**Thursday, Dec. 4, 2014**

At the Ranch, Wood Mountain, Saskatchewan

**130 BULLS - 1 Bred Heifer**

# Welcome to Peak Dot Ranch...

## Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2014 Fall Sale.

On behalf of everyone at Peak Dot Ranch, we would like to invite you to join us Thursday, December 4th for our annual fall bull sale. It is always fun to share lunch and visit with old friends and new guests. You can learn something about breeding cattle from everyone and everything, even if it is what not to do.

The past few months have been very exciting in the cattle market. We have seen record highs on all classes of livestock and it is expected to last 4-5 years. It has been a long time coming for those who have stayed the course and persevered during the tough times.

We feel that this set of coming two year old bulls in this sale are the best to date we have ever presented. They are the kind that will keep you profitable in the cattle business for years to come. They come mostly from our later calving spring herds. Because of the time that it allows us to develop them, they are never pushed and are grown out to be fertile and strong and we present them in as natural a state as possible. With their added age they will cover a lot of cows and get them all bred. It may also be the best piece of business you can do by getting your bulls bought right now. In the spring everyone is bull shopping and with cattle market prices expect to rise even higher with many predicting a record breaking spring bull sale season in 2015.

For sale now on the ranch Peak Dot has packages of registered Angus bred cows for sale. This is a seldom offered chance to acquire some of the top-producing females from the heart of our program. Many young daughters of Predominant, Iron Mountain, Dynamite, Bold and Grasslands. These cows have been responsible for numerous top-selling bulls and females in our past sales. This is a perfect set of cows for anyone wanting to start a new Angus herd, or strengthen an existing one. They truly are only just one calf away or a few months away from paying for themselves. Cattle are available for viewing anytime. Contact Peak Dot Ranch for more information on this opportunity.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled. Along with our 2 dollar a day bull wintering program, free delivery within 500 miles and semen testing, we stand behind our bulls 100%. I was taught by my father long ago, "judge the owner first and the cattle second."

You can count on the cattle you purchase from this third generation family owned ranching operation. After 50 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,  
Clay and Carson Moneo

#### INSURANCE:

An insurance representative will be present on Sale Day.

#### BULL WINTERING:

Peak Dot will winter bulls for \$2 a day. Bulls will be semen tested before delivery in spring.

# Bred Heifer Donation...

## BRED HEIFER DONATION

The Saskatchewan Stock Growers Association is a non-profit organization established in 1913 to represent the cattle industry on the legislative front. The SSGA safeguards the interests of producers by working to defeat or amend proposals that would affect the cattle industry in Saskatchewan. These activities are carried out through SSGA representation on many stakeholder groups and committees.

The Saskatchewan Stock Growers Association is a province-wide, member-driven advocacy organization representing independent self-reliant cattle producers interests for 100 years. The SSGA advocates through education, communication, and research for an economically and environmentally sustainable cattle industry where cattlemen are free to do business within a free and open market place, free from industry limiting laws and regulation.

Here is a chance to support a worthy organization and to own a female from one of our most popular long established cow families. She is sired by Peak Dot Volt 950U and bred to our new herd sire Bush Easy Decision and is due to calve April 15, 2015. She will be the first animal in the sale ring at 1:00 p.m. and will start the Dec. 4th 2014 Peak Dot Ranch Bull Sale in Wood Mountain SK.

# Peak Dot Ranch Bulls...

## WHAT THE PEAK DOT PROGRAM CAN OFFER YOU...

*Canada's Largest Source of Angus Genetics*

- ✓ We have developed one of the largest embryo programs in Canada with an AI program that encompasses our entire cow herd. Over 1000 calves are registered annually. Peak Dot offers large groups of full brothers and 1/2 brothers sired by breed leading sires in our two annual sales.
- ✓ A large number of calving-ease bulls.
- ✓ All bulls semen tested and ready to go to work. Genomic enhanced EPDs on the top bulls.
- ✓ Free Delivery in a 500 mile radius to central points.
- ✓ Sight Unseen Purchase Plan. We would like you to attend the sale, but if you cannot, you can have Carson personally handle your purchase. Call him with your specification and discuss the offering, preferably a week before the sale. Carson gladly will assist you with your sale selections and represent you on sale day. We guarantee full satisfaction upon delivery or you don't own them.  
Carson Moneo (306)266-4414
- ✓ Service year round. We have a large number of bulls on hand year round. When a bull goes down in the middle of breeding season, we can have a replacement bull of equal quality ready for you on a days notice.
- ✓ Opportunities to utilize the Peak Dot Customer Marketing Services. Along with JGL and Hillcrest Enterprises we will assist you in getting top dollar for your calves when they enter the Peak Dot Advantage Program. Whether your calves enter the program or not we now assist all Peak Dot customers with getting carcass data back on their calves. Peak Dot Ranch is also very active in working with their customers in marketing options for replacement heifers and bred heifers.

PEAK DOT RANCH LTD.

## Peak Dot Advantage Program...

Peak Dot will assist you in getting top dollar for your calves. For every calf that enters the program Peak Dot will offer a \$5.00/head credit towards a bull in one of their upcoming bull sales. Phenotypic target is calves that are 100% Black Angus or black hided crossbred Angus. i.e. 75% Angus; 25% Simmental. Calves must be sired by 80% Peak Dot genetics. Accepted weight ranges will be 450 lbs. – 800 lbs. Heifers must not be implanted to qualify for the program. It is preferred that bulls be castrated at birth. If bulls are left intact, they must be castrated at least 60 days before sale and delivery. Dehorn calves minimum of 60 days prior to sale and delivery. Local calves in the 450lb. to 650lb. weight range will be sent to Hillcrest Enterprises Feedlot. A JGL representative will be available by phone at (306)692-4911 to discuss, market condition, trends and the current cash prices for your qualifying calves. Please identify yourselves and mention you are inquiring about the Peak Dot Advantage Program.

Producer selling options:

### Option 1:

JGL will offer fair market value of the day on top cut Angus calves. At the discretion of JGL, calves with obvious blemishes such as frozen ears will be provided with a discounted calf price plus premiums. All calves will be evaluated at delivery. Price is FOB Moose Jaw or designated feedlot. JGL will provide a \$3.00 per 100 lb. Premium for calves that have been double vaccinated 2-3 weeks prior to weaning and are accompanied at delivery with an affidavit signed by your veterinarian. For this premium to be paid, there must be a minimum tri-axel load of 58,000 – 60,000 lbs. same sex calves with a 100 difference in weight to receive premium. Load can exist of multiple owned calves. Price will be offered on a slide which is variable on markets and futures. Please refer to the following example of what a slide looks like. i.e. The price to the producer are as follows: 500lb #1 steers @ \$1.30/lbs. – 10 cent slide under 500 and 8 cent slide over 500. Here are 4 weights to understand how this applies:

477 actual weight, we pay;  $500 - 477 \times .10 (\text{or } .001) = 2.3$  adjustment more, producer gets \$1.323 x

477=\$631.07 per head

532 actual weight, we pay;  $500 - 532 = 32 \times .08 (.0008) = 2.56$  adjustment less, producer gets \$1.2744 x

532=\$677.98

461 actual weight = \$1.339 or 133.90/cwt

502 actual weight= \$1.2984 or 129.84/cwt

Fall Shrink is determined by the following scale:

0-24 miles 3.50%

25-35 miles 3.25%

36-45 miles 3.00%

46-60 miles 2.75%

61-75 miles 2.50%

76-90 miles 2.25%

91-100 miles 2.00%

101-125 miles 1.50%

126-150 miles 1.00%

151-175 miles .50%

176 miles plus 0%

Overnight stand 0% in our yard.

### Option 2:

Producers can take calves directly to JGL Moose Jaw and receive the CanFax average price from over a 3 week period. This option also allows you to enrol your cows for a small fee in the Feedlot Health Management program. You would be able to obtain individual calf data on gains, efficiency, and carcass data. This option also allows the producer to retain partial ownership or full ownership of their calves. JGL can assist you with your financing needs if you wish to retain ownership. Contact the JGL office for more information. (306) 692-4911

### Option 3:

If you believe in the competition of an auction, producers can take calves directly to an auction market and sell as one iron calves. JGL will be very aggressive in trying to obtain these calves but there is no guarantee they will be purchased for the program with this option.

## For Sale now at the Ranch...

## Packages of Bred Cows

Peak Dot Ranch has packages of registered Angus bred cows for sale. Every cow in the group was A.I. bred or naturally bred to our most popular sires.

This is a seldom offered chance to acquire some of the top-producing females from heart of our program. Many young daughters of Predominant, Iron Mountain, Dynamite, Bold and Grasslands. These cows have been responsible for numerous top-selling bulls and females in our past sales. This is a perfect set of cows for anyone wanting to start a new Angus herd, or strengthen an existing one. They truly are only just one calf away or a few months away from paying for themselves.

Contact Peak Dot Ranch for more information on this opportunity.

View a complete list of cow breeding and calving dates at:

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. His sons and daughters were the highlight of the recent April Peak Dot Ranch Bull and Female Sale and the top selling sire group. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. Eliminator breeds true and his consistency is unparalleled. The 2014 sale will again have an outstanding array of his progeny.

BW +2.7  
WW +79  
YW +149  
MILK +23

Unanimous first calf crop has earned him a phenomenal EPD profile ranking among the Angus breed's elite: 1% WW, 1% YW, 1% RADG, 20% SC, 3% \$W, 1% \$F and 2% \$B with a BR 17/101, WR 17/103 and YR 17/104. Unanimous's WW & YW EPDs are a testament to the impressive three-dimensional pounds, mass and body his progeny display on a moderate frame. His sons are solid on their feet and very stout built and gentle to handle while his daughter are extremely feminine and broody. His first progeny will highlight the 2014 Peak Dot Ranch Sale. Unanimous has generated much excitement within the Angus breed and will be a major contributor to the future of the beef cattle industry.

## SAV Radiance 0801

SAV Brilliance 8077 X SAV Net Worth 4200  
BW: -2.1 WW: +53 YW: +102 M: +34 BW: 72 205 WT: 973

### Calving-Ease Powerful Phenotype Cow family strength for generations

SAV Radiance 0801 was the high selling SAV Brilliance 8077 son from the record breaking 2012 SAV Sale to Peak Dot Ranch. SAV Radiance has excelled at nearly every measure. He combines a herd improving EPD profile and impeccable pedigree with powerful phenotype - massive and deep with tons of muscle. His perfect uddered dam by Net Worth is a daughter of the #1 milk EPD and high-income-producing cow in SAV history.

SAV MADAME PRIDE 8264	

SAV Iron Mountain 8066 without a doubt is the most consistent calving ease sire to have ever landed at Peak Dot Ranch. We purchased Iron Mountain for \$75,000 out of the 2009 SAV Sale. Later we welcomed Kiamichi Link Ranch aboard as interest and popularity in Iron Mountain grew. He went on to be the most widely used bull of his calf crop in the United States. Iron Mountain is a very correct made individual abounding with true thickness and exceptional phenotype. Iron Mountain stamps his calves (every one of them) with a defining stamp of eye catching style and thickness. Iron Mountain bulls come highly recommended for use on heifer projects or as total herd improvers. His first daughters have now gone into production at Peak Dot, they are good mothers with impeccable udder quality and abundant milk.

One of Iron Mountains greatest sons in terms of muscle density, thickness, volume and performance. He is one of the first sons of the popular S A V Iron Mountain 8066. His mother continues to do an excellent job for us. Peak Dot Iron Mountain 867X calves have lots of muscle definition through their lower quarters and an explosive growth pattern as they get closer to weaning. Owned by Hillcrest Enterprises.

**Peak Dot Dominator 42U**

Peak Dot Dominator 42U was selected by Packet Brothers as the \$20,000 top-selling yearling in the 2009 April Peak Dot Ranch Sale. He is phenotypically outstanding with worlds of volume, thickness and muscle. He is a very active, athletic, breeder and can cover a lot of cows in one season. He is noted for his consistency in siring a uniform set of calves. Dominator bulls are very quiet, level hipped and square rumped and will leave great replacements.

The dam of Peak Dot Bold 204U

Peak Dot Bold 204U, our top selling bull in 2010, selling to Hillcrest Enterprises. In that same sale his dam was the top selling female when a half interest sold for \$18,500 to Salt Creek Ranch, TX. He is a changer, injecting more width, muscle and extra performance into his calves. His easy fleshing bulls have a very impressive rate of gain and best of all they are very docile and come with added scrotal size.

## Peak Dot Proof 1066X

### Top selling bull from the April 2012 Sale...

Peak Dot Proof 1066X was the top selling \$68,000 lot in the 2012 Spring Sale to Hillcrest Enterprises. He comes with good feet and legs, powerful stifle and is loaded with thickness from front to back. He combines maternal strength, phenotype, pedigree and has the docile disposition of his sire SAV Pioneer 7301. He saw heavy service at Hillcrest, and was used in the AI program at Peak Dot.
