist. An overall complete bull, moderate framed but very thick. We have used him on cows and heifers with very good results.

Morgan was the high selling half share bull to Route 66 Ranch. He is a deep, soggy easy fleshing bull with thickness that everyone desires. His dam is a full sister to Leachman Rite Time. He was safe to use on heifers as well as cows. This many show winning bull will be used heavily in my program next year as his males and females rise to the top.

Rev did a lot of things right for me. His daughters have super udders, great temperaments are very fertile and just a pleasure to look at. His sons as evident here, pack quite a punch. They are big hiped, large nuted, great footed, ample framed with some serious length. The Revs that sold in previous sales have been very well received.

This herd sire is a maternal brother to S A V Density 4336 and S A V Providence 6922, which are both at Genex AI stud. The dam of Magnum, S A V 7238 is a prolific Right Time daughter and one of the most influential cows in the Angus breed. Magnum's calves are moderate framed with a pile of middle. He consistently stamps his calves with true Angus breed characteristics. Magnum's daughters are feminine with added capacity, they will make great brood cows!

Upward calves tend to be big, stout, growth cattle that make selling bulls fun and feeding cattle profitable. Upward is the standard for performance by which other bulls are measured in the Angus breed.

This sire sold through the Masterpiece Sale where he brought \$5,000.00 for 1/2 interest. There might be only a few Rally calves in the sale, but they are good. Rally is an extremely long bull with loads of muscle. His 004 dam is fabulous and has been flushed a number of times. These two Rally sons in the sale are off first calf heifers. What a job they did!

Super Tanker calves are built correct, good footed, with natural thickness, great volume and nice muscle shape. Super Tanker sons have been extremely popular in the past couple years, averaging over \$3,500.00. If you are a cattleman who prefers lots of middle and style with a moderate birth weight, these Super Tanker calves are for you.

Supremacy 257Y was purchased from Hamilton Farms in their 2012 Bull Sale. He was purchased for his correctness and maternal strength. His daughters are looking extremely feminine and attractive with a broody look. Supremacy was injured a week into the breeding season, so calves were limited. He is an attractive, sound, good footed and quiet sire.

Bismarck has become the premier calving ease option to add style, muscle and maternal excellence. This highly proven sire offers multi-trait excellence that results in a high customer satisfaction. No other bull in the Angus breed offers such a high proven combination of calving ease, adequate growth and high ribeye. Bismarck is the all around Herd Sire!

SVY Epic Pld 127Y was a class winner at Agribition in 2011. This polled Landmark son is out of the Bar K Vision 57T cow that also has sons working in purebred herds for Winner Charolais in Indiana, Pat McGunnegil in Minnisota and the Rutens at Diamond R Stock Farms. He is siring calves with length of spine, a good square hip and lots of performance. They are born easy, have lots of hair and are very docile.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association or Canadian Charolais Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal has been sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus and Canadian Charolais Associations with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail & Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

Return Undeliverable
