welcome

Welcome to the 2016 Ontario Futurity Sale, it's always a pleasure to work with such a great group of consignors and people that make this longstanding event happen! We have an excellent line-up of heifer calves, bred heifers, select bull calves and some rare and valuable semen. The genetics that these cattle represent are the top end from the respective herds and whether it be a junior member, new breeder or an established breeder there are genetics available through this sale that will be beneficial and most importantly profitable.

We welcome you to join us Friday evening in Orangeville to preview the offering or come early Saturday a.m. to go through the line-up of cattle that are available. Maybe a little early Christmas shopping for that Angus fanatic. Should you have any questions regarding the cattle in the sale feel welcome to contact the consignors sales staff or Mike and I at Castlerock Marketing, we would be happy to answer any of your questions.

See you sale day!

This heifer calf has potential written all over her. She's sired by one of the newest and most popular bulls in the Semex lineup and comes from our popular Miss Middlebrook cow family. Her great grand dam made significant contributions to our program - raising the Junior Champion Female at the Royal Winter Fair Angus Show and the 2003 Ontario Show Female of the Year. A maternal sister to this heifer calf recently sold to Longshore's Bar-E-L Angus in Alberta. Sells open.

A daughter of the Genex AI Sire Bruin Uproar that has impressed us from day one! Note that the dam to Uproar is a full sister to the landmark Angus sire, Vermillion Dateline 7078 "VRD"! The dam is sired by the Ambush bull who has done a terrific job for us in his daughters. Grab one of the few Uproar daughters that will sell in Canada this fall, she has a great disposition and a sweet look to her! At her only show this year 3D was first in class at Collingwood Fair.

The dam came from Bellstar and has done a great job on her first calf with the likes of Dateline and Eagle Eye in her background sums up a solid pedigree on the bottom side as well.

This female was one of our favourite 4H calves shown this year. Out of a 2 year old, this calf shows tons of performance coupled with a smooth front end. She comes from the most consistently productive cow families we have ever had, and Poppy certainly has an exciting career ahead of her both in the show ring and out at pasture.

Miss Morrison 1D is a moderate framed stylish heifer by the popular SAV Radiance. Her dam by Whitestone Widespread has tremendous rib and length of body with a great udder and teat size. She is the dam of the Champion Angus Female at Expo Beouf 2011 and Grand Dam of Calf Champion at Expo Beouf 2014. Miss Morrison 1D with her highly productive dam and sire will develop into an excellent productive cow.

Maternal sister of Lot 19, Sunset Roxy 2Y

Classy Lass 34D is a very long bodied heifer calf with lots of rib and style up front. Her dam LLB Classy Lass was a many time champion Female for us as a yearling heifer and was Ontario Show Female of the year in 2012. She has an excellent udder and is a top producer here at Tullamore with another daughter working in the Melmac herd. The sire of Classy Lass 34D, JL Answers 4013 by SAV Final Answer was Senior Champion Bull 2016 Ontario Preview Show, is very easy calving and doing an excellent job for us here at Tullamore. Classy Lass 34D will be an excellent 4-H project and front pasture cow as she matures.

This cow family is as rock solid as you can make them going back to the grand old Botany Angus Ellen 14G who served as a donor cow for Botany Angus and Remington Cattle Co as well, she was possibly one of EXT's greatest females and that's saying a lot! Just an end of March heifer, she will fit into the later class of heifers and should be competitive!

128D is a bigger framed heifer with good growth potential out of a cow purchased at Red Round-Up in 2006. Her sire is a really thick bodied son of Red Six Mile Timberline 880W. Her dam has consistently given us a productive line of offspring: A herd sire for Dayora Farms, a show ring heifer for Megens Cattle Co. and also a good producing heifer for Burnside Farms. Even at fourteen years of age, her dam has a picture perfect udder and a good set of feet and legs. 128D will be a good productive heifer for her buyer.

EXT was born 30 years ago but he would qualify as one of those bulls that will impact the breed for years to come. His females are institutions as they simply always make tremendous mother cows with excellent udders and longevity. A great source of genetics and an awesome opportunity to attain some genetics from a landmark breeding sire. *Selling 2 straws of semen.*

terms and conditions

1. Terms: The terms of the sale are cash or cheque at par. No releases will be given until satisfactory settlement has been made. All monies are in Canadian Funds, other funds will be accepted at the current rate of exchange.
2. Bids: Every animal entering the ring will be sold to the highest bidder.
3. Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.
4. Announcements: Any changes from information in this catalogue will be announced from the auction block; such changes will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.
5. Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold.
6. Certificate of Registration: Each animal in the sale will carry registration papers issued by the Canadian Angus Association. A certificate duly transferred will be furnished to the buyer for each animal after full and total payment has been made.
7. Accidents: Every precaution will be exercised to protect the safety and comfort of those attending the sale. Neither the owners, auctioneer, or any sale staff assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.
8. Liability: All persons attending the sale do so at their own risk; sellers and/or sales management and/or any of the sales staff assume no liability legal or otherwise for any accidents occurring in, on, or about the premises.
9. Insurance: Livestock insurance and/or transit insurance will be available.
10. Export testing: In the case of animals purchased for export, the necessary customs, health, and export certificates will be supplied and expenses will be at half cost; the other half of the cost will be responsibility of buyer.
