BULL & FEMALE SALE

Offering **60 BULLS**

Lauron Crew 2016

Jared & Garilyn

WELCOME

Welcome to our 26th Annual Bull and Select Open Female Sale. With each year bringing new challenges and changes, weather and market fluctuations, one thing remains constant and that is the quality of seedstock we strive to bring to our customers for evaluation.

We have always tried to keep in mind excellent traits within our cowherd that highlight higher profit and lower management. Production, performance, fertility, udders and feet, hair coat, disposition and eye appeal all contribute to the bulls and females on offer.

Our cattle are raised without creep and are in natural pasture conditions. All bulls are wintered together where they are fed a ration of silage, chopped hay, rolled oats and a bull supplement with longevity and soundness in mind. By sale date they will have received a FusoGard foot rot vaccine and booster, passed a semen test, updated weights and scrotal measurement, ultra sound results on the bulls for carcass merit, all of which will be available sale day, and check our website for updates. The replacement heifers will be palpated to insure breeding soundness. And, by popular demand we are offering a few commercial Angus replacement heifers this year. We have every confidence they will work in your herd as they would have in ours.

Ric and Linda Arthurs are Guest Consigners one again. We appreciate the friendship and all the contributions they bring, and special thanks to Jack and Jan Hawkings, and to Jim Whelan who are always ready to lend a hand. Thank you also to our family, the boys and our newly acquired daughter-in-law Garilyn are greatly appreciated with all the help contributed and interest in the happenings at Lauron.

We are again hosting the sale at the farm located 5 miles east of the Didsbury overpass off QE II on Highway 582. The sale will be a video sale with the cattle on display outside, you are welcome to view any time prior to sale day and we would be happy to tour through the herd. Check out the videos on our website www.lauronredangus.com or DLMS. All cattle can be kept free of charge until May 1, and a charge of \$3.00 per head per day thereafter. Any animals staying must be insured by the purchaser sale day. Delivery may be arranged, but after May 1 picked up by the purchaser. If you pick up your purchase sale day or within 1 week of the sale receive \$50 discount per lot.

Join us for lunch prior to the sale and stay for some hospitality. If you can't attend the sale, feel free to contact any of us or the sales staff to accommodate your inquiries, we will be pleased to discuss any questions you may have about the lots.

ELITE DAM The Canadian Angus Association's ELITE DAM program is an effort to identify superior cows in the Angus breed based on early puberty, breeding, regularity of calving and above average performance of offspring.

The Breeders reserve the right to collect semen, for in herd use only on any bull in the sale.
Semen will be collected at the breeders expense and will be done at the new owner's convenience.

Herdsire Prospect! Smooth fronted, wide topped, correct, deep loined, lots of capacity, above average stats, he has all the prerequisites. From a humble 70 lb. birthweight to weaning 11th overall in herd out of CAA ELITE Dam who never disappoints, she has ideal feet and udder, is very impressive and youthful for a 14 year old cow, again from the fabulous Blackbird family. A great example of how Buster sired calves will shine. Quiet, halter broke.

We decided to "share the wealth" with this lovely babe as we have retained 2 really good daughters of 113Y already. A full sister is in production now and is simply grand.

With a thick and broody look to her at this early age, 58D should mature into an ultra satisfying matron you can be proud of. Dam has been very good to us. Take a second look, 58D is flat out good.

A stacked pedigree featuring many greats in the Blackbird and Aster cow family traditions, with Mulberry and Rollin Deep added for good measure, expect longevity, performance and maternal superiority. Half sister to Lot 22, Lot 137D, definitely a sale feature.

Given the udder development on the Scenic Route daughters and 89D's dam, this will be a most pleasing female when she drops her first of many calves. She indexed in the top 1/3 of the herd at both weaning and yearling, beautiful phenotype, could you design it any better than that?

A great combination of maternal traits and curve bending growth, her momma has plenty of milk and sire was our high selling lot in 2014 to Yarrow Creek. Incidentally a 3/4 brother is a feature bull in their sale this spring. This pretty package is a well thought out plan.

The third offspring to sell from our 2015 high selling lot Blindside 86B to Rodgers Red Angus, she is one that is hard to part with. Dam is admired by many on herd tours, she is super long, good footed and has an exceptional well attached productive udder, no doubt 137D will command the same attention in your herd.

Strong topped with ample muscle expression in this "sweet young thang" she is a high quality replacement female. The Eye Candy sons were a big hit at last year's sale and now the daughters are making just as big of splash as they come into production. Dam is an average size but is A++ in output.

An outstanding offer with this younger heifer, she earned a shining spot in our show string at the Olds Classic Fall. Dam has been a marvelous producer, we are using a son "Bobby 1188B" presently for herdsire duties, stayed tuned for those stars next year. No sweeter disposition will you find, as she's already halter broke, 193D would excel as a fantastic junior project at some upcoming jackpot shows.

THANK YOU TO ALL WHO PURCHASED FEMALES AT RED ROUNDUP, CHINOOK AND COWGIRLS FEMALE SALES!!

SALE TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheques payable in Canadian funds upon the conclusion of the sale. The right of property shall not pass until after settlement is made, no animal will be released from the premises until settlement is made. Each animal becomes the risk of the purchaser as soon as sold. Each animal will be sold to the highest bidder. In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

CERTIFICATE OF REGISTRATION: A certificate of registration will be transferred when payment is made in full.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed material.

BREEDERS GUARENTEE: All animals are sold as guaranteed breeders as outlined by the CAA bylaws. No guarantee is given that a bulls' semen will freeze. All bulls will have passed a semen test prior to the sale. A bull may be replaced with one of equal value, guarantee does not apply to bulls injured, sick or uncared for. Under no circumstances shall the seller be liable for more than the purchase price of the bull.

INSURANCE: Insurance will available sale day.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale manager, auctioneer or owners assume responsibility in this matter and liability, legal or otherwise in the event of accident or loss of property. All persons attend the sale at their own risk.
