Northern Black Angus Complete Dispersal

N.B.A.

After 13 years in the farm and cattle business, we have decided to turn a new chapter in our lives and sell our operations. We are moving our family south to Vancouver Island, where we have started a new logging company in Duncan, B.C. Due to the distance of the move, it is no longer possible to run the farms in Smithers and Kamloops.

After purchasing our Smithers property in 1996, we quickly migrated towards purebred Black Angus cattle. We were attracted to the ruggedness and temperament of the breed and they seemed to really excel in the north country. By 1999/2000, we had developed a 75 - 90 head herd and started selling bulls and heifers in the B.C. purebred sales.

We started attending the fairs, where Brett and Cole especially took to fitting and showing the cattle. We travelled as far as Agribition in Regina, Saskatchewan and Farm Fair in Edmonton, Alberta and over time were fortunate enough to pick up some first place ribbons.

The part we are going to miss most is the people. We have made life long bonds with great friends that we met through the cattle business. We have always appreciated the character and quality of our fellow breeders, and will miss the laughs and stories that get shared in the barns.

The herd that we are dispersing in this sale, is the best collection of animals we have had since we started. The past few years we have invested in industry leading herd bulls and spent countless hours breeding the right pedigrees that would produce quality calves. It took us 13 years to get the herd to this point and any one of the cows in this sale could be the cornerstone of a new herd.

We would like to thank all of our buyers over the years that have supported our program. Also "thanks" in advance to all those who will be attending this sale. We assure the cattle sold in this sale, will represent the same quality as we have always strived to achieve.

Being part of this business has been a wonderful experience and has provided us with many great memories.. Our children have grown up in it and have learned many valuable skills as well as opportunities to join 4-H and B.C. Junior Angus. We look forward to the journey that lies ahead and want to extend an invitation to our friends to drop by and visit when on the Island.

CATTLE INSPECTION: All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to the sale.

THIS IS A DISPERSAL SALE: Every animal to be offered "as they are" on Sale Day, with no further guarantee expressed or implied. Every precaution will be made to announce known blemishes from the Auction Stand.

PREGNANCY: Examinations were conducted on all females.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

RELEASE: No cattle will be released until the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day.

TERMS OF SALE: Are cash or cheque at par, payable to Ritchie Bros. Auctioneers on Sale Day. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

EVERY ANIMAL sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

ALL PERSONS who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

On October 15th, the outstanding N.B.A. Black Angus herd will be dispersed. Cows, calves, bred heifers, herd bulls, semen and embryos. Twenty years of selecting, breeding and exhibiting Angus with dedication and passion and now the cattle community can take full advantage of this sale of top quality breeding stock. For many years N.B.A. has been topping the bull sales and the NBA prefix has been well received.

Trevor and Debbie have spared neither time, energy or expense to put this herd together and I believe we will hear much more of the success of these genetics in years to come. Take advantage of this great opportunity and build on the foundation that has been so well laid out by Trevor & Debbie White and their family.

If Trevor, Debbie, Cole, Clayton, Brett, the sale crew or Linda and myself can be of assistance in any way regarding this great dispersal please phone.
