Welcome to the 2016 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Since its early beginnings our program has always been committed to producing bulls that keep the commercial cowman on the top side of the market. I believe this set of bulls will help accomplish that goal.

Our cow herd is made up of seven main cow families and you can trace their lineage back 60 years to the original foundation set of cows my grandfather would have purchased. The greatest compliment we have received from visiting cattlemen to the ranch is the consistency they see in our cow herd and through our bull pens. For years, we have bred for moderate framed, easy fleshing cattle with style and breed character.

We will be selling the bulls in catalogue order starting with our fall born bulls. The fall born bulls with their added age and good rig will cover more cows and hold up well through a breeding season. There are several herd bull candidates in this group of bulls. Next, we will be selling the yearling bulls starting with some sons of Bush Easy Decision 98. This bull has generated a lot of interest and excitement with his breed leading EPD profile and phenomenal first set of calves. They are outstanding and will be a factor in the 2016 sale season.

Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we strive to accomplish.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

PEAK DOT UNANIMOUS 1019B - LOT 1

Vision Unanimous 1418

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. His sons have been very well received, they are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody with a soft look. They are maturing into gorgeous cows. Unanimous has generated much excitement within the Angus breed and will continue to be a major contributor to the future of the beef cattle industry.

PEAK DOT PIONEER 9X

Pioneer 9X blends calving ease, outstanding performance, and breed leading EPDs with cow family strength that goes back generations. His progeny are very docile and display tremendous volume and fleshing ability. Pioneer 9X sons were among some of the top lots in our Spring bull sale and he has assembled an excellent set of sons again for this sale.

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous sons have been well received topping several sales around the country. They are a true testament to him displaying impressive three-dimensional pounds, mass and body on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will continue to be a major contributor to the future of the beef cattle industry.

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. Eliminator breeds true and his consistency is unparalleled.

Peak Dot Bold 204U, our top selling bull in 2010, selling to Hillcrest Enterprises. In that same sale his dam was the top selling female when a half interest sold for \$18,500 to Salt Creek Ranch, TX. He is a changer, injecting more width, muscle and extra performance into his calves. His easy fleshing bulls have a very impressive rate of gain and best of all they are very docile and come with added scrotal size.

BUSHS EASY DECISION 98

This sale will feature the first progeny from Easy Decision a big time performance bull that is rapidly becoming one of the most popular new bulls in the Angus breed. His first calf crop have exceeded all expectations and have proven him as a low birth weight sire that consistently breeds added pounds at weaning and structural soundness. Easy Decision is backed by four consecutive generations of Pathfinder dams. Easy Decision was the lead bull of the 2014 National Western Stock Show Champion pen of 3 bulls.

Tour of Duty is the kind of bull that catches your eye every time. His tremendous length of body and attractive phenotype are just two bonuses that go with his great performance profile. He was the \$55,000 record-selling bull at the 2012 Minnesota Bull Test Sale in Jackson, Minnesota. This quiet hoss has great feet and leg structure and is one of the top volume semen production sires at ORigen. The enhanced fertility trait helps when building a cowherd and is beneficial to keep up with his tremendous demand in semen sales around the country and the global market place.

Bulls and females sired by Tour of Duty and from the Lady cow family have broken test station and sale records. They also score really well on the genomic tests enabling him to maintain an elite spread EPD profile with strong growth and carcass weight advantages.
