Spring Bull Sale

Wednesday, April 4, 2018

At the Ranch, Wood Mountain, Saskatchewan

Selling 185 Black Angus Yearling Bulls

Bushs Wind Chill 982

Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2018 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Since its early beginnings our program has always been committed to producing bulls that keep the commercial cowman on the top side of the market. I believe this set of bulls will help again accomplish that goal.

Our cow herd is made up of seven main cow families and you can trace their lineage back 60 years to the original foundation set of cows my grandfather would have purchased. The strength of cowherd is second to none and has endured six decades of selection pressure, rigid culling and uncompromising breeding commitment. The greatest compliment we have received from visiting cattlemen to the ranch is the consistency they see in our cow herd.

The bulls are penned and sorted by sire group with many groups of half, three-quarter and full brothers available for a more uniform and genetically consistent calf crop. There are several herd bull candidates in each group and we welcome your visit anytime prior to the sale. They sell in volume so they will be affordable in everyone's price range. All bulls are semen tested and checked for soundness and ready to go to work. Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we strive to accomplish.

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. See the next page for details.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

INSURANCE:

An insurance representative will be present on Sale Day.

Cull Bull Incentive Program

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. Why take a chance on bunch of open cows this fall when you can replace them with fresh strong new bulls. All you have to do is email us prior to the bull sale or bring a copy of your bill of sale from the auction market after selling your cull bulls and you will receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

4M BLACKBIRD 2004
 The dam 4M Element 405

Element was the lot 1 top selling bull we purchased from 4M Angus in Blue Hill Nebraska. We later sold an interest to Semex Beef where he became a leading member of their sire roster.

Element combines calving-ease with added growth and muscle shape from a maternally superior cow family. Two daughters of Riverbend Blackbird 4302 are featured donors at 4M Angus, one of which is the dam of Element. Another daughter of Blackbird 4301 is a featured donor for Vintage Angus and Herbster Angus. She is the dam of VAR Reserve, VAR Generation, and VAR Frontier.

The first 100 Element progeny born have averaged 73lbs for females and 77lbs for male.

Element offers one of the largest EPD spreads from -0.8 BW to +82 WW and +138 YW.

He was mated to the majority of the heifers at Peak Dot in 2015 and in 2016 and 2017.

Top selling Element sons from past Bull Sales..

No Doubt Bulls...

Hoover No Doubt *Peak Dot Reference Sire*

The top scanning ribeye bull from Hoovers ...

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 88-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his first calves appear to be good footed.

Highlights of No Doubt's 50K: WW 1, YW 2, SC 10, Doc 1, HP 10, CW 9, and RE 4.

No Doubt's donor dam J2 was the lead-off, \$20,000 top-selling open heifer in the Hoover 2011 auction selling to KDS Angus. She was one of the most beautiful females they have ever produced. Kevin Sweeney of KDS Angus reports that J2 is an extremely docile female that will meet you at the gate and is a leader when he moves cattle.

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous sons have been well received topping several sales around the country. They are a true testament to him displaying impressive three-dimensional pounds, mass and body on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will continue to be a major contributor to the future of the beef cattle industry.

Muscle, thickness and Performance ...

Contact Genex for semen

One of the top selling Unanimous sons from the 2016 Peak Dot Spring bull sale selected by Genex. Foothills offers massive thickness, volume and expressive muscle shape. His SAV 004 Predominant 4438 dam is moderate framed, easy fleshing and has a quality udder. Grandam is a past embryo donor. The phenomenal first calfcrop of sons by Foothills display masculinity, muscle and maturity at an early age.

Prime Bulls . . .

Peak Dot Prime 733B *Peak Dot Reference Sire*

Prime is a powerfully built with tremendous length, volume and body depth, muscle and pounds. He offers a bit more bone and stands on a very sturdy frame. He was selected by Alta genetics from the 2015 Spring bull sale and added to their sire roster. His gorgeous dam has been a very consistent embryo producer resulting in high caliber progeny no matter who she has been mated to. She is one of the most influential cows at Peak Dot and along with several of her daughters will lead the way as we continue to stack our cowherd with fertility, longevity and maternal value.

PEAK DOT PREDOMINANT 3005E - LOT 101

SAV 004 PREDOMINANT 4438

SAV Predominant 4438 is a popular, proven and powerful sire selected by Peak Dot Ranch as the featured lot 2 bull in the 2005 SAV Sale where he earned an IMF ratio of 119. Predominant sons are calving ease bulls appreciated for their added thickness, volume, dimension, feed efficiency and they display unusual masculinity and maturity at an early age. Predominant daughters are equally as impressive as they are beautiful, broody females with extra depth, capacity and excellent udders.

SAV Topsoil 4354 was a feature from the 2015 SAV sale. We purchased this bull with Alta Genetics. He combines all the power, sheer thickness and performance from SAV Harvester combined with the calving-ease, phenotype, and maternal strength of SAV Bismarck. His Bismarck dam is the second lowest birth EPD cow in the entire SAV herd. She is blessed with striking femininity, superb udder quality and abundant milk. Topsoil Pathfinder grandam is a full sister to SAV 004 Predominant 4438. Topsoil sired a high quality set of sons and daughters at Peak Dot including a top notch very consistent set of bulls for this sale event.

SAV MISS BOBBIE 2407
 The dam of Earnhardt

Earnhardt is a stout and powerful son of SAV Harvester 0338 out of the uniquely bred and perfectly built SAV Miss Bobbie 2407. He was the top weaning bull of his entire calf crop at Janssen Angus. He offers a moderate birth weight with a 205 day weight of 977 pounds along with a 365-day weight that broke the 1,400 pound yearling weight barrier. A large number of Earnhardt and Top Soil daughters have been retained by Peak Dot for replacements.

 2014 National Western Stock Show Reserve Champion Pen of bulls

Cash Flow was the lead bull from the 2014 NWSS Reserve Champion pen. He went on to become the high selling Barstow Cash son in the spring of 2014. We purchased this bull along with Semex for his extended length of body, wide pin setting and exceptional overall thickness. His ET dam is backed by a Pathfinder grandam. His first progeny are thick made cattle with muscle expression and volume throughout.

 The dam of Attractive

One of the top selling bulls we purchased along with Semex from the 2016 Schiefelbein sale. Attractive is a calving-ease bull that will add growth and a good set of feet and legs. His dam is one of the best cows we have found in all our travels. She has produced over \$200,000 and is one of the main anchors in the Schiefelbein embryo program. Attractive has a great disposition and so do his sons.

Easy Decision was the lead bull in the 2014 Champion Pen of bulls

Easy Decision a big time performance bull that is rapidly becoming one of the most popular new bulls in the Angus breed. His first two calve crops have exceeded all expectations and have proven him as a low birth weight sire that consistently breeds added pounds at weaning and structural soundness. Easy Decision is backed by four consecutive generations of Pathfinder dams. Easy Decision was the lead bull of the 2014 National Western Stock Show Champion pen of 3 bulls. Easy Decision first calf crop was the feature attraction of the 2016 Peak Dot bull sale with the top 5 sons averaging \$35,500.

BARDOILA OF PEAK DOT 639X
 The dam of Herdbook

Herdbook was a \$35,000 feature bull from the 2016 spring sale selling to Hillcrest Enterprises. Herdbook consistently sires cattle that are thick-topped, heavy muscled, and stout rumped. His dam is one of the most amazing females in the breed in terms of body shape, volume and sheer elegance. She is also the dam of new up and coming herdsire Peak Dot Fore Sure owned by Alta Genetics.
