# Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2015 Fall Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Fall Bull Sale. Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman.

The coming two year old bulls in this sale are developed and managed exclusively for this event. They come mainly from our later calving herds. They are never pushed and are grown out to be fertile and problem free. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we want to produce.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

For sale right off the ranch we also have packages of registered bred cows and bred heifers for sale. They truly are just one calf or a few months away for paying for themselves. Cattle are available for viewing anytime. Please contact Peak Dot Ranch for more information on this opportunity.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,  
Clay and Carson Moneo

**FOR SALE**  
**NOW AT THE RANCH ...**

Peak Dot Ranch has packages of registered Angus bred cows and bred heifers for sale. Every cow in the group was A.I. bred or naturally bred to our most popular sires. This is a seldom offered chance to acquire some of the top-producing females from heart of our program. These cows have been responsible for numerous top-selling bulls and females in our past sales. The bred heifers offer our newest genetics available. This is a perfect set of cows for anyone wanting to start a new Angus herd, or strengthen an existing one. They truly are only just one calf away or a few months away from paying for themselves.

Contact Peak Dot Ranch for more information on this opportunity.
