Buyers Unable to Attend - Sight Unseen Purchase Plan

Simplify your selection process by giving us a call today. You know what you want in your breeding animals, we know best the potential of the bulls and females selling and will easily be able to satisfy your specific needs. Our experience over the past twenty seven years is that the sooner you contact us, the better we will be able to match your expectations. Either Lee or any one of our capable sales representatives will make the purchase as if buying for themselves.

All purchase made in this manner will be 100% guaranteed for customer satisfaction.

Breeder's Guarantee: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All bulls and yearling heifers are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

Insurance: Insurance representatives will be present sale day

Terms of Sale: Cash or cheque at par, payable to clerks of the sale on sale day, unless other previous arrangements are made with LLB. No release of cattle will be given until satisfactory settlement has been made. All cattle are buyers responsibility after purchase. Announcements from the block on sale day take precedence over all material printed in this catalogue.

All persons who attend this sale do so at their own risk, and the owners, sale management and sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

Welcome to the 2013 LLB Spring Spectacular Bull and Female sale. We have been developing our Angus herd for over 40 years and this marks the 27th edition of this sale format. We are proud of this large, diverse sale offering and truly appreciate your time and effort studying or viewing the cattle we are offering. The last 27 years have passed quickly, with great strides of progress in the Angus industry.

Our 800 head cow herd is managed in large groups, from calving until sale time. Calves are turned out with their mothers in breeding pastures as soon as grass is available, they are allowed to grow and develop without extra attention until after weaning. Our breeding philosophy is simple – acquire the best herd sires available, selecting for performance traits, growth and thickness, while maintaining structural soundness and strong maternal traits. By following this philosophy we have been able to produce large sire groups that are uniform and very functional. Every year the quality and consistency of our sale offering increases; this maybe the best offering we have had yet.

Angus is our only business, we expect and our many customers expect consistency and top productivity from our sale offering. This is a powerful group of sale bulls, consistently good from front to back in all divisions – yearlings and two year olds. These bulls offer a multitude of traits – calving ease, performance and maternal, we are confident you will be able to find a herd sire in this sale offering for any breeding program. The yearling heifers are from the heart of our cow herd, they are definately the cream of our 2012 calf crop and there will be numerous show heifer prospects and all will make excellent brood cows. It is always gratifying to see our many customers have successes with LLB purchases, whether it is a winning show heifer or progeny from our bulls topping the commercial calf markets in the fall.

If you are unable to attend our sale in person, we are again offering our Sight Unseen Purchase Plan. We have tried to include as much information as possible in this catalogue. Pre-sale viewing of cattle is encouraged and Lee would be happy to assist with sale selections prior to sale day. Please feel free to contact us or any of our capable sales representatives to discuss your needs or questions.

The next 12 months should be incredible, every sector of the beef industry will be financially rewarded, but in particular those who invested in top quality genetics.

We hope to see you March 15th and March 16th!

Owned with Point Petre Springs Gridlock is a very impressive herd sire whose progeny has been consistently among the best born at LLB over the last four years. He has sired the top selling bulls and heifers in our last seven sales, most recently the \$58,000 top selling yearling bull last spring was a Gridlock grandson. Again in this sale offering his progeny are stamped with extra depth of body and structural correctness. A maternal sister to Gridlock was the \$14,000 top selling female in our sale last fall to Leela Farms in Ontario. Nearly two hundred Gridlock offspring are recorded in the CAA Herd Book, all from natural service, his bull calves report an average birth weight of 85 lbs, with a life ratio of 106, and his heifer calves report an average birth weight of 84 lbs with a life ratio of 103. Again this past year Gridlock has serviced sixty females. Close to 175 head of Gridlock progeny have been sold through our production sales generating over one half million dollars! His daughters and granddaughters are the impressive Lot 71 to 87 heifers, his sons are the largest yearling bull sire group Lot 175 to 191 and the Lot 270 to Lot 276 two year old bulls.

Owned with Highland Stock Farms and Mike Earley. Marvel 901W is a tremendous Density son purchased at the Earley Bros Bull Test Sale. He is a maternal brother to The Answer 108U, a herd sire now in service at Riverbend Angus whose daughters are among the top young females we have in production. The exceptional Lot 42 to 45 heifers and Lots 150 to 158 yearling bulls are the first progeny of Marvel and we are thrilled with the entire sire group. Without exception his calves have structural correctness and extra performance, they will mature into very functional breeding stock.

Sitz Upward 9309 is a new and important member of the LLB herd battery line up. He was purchased from Sitz Angus in Montana, one of the high selling bulls in their 2010 sale. His grand dam is responsible for 65 herd sire son and his sire is one of the most heralded present day Angus bulls. Sitz Upward 9309 is a very correct, long bodied bull that has maintained excellent body condition after heavy service at LLB the past two seasons. We are very excited about his first born offspring, both male and female.

Kodiak 33X has established himself as one of the great performance sires. He was one of the high selling bulls at the 2011 ABC Bull Sale and went to work right upon arrival at LLB. A significant number of his progeny were born here last spring and they are some of the standout bulls and heifers in this sale offering, 3 sons and 3 daughters recorded top 20 weaning weights for both yearling bulls and yearling heifers. Daughters of 33X are the Lot 16 to 24 heifers and sons are the Lot 130 to 138 yearling bulls, in fact the Lot 130 bull recorded the highest weaning weight of all the bulls in this sale offering.

Old Post Bandolier is a powerful individual with extra body mass and excellent feet and legs. Genex leased Old Post to bolster their straight Canadian, total out cross semen inventory. Old Post daughters were among the top selling heifers last spring, one for \$25,000 and another for \$20,000. There are certainly show heifer prospects among his daughters in this offering and his sons have excellent feet with extra testicle development and record some of the top weaning and yearling weights. Sixteen sons of Old Post sold last spring for an average of \$4500, several going to new homes in purebred herds – another was a \$40,000 bull calf last fall to Norseman Farms. His sons are the Lot 123 to 127 yearling bulls and Lot 260 to 268 two year old bulls, daughters are Lot 28 to 30.

 LLB purchased Soo Line Blackman 8044 as one of the top selling bulls from Soo Line in 2009. Note his grand sire, Blackman 252'96 is also the sire of Old Post. Blackman 8044 daughters have been among the top selling heifer calves the past few falls, one for \$5500 another \$4500. His sons were the lead off yearling sale bulls last spring, one selling for \$15000 to Lock Farms, a very consistently good group of young herd sire prospects. Blackman 44U sons in this offering are the Lot 122 to 129 yearling bulls and Lot 255 to 259 two year olds, daughters are Lot 31 to 34.

 LLB Free Wheeler 268S was the \$15,000 top selling bull at the 2007 LLB Spring sale when purchased by Remitall Cattle Co. He was again offered at auction at the Remitall Dispersal Sale when LLB along with a progressive group of breeders purchased 268S for \$23,000. In his first show appearance he was crowned Agribition Reserve Champion Bull, he placed second in class to the eventual Grand Champion at Denver and he was named Mature Champion Bull at the World Angus Forum. Progeny of LLB 268S are always among the top selling sire groups in sales across Canada, last spring his daughters averaged \$4375 and his yearling sons averaged \$6020, three of which sold to purebred operations. More recently a son of LLB Free Wheeler 268S was chosen Farm Fair Grand Champion Bull last fall, sons in this offering are the Lot 119 yearling bull and Lot 301 and 303 two year old bulls.

 Kodiak 9188 is a calving ease sire with excellent performance records. The outstanding grand dam of Kodiak 9188 is Eulima 104K, currently in our transplant program, is an ELITE DAM whose son was one of the top selling bulls in our last spring sale. Eulima 104K also produced the top selling heifer in our 2011 spring sale to Wilgor Farms in Quebec. A full brother to Kodiak 9188 was the lead off bull in Soo Line's second place pen of three bulls at Denver last year. He is proving to be one of best young herd sires in use at LLB, check out the representation of his sons sale day, the Lot 137 and 139 yearling bulls and the Lot 239 to 247 two year old bulls.

Limestone Marathon U073 was purchased by LLB from Limestone Farms in Oklahoma. He is a full brother to Raven, a herd sire that has produced high selling females at Express Ranches, Limestone and Connealy Angus. Marathon was used extensively on heifers at LLB the past four breeding season, his progeny are among our top selling calving ease groups. Again in this sale offering his progeny are featured, daughters are Lot 61 to 66, sons are the Lot 203 and 204 yearling bulls and Lot 269 and 271 two year old bulls

Traveler 451T is a 004 son purchased as the high selling bull from Remington Cattle Co in the fall of 2008. He saw immediate service on a select group of females in our fall calving program to reinforce the 004 influence in our breeding program. RCC 451T sons and daughters were among the top selling individuals in our past five sales, including the \$9000 top selling two year old bull last spring to MJLC Angus and the top selling bred heifer last fall to Wiwa Creek Angus. His progeny are to Lot 47 and 48 heifers, the Lot 196 and 197 yearling bulls and Lots 290 to 295 two year old bulls.

 WAF Zorzal 321U first came onto the Angus scene on display at the World Angus Forum as an outcross herd sire and has firmly established himself as the \$75,000 top seller at the Remington Dispersal last fall when purchased by French River Cattle Company. He has tremendous muscle pattern, structure, is big topped with a large scrotal measurement. A Zorzal 321U daughter was the \$30,000 top selling heifer last spring, another was a \$13,000 heifer calf last fall and the Lot 41 female in this offering is yet another daughter. A significant number of females were served AI and naturally to Zorzal in 2012, we anticipate great progeny from him in our upcoming sale offerings.

 Tom Boy was the buzz at Agribition 2007 where an interest in this exciting straight Canadian bred bull sold for \$60,000. Now 8 years of age he has maintained exceptional structural soundness and body condition. Tom Boy daughters are among the best females at LLB, many appear in the tabulation of the featured individuals in this sale offering. His sons are noted for exceptional calving ease, yet maintaining growth and performance – Tom Boy is the sire of LLB Casino 333W, a \$25,000 herd sire in use at LLB and Southland Angus. Other sons include the Lot 17 yearling bull and Lots 298 and 299 two year old bulls. Daughters of Tom Boy are Lot 89 to 91.

 Mature weight - 3100 lbs at 7 years of age. Tex 56A is LLB's straight Canadian bred, long serving herd sire - in fact this marks the 20th consecutive year his progeny have been featured in LLB sales. He is proven to sire moderate birth weight calves and highly productive females. 56A has out lasted many different fads in the Angus industry and he may be more influential and important now than ever before. A significant group of individuals in this sale offering have some influence of Tex 56A, a son is the Lot 254 two year old bull. The top weaning weight heifer in this offering is a Tex 56A granddaughter, Lot 69 and her paternal sister Lot 70 recorded the 5th top weaning weight.
