Welcome to Peak Dot Ranch... Established in 1950...

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2016 Fall Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Fall Bull Sale. Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman.

The coming two year old bulls in this sale are developed and managed exclusively for this event. They come mainly from our later calving herds. They are never pushed and are grown out to be fertile and problem free. We will no longer be offering the fall born bulls as part of our spring bull sale, so if you want to buy Peak Dot bulls with added age this is the sale to get it done. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we want to produce.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

We also have packages of registered bred cows and bred heifers for sale right off the ranch. They truly are just one calf or a few months away from paying for themselves. Cattle are available for viewing anytime. Please contact Peak Dot Ranch for more information on this opportunity.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early to view the cattle. Be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 15.8 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. He was the \$55,000 record-selling bull at the 2012 Minnesota Bull Test Sale in Jackson, Minnesota. This quiet hoss has great feet and leg structure and is one of the top volume semen production sires at ORigen.
