3	BJ Cattle Co - BJ & Jody Scheirlink	46 & 47

NOT RESPONSIBLE FOR ACCIDENTS

The Southeastern Alberta Purebred Beef Breeders' Association will act as agents only, and is responsible to the seller only for the proceeds of the sale when received.

The Southeastern Alberta Purebred Beef Breeders' Association shall not be responsible for any accidents of any nature to any person, animals or property.

The Auctioneer will announce any changes in the catalogue and his word will have precedence over the catalogue.

FEED, WATER, ETC.

Sellers will be required to furnish all hay and grain required and care for stock up to and including evening of last day of sale. Stock held for shipment will be cared for at a reasonable charge. Water will be provided.

Feed and necessary attendants for stock shipped out must be supplied by the purchaser.

INSPECTION OF ANIMALS FOR SALE

The Southeastern Alberta Purebred Beef Breeders' Association governing this sale, or inspector appointed by them shall have the right to cause any or all animals entered for sale to be inspected upon arrival at the sale grounds, and remove any such animals as the Association or their inspector shall consider as having a physical defect, or, as not being representative of the breed, or is of inferior quality.

The entry fee paid by the entrants to the Southeastern Alberta Purebred Beef Breeders' Association with the respect to any animal removed or rejected as aforesaid shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

ORDER OF SALE

It is understood that each entrant by the act of entering and exhibiting, waives all claims against the Southeastern Alberta Purebred Beef Breeders' Association and/or any of the members, officers, directors and representatives, for any or all injury, loss or damage, which he or any of his employees, assistants or agents, and/or property of any nature whatever may sustain in any way out of the operation or activities of the Southeastern Alberta Purebred Beef Breeders' Association by reason of any claims made by the entrant, or of his helpers or employees, administration or assigns.

Further, that any helpers or assistants who may be engaged by an entrant through the Southeastern Alberta Purebred Beef Breeders' Association, their agents or representatives, shall accept such employment at the sole risk and responsibility of such entrant.

The management of the sale will be under the control of the Southeastern Alberta Purebred Beef Breeders' Association.

In case of illness, a Veterinarian will be called by the sale committee if deemed necessary, but any expense involved will be the responsibility of the CONSIGNOR until the animal is sold and the PURCHASER thereafter.

Should any purchaser fail to settle for his purchase, the Southeastern Alberta Purebred Beef Breeders' Association reserves the right to re-sell the animals as it sees fit and collect from the defaulter any expenses or loss incurred.

The Secretary will have the power to issue receipt in full for all payments of stock, and will deduct all proper charges and remit balance to seller as soon as possible after the sale, provided certificate and transfer are in order.

All cattle must be halter broken and suitable halter provided.

All cattle must be nose-ringed.

Anyone entering the premises enters at their own risk.

Animals entered in the sale are at the risk of the entrant against loss or injury by accident, fire or any other cause whatsoever, and must be on the Exhibition Grounds by 4 p.m., Sunday, March 14, 2010.

BY-BIDDING

There shall be no by-bidding by the owner of an animal or by anyone authorized by him. Statutory declaration may be required from any buyer or seller to the effect that any sale or purchase is bonafide, and that there has been no by-bidding in connection therewith. Any owner guilty of by-bidding or anyone doing it for him, will be excluded from participation in future sales for a term to be decided by the Executive Committee, but he will be permitted one protective bid on any animal.

PRIVATE SALES NOT PERMITTED

EVERY ANIMAL CONSIGNED TO THE SALE MUST BE SOLD BY AUCTION. NO PRIVATE SALES WILL BE ALLOWED.

DISPUTES

If any dispute arises between any two bidders, it shall be settled by the animals being put up and resold. The decision of the auctioneer shall be final in all such cases.

OWNERSHIP

Immediately after each purchase is declared, THE RISK OF THE ANIMAL SHALL BE EXCLUSIVELY WITH THE PURCHASER, and it is declared that until settlement shall be made, the delivery of the animal shall be suspended. In some instances arrangements may be made between the buyer and seller, where the seller will agree to maintain the bull in preparation for delivery. In such a case neither the seller nor the Association agree to undertake any liability in respect to these animals. The sole risk shall remain with the purchaser.

SETTLEMENT

Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal, in cooperation with the seller to the best advantage, either publicly or privately, with out further information, and any loss arising from such resale, together with all other expences, will be collected from the defaulter.

BREEDING GUARANTEED AT THE DISCRETION OF SELLER

It is believed that in selling cattle under breeding age the purchaser is more responsible for their future usefulness than the seller and that he should be willing to relieve the breeder of all responsibility after they pass into his ownership, but every possible precaution will be taken to eliminate animals with any known defects. The entire offering will be sold at the halter and no further guarantee of any kind will be given them unless individual consignors wish to do so for their particular cattle by so stating when their animals are in the ring. All bulls consigned to sale are semen tested.

If a member enters an animal for sale for breeding purposes, that they has reason to believe is a non-breeder, they shall be expelled from the Association.

RULE: The Committee of the Southeastern Alberta Purebred Beef Breeders' governing this sale, or an agent or inspector appointed by them, shall have the right to cause any or all bulls entered for sale to be inspected upon arrival at the Sale Grounds, and remove any such bulls as the Committee or the inspector shall consider as having a physical defect, or is of inferior quality, or, as not being representative of the breed, or any like cause immediately from the Sale Grounds.

The entry fee paid by the entrant to the Southeastern Alberta Purebred Beef Breeders' Association with respect to any such animal removed or rejected as aforesaid, shall belong to and remain the sole property of the Southeastern Alberta Purebred Beef Breeders' Association.

The entrant hereby appoints and constitutes the Committee of the Southeastern Alberta Purebred Beef Breeders his agent for purposes aforesaid, with the full power and authority to sub-delegate the authority and power.

TRANSPORTATION

SAPBBA Contributors will be responsible for trucking costs for purchasers buying 5 or more bulls with the delivery point being within 200 miles from Medicine Hat.

HAWKEYE RANCHING

Offering 5 Top Bulls

* Feature

HAWKEYE 157K URLACHER 8U

This bull is out of the legendary 157K bull, His dam is my best cow who produced my high selling lead off bull in last years sale. He is marked just how I like them and has wonderful light coloured wooly hair. Long, thick, easy moving, and smooth fronted - a definite feature.

EPD's BW 4.7 WW 50.7 YW 88.8
Milk 26.6 TM 52.0

* Feature

HAWKEYE 49M PUDGE 14U

A powerful May bull that just impresses everyone that sees him. One of the last sons of my Pudge bull. The mother is a good producing cow that throws lighter birth weights. Another feature you won't want to miss.

EPD's BW 3.0 WW 30.7 YW 54.7
Milk 20.5 TM 35.9

HAWKEYE 49M PUDGE 19U

An extremely thick 3/4 brother to the 6P herdsire that is working at Brost Land & Cattle Co. Like his brother he should throw outstanding calves. His mom has been, and continues to be a solid cow for me.

EPD's BW 5.6 WW 34.5 YW 65.9
Milk 20.9 TM 38.1

HAWKEYE 1U. A Heifer's first calf out of the \$20,000 Rancher Bull. Deep and easy doing, his calves should push down the scales. EPD's BW 6.5 WW 58.1 YW 90.5 Milk 19.5 TM 48.5

HAWKEYE 5U. Here is a long son of Pudge. His Mother is a top 157K daughter that raised a top bull I used in my own program and co-owned with Ross and Arlene Stafford. EPD's BW 5.4 WW 41.2 YW 75.5 Milk 26.7 TM 47.3

NEW GENERATION . . . SAME TRUSTED BRAND

BP 144P STANDARD LAD 95U C02918377

CE	BW	WW	YW	Milk	TM	Fat	REA	MARB
+2.1	+3.3	+39.8	+64.8	+17.1	+37.0	+0.004	+0.29	+0.28

95U had the second highest marbling score and the 3rd highest rib-eye measurement. This bull has balanced EPDs, performance and eye appeal. We used him on a group of young cows last summer and are looking forward to getting some calves out of him in 2010. Birthweight 96 lbs.

BP 192R STANDARD LAD 61U C02921699

CE	BW	WW	YW	Milk	TM	Fat	REA	MARB
+1.6	+3.7	+37.5	+67.0	+12.1	+30.8	+0.020	+0.05	+0.23

61U was sired by 192R, a son of the Bygrove bull, STR Standard 256B Dom Lad 68L, that was used so successfully at Kallal's. 192R's dam, 125L, was a Ribstone 64H daughter that coincidentally is also the dam of 95U above. 61U is a clean-made, complete bull with pigment and freckles. Birthweight 98 lbs.

BP 124P RIBSTONE LAD 18U C02914744

CE	BW	WW	YW	Milk	TM	Fat	REA	MARB
+1.3	+4.1	+43.0	+70.0	+8.6	+30.1	+0.023	-0.01	+0.05

18U had an 88 pound birthweight and indexed 109 at weaning and 104 at yearling. He is a medium framed bull, short marked, pigmented and well muscled with a rib eye index of 104.

YV 851U 92 646 1137 +7.1 +40.1 +72.3 14.3 34.3
 A heifer's first calf out of 618R that has a striking profile, well marked from head to toe. Pigmented and very athletic.

YV 853U 96 616 1084 +4.6 +29.1 +48.8 +24.4 +39
 Out of a high producing 75K daughter that never misses. A maternal brother sold to Kelly Feige at 2009 sale. Pictured in the January Issue of Hereford Digest.

YV 859U 94 625 1040 +4.1 +37.7 +58 +17.8 +37.7
 A very moderate thick son of Superman 77J. Out of a foundation cow family. Both Mother and Grandmother have been cows that everyone loves when they come to the ranch. Ian Glass purchased a maternal brother in 2008 and loves him.

YV 871U 90 685 1255 +6.3 +42.9 +76 +15.8 +37.3
 Is out of a consistent 75K daughter. 871U is well marked, yellow and full of muscle. A maternal brother sold to Lazy RH Ranch in 2009. This is a young bull with tons of performance.

These bulls are semen tested and fully guaranteed and have had their foot rot shots.

MN HEREFORDS

MHH22L BRITISHER LAD 26R

Purchased at the 2007 Medicine Hat Bull Sale from Hermans Horned Herfords.
All four of our bulls entered are direct sons of 26R

MN3U - BW 100 WW 785.

Built like a tank, broad and square. Dam is a yellow haired, solid matted, great footed. 64F cow built like her son.

MN13U - BW 97 WW760

Red testicles, red eyes and solid coloured to the hoof. Dam is a big, good producing 239H (Maidstone) daughter.

MN21U - BW 98 WW 830

Like many, we had a bull get hurt in the pasture, so we used this fellow as a yearling for breeding. He ended up a little thin due to the drought, but is coming along nicely, very stylish looking bull.

MN422U - BW 85 WW760

Longevity here, dam is thirteen and still going strong. We retained her calf for our replacements this year, a full sister. Dam 422F has raised many herd sires sold through Calgary Bull Sale.

Visitors welcome anytime, give us a call

Fleming 917 Ranger Smith

If you are searching for a new young herd bull, consider FLEMING 917 RANGER SMITH, a grandson of Vermilion

Yellowstone. The Yellowstone bloodline is having a positive impact on the Angus industry. The progeny are unique packages of; high performance, sound feet, terrific depth and length of body and they all have great dispositions. Take the time to analyze this outstanding future herdsire.

Fleming 902 New Design

FLEMING 902 NEW DESIGN combines solid growth and carcass data that makes this bull worthy of a second

look. He is a medium framed bull that stands on solid feet and adds consistent depth and capacity. His grand sire Bon View New Design 208 & his sire FV New Design S269 have passed on attributes of length of spine, tidy front ends and valuable muscle expression. We can confidently say this bull will be an asset to your breeding program.

We raise the BULLS... ...that raise your PROFITS!

We have totally changed the way these bulls are raised in the last few years. The purpose of this change is to raise **no-nonsense bulls that add profitability for ranchers.**

This added value comes from treating these bulls just like your commercial calves are treated. These calves are born starting in mid March with no added management as a calf. They are raised through the summer with no creep and are weaned at 150 – 200 days of age. When weaned they are all put together in a pen of approx. 100 bull calves and the good ones sort themselves to the top.

Bull	Adj.			EPD'S						
	BW	205wt	W	BW	WW	YW	Milk	TM	MARB	REA

66T	104	205	—	+10.8	+53	+96	+13	+40	NA	NA
-----	-----	-----	---	-------	-----	-----	-----	-----	----	----

66T was the Reserve Champion Junior Bull Calf at the 2008 Calgary Bull Sale. He is a deep, wide based bull. He sires lots of hair with tremendous growth.

17U	80	779	110	+0.2	+49	+87	+27	+52	+0.37	+0.03
-----	----	-----	-----	------	-----	-----	-----	-----	-------	-------

The dam of this bull (28S) was the last calf of our good Stevenson cow 85X (she had her when she was 18yrs. old) 28S has weaned 17U (wean index of 110) and 140W (wean index 118) Lots of milk, yet a super udder.

17W	97	759	121	+3.4	+57	+93	+27	+56	+0.14	+0.06
-----	----	-----	-----	------	-----	-----	-----	-----	-------	-------

His dam is probably the best cow in our herd. Long spined, super udder, ave.W.I. of 107.9. We thought she was the very best bred heifer in the Elmore dispersal.

33W	84	703	113	-0.7	+53	+92	+26	+53	+0.47	-0.01
-----	----	-----	-----	------	-----	-----	-----	-----	-------	-------

Dam is a big, thick, long hipped cow with an ave. W.I. of 107.8

45W	103	673	104	+5.8	+47	+87	+25	+49	+0.24	+0.09
-----	-----	-----	-----	------	-----	-----	-----	-----	-------	-------

Thick, nice profile from a fancy good uddered cow.

48W	115	736	113	+9.6	+57	+101	+20	+49	NA	NA
-----	-----	-----	-----	------	-----	------	-----	-----	----	----

Dam is a heavy milking cow with an Ave. W.I. of 113

Need a Heifer Bull...

With Awesome EPD'S?

**3 Outstanding Herd Bull Prospects Heading to
Medicine Hat Bull Sale!**

Sire of 902 & 911

HARB Pendleton 765 JH

Bull #	BW	205 WT	BW	WW	YW	Milk	TM
902	70	858	+0.8	+71	+111	+23	+58
911	78	816	+0.9	+67	+103	+20	+53
921	92	939	+3.8	+42	+74	+25	+46

902 – Could be the best heifer bull we have ever raised...low birth weight, awesome 205 day weight, and outstanding EPDs. His dam is very thick, beautiful uddered, and has a great disposition!

911 – $\frac{3}{4}$ Brother to 902, very long, stout and again very low birth weight. It's not a mistake when you get two $\frac{3}{4}$ brothers with close to the same figures. Breed your heifers to either bull and get some sleep!

921 – This is our highest indexing calf in the bull pen! With his 939 lbs 205 wt and his muscle and hair, I am sure you will love him!

Bulls are Semen Tested and Guaranteed!
