

Peak Dot  *Ranch Ltd.*

Fall Bull Sale
Thursday, Dec. 7, 2017

At the Ranch, Wood Mountain, Saskatchewan

139 BULLS

Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2017 Fall Bull Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Fall Bull Sale. Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman.

The coming two year old bulls in this sale are developed and managed exclusively for this event. They come mainly from our later calving herds. They are never pushed and are grown out to be fertile and problem free. We will no longer be offering the fall born bulls as part of our spring bull sale, so if you want to buy Peak Dot bulls with added age this is the sale to get it done. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we want to produce.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early to view the cattle. Be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

Peak Dot Ranch Ltd.

INSURANCE:

An insurance representative will be present on Sale Day.

BULL WINTERING:

Peak Dot will winter bulls for \$2 a day. Bulls will be semen tested before delivery in spring.

Cull Bull Incentive Program

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. Why take a chance on bunch of open cows this fall when you can replace them with fresh strong new bulls. All you have to do is email us prior to the bull sale or bring a copy of your bill of sale from the auction market after selling your cull bulls and you will receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

No Doubt Bulls...

Hoover No Doubt *Peak Dot Reference Sire*

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 88-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his first calves appear to be good footed.

Highlights of No Doubt's 50K: WW 1, YW 2, SC 10, Doc 1, HP 10, CW 9, and RE 4.

No Doubt's donor dam J2 was the lead-off, \$20,000 top-selling open heifer in the Hoover 2011 auction selling to KDS Angus. She was one of the most beautiful females they have ever produced. Kevin Sweeney of KDS Angus reports that J2 is an extremely docile female that will meet you at the gate and is a leader when he moves cattle.

Easy Decision was the lead bull in the 2014 Champion Pen of bulls

Easy Decision a big time performance bull that is rapidly becoming one of the most popular new bulls in the Angus breed. His first two calf crops have exceeded all expectations and have proven him as a low birth weight sire that consistently breeds added pounds at weaning and structural soundness. Easy Decision is backed by four consecutive generations of Pathfinder dams. Easy Decision was the lead bull of the 2014 National Western Stock Show Champion pen of 3 bulls. Easy Decision first calf crop was the feature attraction of the 2016 Peak Dot bull sale with the top 5 sons averaging \$35,500.

PEAK DOT EASY DECISION 116D - LOT 15

PEAK DOT PHANTOM 402D - LOT 16

QLC PHANTOM W063

Sire of lot 16.

A bull we purchased from Quirk Land and Cattle in Hastings Nebraska and then later sold to Alta Genetics. He ranks in the top 1% for Weaning EPD and Yearling EPD. Out of a beautiful Powerstroke dam. Phantom breeds in performance along with great structure and eye appeal.

Wind Chill Bulls...

BUSHES WIND CHILL 982

Peak Dot Reference Sire

3 Sons Sell!

A bull we purchased from Bush Angus in Briton South Dakota and then later sold to Alta Genetics. He ranks in the top 1% for weaning EPD, yearling EPD, milk EPD and \$F EPD.

His progeny are loose frame, long and show an abundance of muscle. His dam is a beautiful looking Trooper daughter that has an average yearling ratio of 110 on 2 calves.

SAV Topsoil 4354 was a feature from the 2015 SAV sale. We purchased this bull with Alta Genetics. He combines all the power, sheer thickness and performance from SAV Harvester combined with the calving-ease, phenotype, and maternal strength of SAV Bismarck. His Bismarck dam is the second lowest birth EPD cow in the entire SAV herd. She is blessed with striking femininity, superb udder quality and abundant milk. Topsoil Pathfinder grandam is a full sister to SAV 004 Predominant 4438. Topsoil sired a high quality set of sons and daughters at Peak Dot including a top notch very consistent set of bulls for this sale event.

 2014 National Western Stock Show Reserve Champion Pen of bulls

Cash Flow was the lead bull from the 2014 NWSS Reserve Champion pen. He went on to become the high selling Barstow Cash son in the spring of 2014. We purchased this bull along with Semex for his extended length of body, wide pin setting and exceptional overall thickness. His ET dam is backed by a Pathfinder grandam. His first progeny are thick made cattle with muscle expression and volume throughout.

| 4M ELEMENT 405 | MILK +35 |
| SITZ UPWARD 307R | |
| 4M BLACKBIRD 2004 | |
| RIVERBEND BLACKBIRD 4301 | |

Element was the lot 1 top selling bull we purchased from 4M Angus in Blue Hill Nebraska. We later sold an interest to Semex Beef where he became a leading member of their sire roster.

Element combines calving-ease with added growth and muscle shape from a maternally superior cow family. Two daughters of Riverbend Blackbird 4302 are featured donors at 4M Angus, one of which is the dam of Element. Another daughter of Blackbird 4301 is a featured donor for Vintage Angus and Herbster Angus. She is the dam of VAR Reserve, VAR Generation, and VAR Frontier.

The first 100 Element progeny born have averaged 73lbs for females and 77lbs for male.

Element offers one of the largest EPD spreads from -0.8 BW to +82 WW and +138 YW.

He was mated to the majority of the heifers at Peak Dot in 2015 and in 2016. Element will comprise one of the largest sire groups being born at Peak Dot in 2017.

Elements first set of calving-ease sons are sure to be a highlight of this event.

SAV Radiance 0801 was the high selling SAV Brilliance 8077 son from the record breaking 2012 SAV Sale to Peak Dot Ranch. SAV Radiance has excelled at nearly every measure. He combines a herd improving EPD profile and impeccable pedigree with powerful phenotype - massive and deep with tons of muscle. His perfect uddered dam by Net Worth is a daughter of the # 1 milk EPD and high-income-producing cow in SAV history. Radiance has proven himself as a calving-ease sire and his sons come highly recommend for heifers.

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous sons have been well received topping several sales around the country. They are a true testament to him displaying impressive three-dimensional pounds, mass and body on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will continue to be a major contributor to the future of the beef cattle industry.

Peak Dot Universal was the top selling \$54,000 bull from the 2014 Spring Bull Sale. He is owned by Hillcrest Enterprises, Semex Beef and Peak Dot. Universal is a sire whose popularity continues to grow. He is one of the most consistent bulls we have ever used for breeding deep bodied cattle that always stay in good flesh. His sons are deep middled thick made calving ease bulls that should sire highly productive females.

 The dam of Prime

Prime is a powerfully built with tremendous length, volume and body depth, muscle and pounds. He offers a bit more bone and stands on a very sturdy frame. He was selected by Alta genetics from the 2015 Spring bull sale and added to their sire roster. His gorgeous dam has been a very consistent embryo producer resulting in high caliber progeny no matter who she has been mated to. She is one of the most influential cows at Peak Dot and along with several of her daughters will lead the way as we continue to stack our cowherd with fertility, longevity and maternal value.

Peak Dot Eliminator 723A was a feature in the 2014 spring sale selling to Hillcrest Enterprises. Eliminator 723A is rich in maternal heritage. His SAV Predominant dam served in the embryo program along with her full sister and dam. This cow family carries the ideal udder structure we strive to produce. Eliminator 723A is sure to be a udder improver and will add thickness and muscle density.

13 Sons Sell!

SAV Eliminator 9105

Sire of Peak Dot Eliminator 723A

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density.

DUCHESS OF PEAK DOT 75Y

The dam of Peak Dot Gladiator 43B

Gladiator 43B was a feature bull from the 2015 spring sale to Caragata Ranch. Gladiator 43B comes from a very good cow. He has extreme muscle shape and thickness. His muscles pop as he walks. Gladiator 43B sires cattle that are thick-topped, heavy muscled, and stout rumped.
