Dennis

David

Welcome to the 2012 Johnston Fertile Valley Bull Sale. This company has survived and prospered in the cattle business since 1954. The only focus is providing Black Angus seed stock for the commercial cattleman. We are not distracted by grain farming or other breeds or composites. All grain is bought so the cattle must be efficient. Years ago it became apparent that the only way to be successful was to provide commercial ranchers with the genetic tools to make a profitable and comfortable living. We are very flattered by the large number of successful ranches that depend on this program for seed stock needs year after year.

Be sure to examine the new outcross bloodlines that have been added.

Visitors have been very complimentary about the bulls this year. Most say this is the best to date. Join us for a special beef dinner sale day and stop in at your convenience. Remember there is no herd in Canada that has had long-term carcass data available as JFV. Since 1989 every bull has been ultra sounded. See you sale day.

David and Dennis Johnson

Dave & Keri Sanborn
& 1-year-old Cashton

GRP

DjH

Welcome Fellow Cattlemen,

Come expecting to see an exceptional group of bulls, the 2012 Edition of the Johnston/Fertile Valley Bull Sale may have the best group of bulls ever produced at this seedstock nursery which has been in operation for over half a century.

A big part of the success is the strength of the 500 head cow herd and an A.I. program that uses the best bulls in the business. Johnston's no nonsense approach and low maintenance cowherd, produce rugged, athletic calving ease herd builders. This herd takes advantage of complete performance and carcass information since 1989.

Remember the Deferred Payment Plan, 60% down sale day, 40% December 1, 2012 with no interest also remember the sight unseen Purchase Program with Buyer Satisfaction Guaranteed. Join the long list of satisfied customers and attend this sale of dependable genetics backed by full time, lifetime stockmen.

If David, Dennis, Mike Fleury any of the sale staff or myself can be of assistance in anyway regarding this great group of bulls please give us a call.

Yours truly,
Doug Henderson

JOHNSTON/ FERTILE VALLEY

Deferred Payment Plan

- For Canadian buyers only •
- For bulls selling at \$2,500 and over •

Johnston/Fertile Valley offers a special financing plan for buyers at the spring 2012 sale. A down payment of 60 percent is necessary at the time of purchase, with balance due on November 30, of current year. This finance plan is only available on bulls selling at \$2,500 and over (Example: 60% of \$2,500 equals \$1,500 down payment with balance of \$1,000 due November 30, 2012). Interest is waived until November 30 of current year as well. For more detailed information please contact Johnston/Fertile Valley.

N. B. - A post-dated cheque is required on sale day for remaining balance.

Below is a sample of purchase agreement

**JOHNSTON/FERTILE VALLEY
DEFERRED PAYMENT PLAN**

This agreement, made in triplicate, this the _____ day of _____ A.D. _____, by and between JOHNSTON/FERTILE VALLEY BULL SALE, Reg. No. 178516, herein called the "Seller", and _____ of _____ hereinafter called the "Purchaser", it is mutually agreed upon between the parties as follows:

- 1.) The "Purchaser" agrees to pay 60% of the purchase price of animals bought at the JOHNSTON/FERTILE VALLEY BULL SALE on _____ day of _____ A.D. _____.
- 2.) The "Purchaser" agrees to pay the remaining 40% of the purchase price on or before the _____ day of _____ A.D. _____.
- 3.) The "Seller" agrees that no interest will be charged on the remaining 40% of purchase price until the _____ day of _____ A.D. _____.
- 4.) The "Purchaser" agrees that 24% (2% per month) interest will be paid to the "Seller" on all outstanding money owed after the _____ day of _____ A.D. _____.
- 5.) The "Purchaser" agrees that the animals with tattoo numbers _____ have been purchased from the "Seller", and that these animals will be used as collateral for the purposes of this agreement.

Witness

Witness

THANK YOU - Honesty is very prominent in our industry. Where a man's word is still good. Since the implementation of our credit plan to help our customers, payment has been 100%. Hats off!

The H-1 designation means the bull can be used on almost any heifer.

The H-2 designation means the bull should be used on larger, more grown out heifers.

THIS INFORMATION ALONG WITH ULTRA SOUND DATA WILL BE AVAILABLE SALE DAY.

SLS
Saskatoon Livestock Sales

First of all I would like to congratulate all you cow-calf producers for remaining in the cattle business throughout these past difficult years. For those of you who have persevered it looks like you "will" be rewarded. The cattle pricing is at an all time high and I believe we are nowhere near the peak yet. The cattle business has always

been a supply and demand industry and today the demand far exceeds our world supply. What a positive position to be in, and we are in for some very exciting times. I believe the cattle/beef industry will rise to a pricing level that no one would ever have imagined.

Today it's so important to provide the cattle feeder with a consistent product. Feedlots need pen in, pen out cattle. When the feedlots pull a pen, the cattle all need to be ready to go at once, cut backs and unfinished cattle left in the pen, are not acceptable. Genetics play a big role in determining the consistency of how those steers and heifers feed as a group. It is even more important how cattle perform when converting feed into red meat and what kind of carcass value is made available to the packer and ultimately the consumer.

This is where the Johnston/Fertile Valley Program shines and excels. The Johnston's have been in the seed stock cattle business since 1954; this tells us that they are certainly dedicated stockmen. For well over a half a century these people have successfully bred purebred cattle. Dennis and David have perfected a breeding program that supplies progressive cattlemen with top quality bulls throughout the country and even North America. Their large herd of 500 registered Angus cows are all A I'd to the industries top producing Angus bulls. David and Dennis are leaders in the industry in collecting ultrasound data on their bulls. By pioneering this process in 1989, they have provided this data to their bull customers every year since. When the Johnston's select an A.I. sire to use on their cowherd, top quality carcass data on that particular herd bull is a must. So when you select an Angus bull to breed your cows, you need to look at what the Johnston's have accomplished and what they are currently doing in perfecting Black Angus cattle. Their bulls will breed consistently, due to the fact that the cowherd is blue printed the same. They A.I. only to a few of the industries finest bulls, and they have carcass quality down to perfection.

So all this tells me that over the years the Johnston's developed a breeding program that fulfills the needs of the feedlot and has provided the packer and consumer with a top quality product. Selecting a Johnston bull to breed your cows will maximize your returns, and provide you with extra profit guaranteeing you success in the beef cattle industry. See you at SLS on April 13th; I know you'll be impressed.

Michael K. Fleury

Auctioneer of the Johnston/Fertile Valley Black Angus Bull Sale

Another outstanding Pioneer son out of a Net Worth daughter. This cow family stems from the cows purchased from the One Four Research Station.

S A V PIONEER 7301 2 SONS SELL

Pioneer 7301 was the top selling bull in the 2008 SAV Sale. He had a 205 day wt of 965 lbs for a weaning ratio of 117 and scanned 365 day REA of 17.7 inches with a yearling scrotal of 42 cm.

Pioneer stamps his progeny, they combine modest birth weight with exception length performance and balance with great disposition. Pioneer's dam and grandam are two of the truly great cows in the Schaff herd.

**FERTILE VALLEY FARMS
 AND JOHNSTON ANGUS**

Welcome to David and Dennis' bull sale. I have been managing this herd's health program for many years and can assure you that David and Dennis follow their vaccination protocol to the letter. They also pay particular attention to nutrition and trace mineral evaluation.

These bulls are not here on a solid health program and good looks alone. They have all passed a tough semen evaluation; the tape measurement was snug and 75% normal semen is my cutoff point. There are NO deferred bulls in this sale. David and Dennis are not interested in bulls that belong in the cull pen.

Even though most of these bulls are barely 12 months old at the time of testing, they do not get second chances.

Regards,
 Dr J.E. de Moissac

**TRIPLE V GLANWORTH 57U
19 SONS SELL**

57U is a powerful and unique outcross sire, totally dominant in the breeding field, he is a massive breeding machine. An easy fleshing, big testicled, good footed bull who passes his length and muscle to his offspring. He can take a group of cows and put his stamp on every calf. The 57U sons in the sale take second place to none and the number one heifer in our entire heifer pen is a daughter.

57U's heritage caught our eye initially, a complete outcross on the top side being sired by the New Zealand bull Glanworth Waigroup 130'03 on the bottom side. 57U's dam is the result of a brother-sister mating both being sired by one of the most respected bulls in the Angus breed, Sitz Alliance 6595. Her pedigree also includes EXT to insure perfect udders. What makes 57U so unusual is when you combine his sire and dam you produce a linebred outcross. We had high hopes when we purchased and he has delivered beyond our highest expectations.

EPDs Birth +3.5 WW +44 YW +70 Milk +20 TM +42
And \$EN + 21.55 which puts him in the top 5% of the breed.

One of the best investments we've made, was the purchase of 57U. In his first calf crop he has left several big time herd bull prospects and 43Y is one of them. His dam is rapidly rising to the top of the Fertile Valley cowherd. She produced the high selling bull in last year's sale going to Eldon Wig. A King daughter in the herd, is also among our best females. 43Y's heritage is unique on both sides of his pedigree. A great young bull.

Just an absolute powerhouse bull; big, deep and long with a bunch of performance. Dave Sanborn has helped us for over two years and the dam of 592Y is his absolute favorite cow. She has a beautiful disposition, perfect udder and with production like 592Y, it is hard not to agree.

One of the feature bulls in the sale. He combines In Focus, Final Answer and good old 12U. His two year old dam is one of the many reasons Final Answer may be the best bull in the Angus breed. 256Y has a bunch of performance in an extremely attractive package. A true herd bull prospect.

A very attractive Mandate son with extreme length and lots of muscle. Mandate has some of the best performance EPDs and carcass data in the breed. 1Y's grandam is a 12U daughter and 12U seems to be the common thread that all our best cattle have.

A great young herd bull prospect. One of the best King sons to date. He's long and thick with an attractive profile and a wonderful disposition. A maternal sister produced the bull on the cover of our 2010 catalog. 746Y has a full sister that is one of our feature cows.

5 SONS SELL

*Owned by Johnston/Fertile Valley
Basin Angus Ranch - Schaff Angus Valley*

King (deceased) was a powerful, total outcross, versatile SAV herdsire that runs with the best. He transmits length, thickness and soundness to his high performance offspring who have a superb disposition and exceptional fertility with added scrotal size.

His first progeny were appraised with strong commercial and purebred demand in the 2009 SAV Sale and continue to exceed high expectations. King sired the heaviest 205 day weight bull in the 2009 SAV Sale.

He has already established a favorable EPD profile in the U.S. system, starting at baseline zero because of his Canadian origin.

SAV Net Worth may be the most dominate sire of muscle and thickness in Angus history. His progeny carry his consistent stamp of muscle, dimension, capacity, fleshing ability and pounds of pure beef.

Net Worth was the high selling bull in the 2005 SAV Sale. He had a 205 day weight of 995 lbs and scanned a 365 day REAQ of 17.2 inches, while earning an IMF ratio of 139. The sons are definitely power bulls.

168X ran clean-u[with a 125 heifers last summer. A very attractive Pioneer son with excellent numbers and a modest birth weight. His dam and the dam of our high selling bull last year are maternal sisters. Good uddered, top producing cows that always wean some of our best calves.

LOT 295 - F V PIONEER 168X

JOHNSTON/FERTILE VALLEY 2012 Terms & Conditions

CATTLE INSPECTION - All sale cattle will carry identity tags corresponding to sale lot and/or tag numbers shown in the catalogue, and will be available for inspection at sale facility commencing April 7, 2011.

ALL CATTLE SELL - Every animal entering the sales ring will be sold to the highest bidder, subject to such health tests as may be required under regulations of Agriculture Canada.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the auction block at sale time, and such corrections shall take precedence over the printed matter in this catalogue.

BREEDING GUARANTEE - All cattle are sold as sound and right and sell with a responsible breeders guarantee of satisfaction. In the unlikely event of a dispute, the regular Breeder's Guarantee, standard with the Canadian Angus Association, shall apply.

DNA TESTING - The Canadian Angus Association now requires that any sire of a calf to be registered with the CAA must be DNA tested. Johnston / Fertile Valley sale bulls have not been DNA tested. Therefore, it is the buyer's responsibility to make certain that any bull used on registered females, from which the offspring are to be registered, is DNA tested before going into service.

DELIVERY - Bulls will be delivered to central points within a three hundred mile radius on a \$2500.00 purchase or more. We are again asking our customers to please bring their trailers and help us. It's not that we will not deliver but it's physically impossible to get these bulls out in the short time frame we have to work with .

SEMEN - Johnston/Fertile Valley reserves the right to collect 100 units of semen at Johnston/Fertile Valley expense and buyers convenience (including A.I. certificates) on any bull in the sale. Such semen for within herd use only.

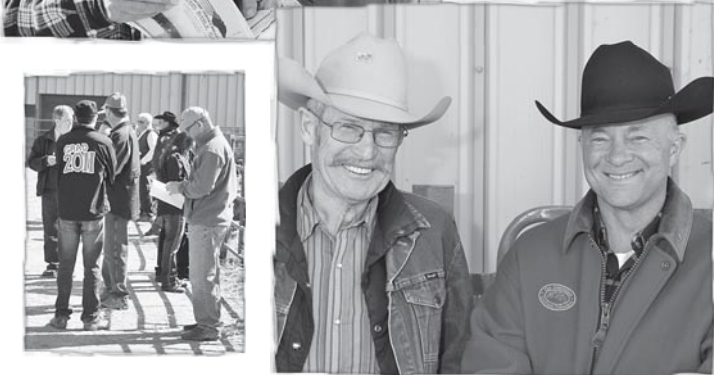

MAIL BIDS - Orders for the purchase of sale cattle may be entrusted in complete confidence to any of the sale staff.

RISK - Ownership risk to the purchaser commences when the auctioneer's hammer falls. Insurance is recommended. Hartford Insurance will be applied for delivery purposes.

BULL WARRANTY - We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

TERMS OF SALE - Terms are cash or cheque. No sale entries will be released until satisfactory settlement has been made. Animals for export may not be released unless payment has been received prior to departure. Registration papers will be supplied upon completion of sale transaction, including payment in full.

ACCIDENTS - ALTHOUGH ALL REASONABLE PRECAUTIONS WILL BE TAKEN TO PROTECT SAFETY AND COMFORT OF PEOPLE ATTENDING THE SALE, ALL PERSONS ATTENDING THE SALE DO SO AT THEIR OWN RISK, AND THE OWNERS, MANAGEMENT AND SALES STAFF ASSUME NO LIABILITY, LEGAL OR OTHERWISE, FOR PERSONAL OR PROPERTY LOSS OR LOSSES FROM ANY ACCIDENT OR OTHER OCCURRENCE WHICH MAY OCCUR.

SALE DAY PHONE
306-382-8088

SIGHT UNSEEN BUYERS PLAN

If you are unable to attend the sale, we have a "Sight Unseen Buyers Plan",
that is Satisfaction Guaranteed!

Please contact Doug Henderson of DjH, Mike Fleury, Saskatoon Livestock Sales, or Dennis & David Johnston.

We would be glad to discuss the bulls and your needs to try and find a bull or bulls that fit your program.
If we deliver a bull that you do not like – you will not own him.
