## **Staff**

Brent Carey, Auctioneer	403-650-9028
Scott Johnstone, Ring service	306-631-0767

## **Power Point Sale**

As the bulls will be sold by power point presentation and will not be coming through an auction ring, please come early to view the bulls prior to sale time. Lunch will be served for your convenience.

## **Delivery**

**Palmer:** We'd prefer to give you free board until pasture time and free delivery up to 300 km. All we ask is that you insure your purchases.

**Nielson:** Free board and delivery up to 300 km.

## **Semen Testing**

All bulls will pass a semen test before delivery.

## **Absentee Service**

If you are unable to attend the sale, don't be disappointed. Give us a call and we'd be happy to help find the right bull for your program.

## **Insurance**

Insurance will be available sale day.

## **Credit Card Purchases**

Purchases may be made on Visa or Mastercard. A 3% surcharge will be applied.

# Welcome to our First Annual Bull Sale

**W**e at Palmer Charolais are excited to invite all of our past customers and potential new buyers to our first annual on farm bull sale. We believe the bulls we have raised and selected for our herd have strong maternal traits which allow us to incorporate calving ease and performance into the bulls on offer sale day.

We pride ourselves on commitment to our customers, and we stand behind what we sell. Purebred Charolais have been raised on this farm for over 35 years and with a strong commitment and passion for cattle we will be raising Charolais for generations to come.

A note about the bulls: The bull calves ran with their mothers until Thanksgiving, at which time they were weaned, given all booster and vitamin shots and weaning weights were recorded. Also, there will be

a present day weight available on sale day. They were then placed on a growing ration (NOT a fattening ration).

We develop our bulls so they can go to work for you. We offer bulls that are horned or polled, have top performance, calving ease and longevity.

After the sale we prefer the bulls to stay here with us until it is time for them to go to work. We provide free board and delivery up to 300 km and assistance will be given to those beyond the 300km radius. Insurance will be available sale day. We ask that all bulls staying with us be insured. Bulls that stay at Palmer Charolais with no insurance are at BUYER'S RISK. We will do our best to keep every bull safe and sound but there are unforeseen circumstances that can happen.

Thank you to Nielson Land & Cattle for joining forces in our venture. Please join us on sale day for lunch and refreshments. Come early for fellowship and to view the bulls. We appreciate all of your support and if you need any assistance do not hesitate to call.

Sincerely,  
All of us at Palmer Charolais

**W**e at Nielson Land and Cattle would like to invite you to our first annual bull sale. We would like to start by thanking Palmer Charolais for inviting us to be a part of their sale.

We have been in the cattle business for over 30 years with our start being in Horned Herefords. In 1994, we introduced Red Angus into our operation with a select group of cows from McDougall dispersal. These strong maternal cows were the foundation of our Red Angus herd. Recently, we were fortunate enough to be able to purchase high quality Black Angus females from Mountain View Farms located at Swan River, MB. This seed stock operation has supplied superior genetics, in the Angus breed, across North America.

We have strived to build a breeding program that produces quality livestock for a wide variety of customer needs. We breed our cattle herd for structural soundness, udders, production, performance, and overall quality. The direct results of these superior cows are the bulls and heifers we have on offer for your selection.

We maintain a high standard herd health program. All cattle have been vaccinated for everything that they need. For a complete listing of vaccinations feel free to contact us.

Our strong set of bulls has added muscle, excellent feet, and freedom of movement. With their future in mind, these bulls have been fed a high roughage TMR ration. The bulls are hard muscled and ready to go to work.

The heifers we have for you are a sound group of well balanced females displaying depth, quality, and excellent hair coats. We believe they would be a great addition to anyone's herd.

If you have any questions on the bulls and heifers please don't hesitate to give us a call, as we will be happy to assist in any way we can. If you cannot make it to the sale, we have a sight unseen purchase program or you can contact any one of our sale staff for assistance. If you have an opportunity to stop in prior to sale day to view our bulls and heifers we would be glad to show you our operation.

Thank you for your interest and we look forward to seeing you on sale day.

Sincerely,  
Nielson Land and Cattle

Welcome to the 1st Palmer Charolais/Nielson Land & Cattle Bull Sale. I know when Velon Herback and Larry Nielson decided to have a bull sale they were both nervous about this new venture. These are hardworking guys who make their living in agriculture. They both grain farm sizeable acres and run many cows as well. It is always a little stressful when you do something you haven't done before, but both of these operations were ready for this. Those that come to the sale will be pleased with the quality that can be found in each of the breeds.

Palmer Charolais has been well known in the Charolais Industry for 35 years. When Bob and Monette Palmer started the cowherd they spared no expense in purchasing the best females they could find. Now that Velon has taken over the reins he has the same philosophy in finding and buying the best herdbulls he can to continually improve the quality of bull he is providing his customers. These Charolais bulls are good growth bulls with hair and meat and are bred to not give you any problems, calving or otherwise. Charolais have proven to be the terminal sire of choice and here are some choice sires.

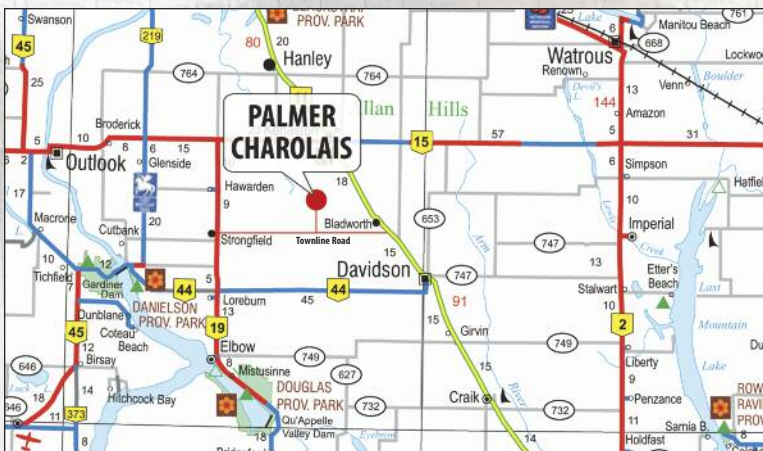

Larry Nielson started in the Red Angus business and has built a very solid cow base over the years. He was a regular at Regina Bull Sale taking a string there and selling the rest off the farm. A few years ago he decided to diversify and added a couple of groups of high quality cows. One was from the famed Mountain View herd that dispersed in Manitoba in 2010 and the other was half of the Valley Lodge Cattle Co. cowherd. He purchased a top end herd, and with the added strength of the bull power he used the quality of this bull sale offering is deep.

I invite all of you, whether you need an Angus bull to make a great cowherd or a Charolais bull to make the market topping buckskin or silver feeder calves, to come and see for yourself. Even if you don't need a bull this year, come for lunch and see where you should be looking for your next herdbull. I know you won't be disappointed.

Sincerely,  
Helge & Candace By

## HTA COUNTDOWN 9103W

PMC326481 HTA 9103W 17 February 2009 4th Gen Pld

LT UNLIMITED EASE 9108(P) HTA LEXION PLD 11K(P)  
LT EASY BLEND 5125 PLD HTA EMPRESS 2326M(P)  
LT BRENDA 1014 PLD HTA EMPRESS PLD 980J(P)

Countdown was purchased in the spring of 2010. He is a great genetic combination of Easyblend x Lexion. He is also loaded with performance and is put together flawlessly. His first calf crop was not disappointing. With low birth weights and high weaning weights his sons are very impressive and should not be overlooked on sale day.

## MERIT 8789U (RHAPSODY)

PMC322795 EYC 8789U 5 March 2008 4th Gen Pld

HTA LEXION PLD 11K(P) WINN MANS JD 338N(P)  
HTA RHAPSODY 390N(P) MERIT CARLA 5162R(P)  
HTA SONJA 41K(P) MERIT CARLA 68K(P)

Bulls like Rhapsody are very few and far between. On paper alone his numbers are awesome. Physically he is a dream. At less than a year of age he measured 42 cm for testicles, has excellent feet, lots of hair, a massive thick and deep quarter and is very, very quiet. Best of all, he puts all of this in his sons. Rhapsody sons were the first to sell out of the bull pen in 2011. In the fall, buyers wanted to know if there were going to be more sons available in 2012. The answer is yes. For low birth weights and huge weaning weights, check out his prodigy.

LT DUCHESS OF MAC 7076 P(P) MNE CASHMERE 63C(P)

Western Hummer was a polled bull we purchased to use on our heifers. He is a very complete bull. He has lots of thickness, is good footed and loads of hair. He calved great. Calves were just the right size for heifers. They were very lively and up and going in no time. His sons featured in the sale will do the same job for you.

## TERMS & CONDITIONS

### TERMS:

The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

### BIDDING:

Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### DISPUTES:

Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

### ANNOUNCEMENTS:

Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

### PURCHASER'S RISK:

Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

### CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

### DELIVERY:

Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

### BREEDER GUARANTEE – BULLS:

Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

### EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

### ACCIDENTS:

Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property. **By Livestock** is only acting as a medium between the buyer and seller and is not responsible for failure on the part of either party to live up to their obligations; or for the truth of any warranties or representations, expressed or implied. By Livestock assumes no obligation to enforce or collect monies between parties. By Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action taken in exceptional cases must be between the buyer and the seller. The buyer must look to the seller for fulfilment of all guarantees and representations.

### INSURANCE:

Insurance will be available sale day.

### PICTURES:

By attending the sale you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale.
