Buyers Unable to Attend Sight Unseen Purchase Plan

Simplify your selection process by giving us a call today.

You know what you want in your breeding animals, we know best the potential of the bulls and females selling and will easily be able to satisfy your specific needs. Our experience over the past years is that the sooner you contact us, the better we will be able to match your expectations. Either Lee or any one of our capable sales representatives will make the purchase as if buying for themselves.

**All purchase made in this manner will be 100%
guaranteed for customer satisfaction**

Terms of Sale: Cash or cheque at par, payable to clerks of the sale on sale day, unless other previous arrangements are made with LLB. No release of cattle will be given until satisfactory settlement has been made. All cattle are buyers responsibility after purchase. Announcements from the block on sale day take precedence over all material printed in this catalogue.

All persons who attend this sale do so at their own risk, and the owners, sale management and sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

Breeder's Guarantee: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All bulls and yearling heifers are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

Insurance: Insurance representatives will be present sale day

Welcome to the 2016 LLB Spring Spectacular Bull and Female sale, which marks the 30th edition of this sale format. Angus is our only business, and we have been developing our Angus herd for over 45 years. We are proud of this large and diverse sale offering and truly appreciate your time and effort in studying and/or viewing these cattle.

The last 30 years have passed quickly, with great strides of progress in the Angus industry and within our own family – both have grown and matured for us to appreciate. The growth in popularity of Angus cattle that we've witnessed in the past four and half decades of breeding Angus cattle is no surprise to us; we chose this breed because we truly felt Angus were the best all-round breed for commercial cattlemen. We have seen many fads come and go in the cattle business, and our breeding philosophy is based on long-term experience: acquire the best herd sires available, select for performance traits, growth, and thickness; all the while maintaining structural soundness and strong maternal traits.

Like most commercial operations, our 900+ head cow herd is managed in large groups from calving until sale time. Calves are turned out with their mothers in breeding pastures as soon as grass is available; and they are allowed to grow and develop without extra attention until after weaning. We expect consistency and top productivity, just like our customers.

Herd bulls are an important investment for any cattlemen – purebred or commercial – as sires and maternal grandsires contribute three-quarters of a calf's genes. We have a large selection of top quality yearling and two-year old bulls in this sale, offering strong calving ease, performance and maternal traits. We are confident that you will find the herd sire you're looking for in this sale. These bulls haven't been pampered, and the two-year-olds ran on grass until November 1st. Approximately 95% of our bulls are sold to commercial cattlemen.

If you're looking to expand your cow herd, we also have a strong female offering. The yearling heifers are represented by an assortment of sire groups, and whether you are looking for brood cows or show heifers we are confident these female will work in your herd. As in years past, we will be selling groups of quality open commercial heifers and several top groups of commercial bred heifers. For the first time in a number of years we are offering a select group of purebred heifers that are bred to or will be calved by our top herd sires.

If you are unable to attend our sale in person, we offer a Sight Unseen Purchase Plan. We have included as much information as possible in this catalogue, and encourage pre-sale viewing of the cattle. Lee would also be happy to assist with sale selections prior to sale day. Please feel free to contact us or any of our capable sales representatives to discuss your needs or questions.

With optimism in the cattle industry, investment in top-quality genetics is more important now than ever. It has been extremely gratifying to see our many customer have successes with LLB purchases, whether it's a winning show heifer or progeny from our bulls topping the commercial calf markets in the fall.

We hope to see you March 11th and March 12th!

Lee, Laura & Jackie Brown Trish, Tim & Luke Henderson

LLB Angus Junior Support Program

We are offering any junior breeder a 10% discount off the purchase price of any female purchased at LLB.

Our intention is to help enthusiastic young breeders with their initial Angus projects.

Sitz Upward 9309 was purchased from Sitz Angus in Montana, one of the high selling bulls in their 2010 sale. His grand dam is responsible for 65 herd sire sons and his sire is one of the most heralded present day Angus bulls. Sitz Upward 9309 was a very correct, long bodied bull that maintained excellent body condition after heavy service at LLB. Progeny of Upward 9309 were both the top selling heifer and bull sire groups in our past three sale offerings. His daughters have produced some of the very best individuals in this sale offering. Upward 9309 sons are the Lot the Lot 222 to 225 two year old bulls, his grandsons are Lot 113 and 114 and a paternal brother is the Lot 112 yearling bull.

Complete 2142 came to LLB as the high selling bull calf at Thomas Angus Ranch in Oregon in the fall of 2012. He is tremendous son of AI sire Summitcrest Complete, a bull noted for heavy muscled progeny that are extremely structurally correct. The dam of Complete 2142 is responsible for numerous high selling sale bulls for the Thomas family and has been a very successful donor dam for years. His two year old sons are Lot 270 to 276, four of the top five top weaning weight two year old bulls in this sale are Complete 2142 sons. His daughters are the promising lead off sale heifers Lot 1 to 8 and his yearling sons are the lead off yearling bulls Lot 101 to 106.

Owned with Highland Stock Farms and Mike Earley Marvel 901W is a tremendous Density son purchased at the Earley Bros Bull Test Sale. His and his sons' progeny are the exceptional Lot 107 to 111 yearling bulls and lead off two year old bulls Lot 208 to 216. Marvel daughters and granddaughters are the exceptional Lot 95 to 100 heifers. Without exception his calves have structural correctness and extra performance, they will mature into very functional breeding stock.

Remitall Excalibur 43Z was purchased as one of the high selling bulls at the 2013 Remitall Farms Sale. He has established top weaning and yearling data while maintaining extremely strong maternal numbers. The dam of Prodigy 8101 is a maternal sister to SAV Pioneer 7301 and his daughters are excellent brood cows at LLB. We are very pleased with progeny of 43Z, they are well represented in this sale offering including the Lot 66 to 68 heifers and the Lot 137 yearling bull and two year old bulls Lot 245 to 250.

The sire of LLB 451T Traveler 343Y was the 2008 top selling Remington Cattle Co yearling bull and 343Y has very capably carried on the great 004 influence at LLB. His progeny record moderate birth weights and increased weaning and yearling weight records. A maternal brother to LLB 343Y is the Lot 132 yearling bull that recorded on of the top weaning weights last fall. Daughters of this tremendous breeding herd sire are the Lot 28 to Lot 32 yearling heifers and his sons are the Lot 198 to 198 yearling bulls and Lot 218 and Lot 220 two year old bulls.

LLB Old Post 878Z has been a stand out since birth, he is exceptionally thick bodied and very correct. He was one of the top selling bull calves in our 2012 Fall sale when 1/2 interest in Old Post 878Z was purchased by Norseman Farms. The progeny of Old Post 878Z are structurally correct, well made individuals that will get better as they mature. His sons are the Lot 156 to 161 yearling bulls, one of which posted a top six weaning weight last fall, and the two year old bulls Lot 280 and 281. A daughter is Lot 51, note the top weaning weight yearling bull in this sale is from an Old Post daughter.

Gridlock was a very impressive herd sire whose progeny have been consistently among the best born at LLB over the last decade. He has sired the top selling bulls and heifers in our last eight sales, including a \$58,000 top selling yearling bull. Gridlock progeny sold through our production sales have generated over one half million dollars! Again in this sale offering his progeny and his daughters' progeny are stamped with extra depth of body and structural correctness. Gridlock sons are the Lot 226 and Lot 227 two year old bulls.

HF Concorde 252Y came to LLB as a \$51,000 top selling bull at Hamilton's in 2012. His sire was a \$210,000 record selling bull. Concorde 252Y is maternal brother to HF Tiger 5T and to HF El Tigre 28U and is a herd sire that has been used extensively at LLB. His sons are the Lot 144 to Lot 146 yearling bulls, two year old bulls Lot 231 to 234 and his daughters are Lot 25 to 27.

LLB Marvel 173Z has quickly established himself as an excellent calving ease sire whose progeny mature into excellent functional Angus bulls and females. One of the top four weaning weight yearling bulls, Lots 108 to Lot 111, is a LLB 173Z son. Other sons and paternal brothers are the functional group of lead off two year old bulls Lot 212 to 216 and his daughters are Lot 95 to 99.

Peak Dot Eliminator 765Z was selected by LLB from the 2013 Peak Dot Spring Bull Sale. His sire was a popular \$95,000 outcross sire from the 2010 SAV sale. Eliminator 765Z progeny display lots of thickness and length of body, in fact two of his yearling sons in this sale recorded top ten weaning weights last fall. His daughters are Lot 55 and 57, his sons are the Lots 149 to 151 yearling bulls and the Lot 262 to 267 two year old bulls.

Prairielane 9050- 2020 was the top selling bull from the 2014 Lazy Bar E Sale. Unfortunately he was lost early in his first breeding season at LLB but his limited progeny has left a very good impression so far. 2020 sons averaged 82 pounds at birth and are a very good calving ease sire group selling as Lot 185 to Lot 189. His daughters averaged 83 pounds and are the very feminine Lot 34 to 39 yearling heifers.

Owned with Nordal Angus Crescent Creek Chizzlar 10A was one of the top selling bulls from the 2014 Crescent Creek Sale. His weaning, yearling and maternal trait numbers are among the very top reported by the CAA - all the while he has maintained a great calving ease record as both his sons and daughters have an 83 pound average birth weight. Chizzlar daughters are the Lot 83 to 89 heifers and his sons are yearling bulls Lot 140 to 143.

LLB 44U Blackman 825A was the top selling bull of our 2014 sale when 1/2 interest was purchased by Nordan Angus in Saskatchewan. LLB 825A is structurally very sound with lots of natural thickness that he is passing on to his offspring. Both his sons and daughters record weaning ratios of 103, sons have an average birth weight of 85 pounds and daughters an average of 80 pounds. The Lot 42 to 49 heifers are LLB 825A daughters and his sons are the Lot 147 to 152 yearling bulls.

LLB Thunderbird 036B saw heavy service at LLB last summer. His two year old dam is an excellent Upward 307R daughter.

LLB Philosophy of Two Year Old Bull Management

To properly manage our large cow herd we have an extended calving season - almost exclusively this group of two year olds are March to May born bulls. They are unpanpered and managed in large groups after weaning then turned out to grass during the summer until November 1 when we start preparing them for sale as coming two year olds in March.
