**FALL BULL AND FEMALE SALE**

Thursday, Dec. 1, 2011

At the Ranch, Wood Mountain, Saskatchewan

*Selling 136 Bulls and 29 Females*

Featuring 100 progeny from the popular SAV Iron Mountain 8066

# Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2011 Fall Sale.

It is our pleasure to welcome and thank all of our customers past, present and future for your support and confidence in our program. It is gratifying for our family to have customers return year after year to purchase bulls or heifers from us. We strive to make our sale an event you won't want to miss.

Here at Peak Dot we are staying the course with the type of cattle we believe in- moderate framed, easy fleshing, high volume with emphasis on maternal traits. Uniformity also plays a key role here. We have developed one of the largest embryo programs in Canada which is built on identifying outstanding cow families within our herd. We have a very large AI program which encompasses our entire cow herd. You can buy bulls, females or embryos with confidence knowing that your purchase is backed by one of the strongest genetic female bases in Canada.

Again this year we are offering two of the newest females to enter the Peak Dot Embryo program. As well as 26 hand picked fancy SAV Iron Mountain 8066 heifers. Iron Mountain has turned into one of the most sought after young sires in the breed. His progeny have been the high selling sire group in our past sales as well as topping sales throughout America this year. The Iron Mountain yearling heifers were the definite highlight on the tour for all who visited this past year.

In an effort to meet the requests of our customers for sound, hard muscled breeding bulls, in this sale we are offering bulls that have been raised from birth to weaning without creep. From weaning through the winter these animals were fed a high roughage growing ration. During the summer they ran on grass pastures. From September 1st until the sale, these bulls are fed a high roughage ration in a large acreage to provide for plenty of exercise. These bulls will breed 30% to 40% more cows than yearling bulls and are developed by Peak Dot to be fertile and sound.

We would also like to invite you to the Peak Dot Ranch and Guests Bred Commercial Heifer Sale in Swift Current on December 7th. On offer will be an excellent group of 320 yearlings bred to Peak Dot calving ease bulls. These heifers are made up from some of our top customers who have a long running genetic Peak Dot influence in their commercial cow base. Buyers from the past are 100% satisfied with the quality of the females and the calving of the bulls. (See back of book for more details)

You can count on the cattle you purchase from this family owned third generation ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,  
Clay and Carson Moneo

**SAV MADAME PRIDE 3249**  
The dam of Iron Mountain

SAV Iron Mountain 8066 without a doubt is the most consistent calving ease sire to have ever landed at Peak Dot Ranch. We purchased Iron Mountain for \$75,000 out of the 2009 SAV Sale. Later we welcomed Kiamichi Link Ranch aboard as interest and popularity in Iron Mountain grew. He went on to be the most widely used bull of his calf crop in the United States. Iron Mountain is a very correct made individual abounding with true thickness and exceptional phenotype. Iron Mountain stamps his calves (every one of them) with a defining stamp of eye catching style and thickness. Iron Mountain bulls come highly recommended for use on heifer projects or as total herd improvers. Iron Mountain sired the top-selling sire group of bulls in the 2010 spring Peak Dot Ranch sale, including Peak Dot Mountain Top 940X and Peak Dot Mountain Man 933X.

**PEAK DOT MOUNTAIN MAN 933X**  
\$40,000 son owned by Wildcat Creek Ranch

**PEAK DOT MOUNTAIN TOP 940X**  
\$44,500 son owned by Gilchrist Farms, Johnson Livestock, Carolyn & Caryl Jensen, and Matt Harris

**SAV BLACKBIRD 5297**  
The dam of Pioneer

SAV Pioneer 7301 is the \$65,000 top-selling bull from the 2008 SAV sale. Pioneer earned a 205-day weight of 965lbs. for a weaning ratio of 117 and scanned a 365-day REA of 17.7 inches with a yearling scrotal of 42 cm. He was used mainly on heifers at Peak Dot Ranch with excellent results. You will find his bulls gentle natured with a friendly disposition. They come with a modest birth weight and then grow like crazy combining exceptional length, performance and balance.

SAV EMBLYNETTE 7319	

**SAV EMBLYNETTE 1182**

The dam of SAV 004 Predominant 4438

SAV Predominant 4438 is the powerful and popular sire whose progeny have been topping sales across North America. He was selected by Peak Dot Ranch as the featured lot 2 bull in the 2005 SAV Sale where he earned an IMF ratio of 119. With each passing year Predominant continues to grow in popularity.

Predominant sons are calving ease bulls appreciated for their added thickness, volume, dimension, feed efficiency and they display unusual masculinity and maturity at an early age. And now we know his daughters are equally as impressive as they are beautiful, broody females with extra depth, capacity and excellent udders. This sale will feature his influence and progeny from his greatest daughters.

A Son

**PEAK DOT DOMINATOR 42U**

Peak Dominator 42U was selected by Packet Brothers as the \$20,000 top-selling yearling in the 2009 April Peak Dot Ranch Sale. He is phenotypically outstanding with worlds of volume, thickness and muscle. His first sons sell in this sale.

A Son

SEMEX  
**Beef**

**PEAK DOT RESOLUTE 37W**

Resolute is the \$20000 high selling yearling bull from the April 2010 sale to Black Ridge Angus, Caragata Ranch and later leased to Semex Beef. Resolute is a high performance calving ease bull with a strong maternal heritage.

A Son

**PEAK DOT PREDOMINANT 82S**

Peak Dot Predominant 82S was one of the top selling bulls in the 2007 Peak Dot Ranch Sale. He is an attractive, long-bodied, smooth-patterned bull with a typical Predominant wide chest, thick full girth and deep hind quarter.

A Son

**PEAK DOT PREDOMINANT 92S**

Peak Dot Predominant 92S is a top performing son of SAV 004 Predominant 4438. An attractive herd sire with a wide back and low center of gravity. He earned an adjusted 205 day weight of 805 lbs and a weaning index of 106. His dam, Mia of Peak Dot 511K, is an elite dam who has a weaning index of 107 on her last three calves.

A Son

**PEAK DOT EASY KEEPER 902T**

Easy Keeper was the \$21000 high selling fall bull from the 2009 April sale to Hillcrest Enterprises. Definitely the low maintenance type, very deep and easy fleshing.

MILK +12

Dynamite is the popular unique Genex out cross, performance and carcass sire that has breeders from across the globe waiting in line to sample him. His first set of calves are very consistent with added length, thickness, muscle and pounds. We purchased Dynamite for his added performance, depth of body, doability and great scrotal development. He has an excellent disposition and is all black. Dynamite's dam is the herd bull producing Mohnen Jilt 910. She is solid black with an exceptional udder and long hip. Mohnen Jilt 910 is becoming recognized as the maternal oriented female to add carcass eliteness without a Precision or New Design pedigree. Dynamite's first set of daughters are now in production and are showing abundant milk with superb udder quality.

A Son

### PEAK DOT VOLT 950U

Volt was one of the top selling Dynamite sons from the 2009 April sale to Twin XX Ranch.

A Son

### PEAK DOT BOLD 204U

Bold is the \$35,000 lead off and top selling fall bull from the April 2010 Peak Dot sale to Hillcrest Enterprises. In that same sale his dam was the top selling female when a half interest sold for \$18,500 to Salt Creek Ranch, TX. He offers extreme thickness.

A Son

### PEAK DOT DYNAMIC 946U

Dynamic was the \$21,000 high selling yearling bull from the 2009 April sale to Hillcrest Enterprises.

A Son

### PEAK DOT KRYPTONITE 26U

Kryptonite was the lead off yearling bull from the 2009 April sale selling to Black Ridge Angus.

Encore was the high selling bull in Duff's 2008 Power Plus Bull Sale recording one of the top values of the 2008 spring sale season. He has been noted to possibly be one of the most impressive sons of the legendary bull "6807", to surface in recent times. His dam has produced many notable great herd sires. Encore and his progeny are moderate in frame, easy fleshing, and are a practical kind of cattle, with plenty of character and eye appeal. Encore is ultra complete and efficiently designed. He represents the return to more sensible, practical, production-oriented beef cattle.

Selected by Peak Dot as the \$21,000 top selling bull in the 2008 Short Grass Sale. Sandy Bar Grasslands 94T was one of the most talked about bulls of the 2008 bull sale season. He has an immense amount of natural thickness from his wide muzzle to his thick tail. Excellent conformation, big scrotal, extra muscle dimension are all phrases that describe Sandy Bar Grasslands 94T. His highly fertile dam Sandy Bar Jemina 22N entered the elite dams list with a weaning ratio of 114 on her first 3 calves. Grasslands was used mainly on our heifers the first year with zero assistance reported.

# Peak Dot Ranch Donors...

A special donor feature offered at the onset of her career. This stunning female comes from the largest and oldest running cow family at Peak Dot. Her amazing dam has 67 progeny recorded with the Canadian Angus Association. We have 18 full sisters and 15 maternal sisters at Peak Dot. Full brothers to lot 1 have topped many past sales including the \$18,750 Peak dot Predominant 701S and the \$14,000 Peak Dot Courage 970U. She has been flushed once in June producing 20 embryos all of which were implanted. She weaned an Iron Mountain Bull calf this fall and sells bred to SAV Eliminator 9105 July 14 and exposed to Peak Dot Resolute 37W from July. 20 to Aug. 30.

**MIA OF PEAK DOT 673Y - LOT 11**

The only bred yearling in the sale and a maternal sister to lots 10 and 11. This Encore 702 daughter offers up as much thickness, volume and fleshing ability as any female we have offered to date. She sells bred to our new herdsire SAV Bullet 0473 the heaviest weaning bull from the entire 2010 SAV calf crop.

Bred to SAV Bullet 0473 May 26 and exposed to SAV Bullet 0373 and SAV Bulletin 7904 from June 9 to Sept. 23.

**BARBARA OF PEAK DOT 79Y - LOT 21**

**BARBARA OF PEAK DOT 602U**

The dam of lot 21

An outstanding show and brood cow prospect from the Barbara family that would fit in anywhere. She is attractive fronted with lots of shape, substance and style that give Iron Mountain females a look of their own. Her dam entered the embryo program this year and we implanted all of her embryos.

**LADY OF PEAK DOT 133Y - LOT 22**

**LADY OF PEAK DOT 416U**

The dam of lot 22

An Iron Mountain heifer that is the mirror image of her mother. Destined to grow into a real brood cow. We flushed the dam of lot 22 and implanted all of her embryos. If you're looking to invest in a great female that will pay dividends down the road, lot 22 is a sure bet. Her full brother sells as lot 38 in this sale.

# Peak Dot Ranch Bulls...

**PEAK DOT IRON MOUNTAIN 455X - LOT 30**

**SAV IRON MOUNTAIN 8066**

**LIVING UP TO THE HYPE AND EXCEEDING ALL EXPECTATIONS...**  
 Every so many years a bull comes on to the Angus scene that makes an impact or changes the breed in some way. Iron Mountain was discovered at the SAV sale and in his first year was coined with the phrase "the hottest new bull in the breed". His predicted calving ease and exceptional phenotype made him go on to be one of the very top selling semen sires the last two years at Accelerated Genetics. His progeny have dominated the last two sales at Peak Dot and were among some of the very top lots in the Kiamichi Link sale. Now with his second set of calves on the ground with absolute zero assistance and his first daughters set to go into production at Peak Dot in March, the excitement and momentum continues to grow as Iron Mountain is living up to all the hype and exceeding all expectations.

**PEAK DOT IRON MOUNTAIN 654X - LOT 31**

**LOT 30** the lead off bull for the 2011 fall sale. A big long powerful bull with plenty of timber under him. His dam is sired by HF Young Gun 139J. A bull we purchased from Hamilton Farms known for leaving superb udders. We have purchased several bulls from the Hamilton's in past years and they have all left excellent females that turn into productive cows. The dam of lot 30 is no exception.

**LOT 31** Herdsire candidate. Here is one of our top picks. He has a modest birth weight and posted excellent performance every time he crossed the scale. A 205 day weaning weight of 847 lbs and a yearling weight of 1374 lbs- all this from a first calf heifer. Very thick with a nice neat head and smooth well laid in shoulders.

# Peak Dot Ranch Bulls...

Lot 41 is an easy keeping, easy going, docile son of Iron Mountain. His gorgeous dam is a model Angus cow with a nice udder that ranks in the top 5% of the breed for milk EPD. She has produced a daughter which has sold to Werner Angus and EBY Ranch. She produced two full brothers to lot 41 that sold in the April sale to Lorne Dunits for \$9000 and to Hillcrest Enterprises for \$16,000.

**PEAK DOT IRON MOUNTAIN 764X - LOT 41**

**LADY OF PEAK DOT 839S**

The dam of lot 41

A son of Iron Mountain that is a potential sale topper. He comes highly recommended. If you are a breeder looking for a popular pedigree bull that will sire a pen full of progeny that will be easy to market, here he is. This bull is flawless in his make up and if shown could stand with the very best. A low birth weight bull with explosive growth. He ranks in the top 9% of the breed for weaning weight and yearling weight EPD. His dam is a typical broody stout made Predominant daughter. His Grandam Barbara of Peak Dot 547K is a past embryo donor.

**PEAK DOT IRON MOUNTAIN 652X - LOT 42**

**BARBARA OF PEAK DOT 547K**

The grandam of lot 42.

# Peak Dot Ranch Bulls...

Lot 70 is a very moderate easy fleshing tank much like his sire. He is also very quiet much like his sire. His dam and his grandam both serve in the Peak Dot embryo program. In most sales when bulls built like this guy enter the ring the price shoots up.

**PEAK DOT EASY KEEPER 704X - LOT 70**

# Peak Dot Ranch Bulls...

*The heaviest weaning bull from the entire 2010 calf crop...*

Lot 77 takes top honors as being the heaviest weaning bull from the entire 2010 calf crop. He comes from the Mia cow family which is now being regarded by many as possibly the best cow family at Peak Dot. His dam's maternal sister Mia of Peak Dot 406R and his grandam 316J have both served in the embryo program.

# Peak Dot Ranch Bulls...

**PEAK DOT IRON MOUNTAIN 974X - LOT 81**

Five look alike full brothers by Iron Mountain offering calving ease performance and eye appeal. Their dam is a Predominant daughter noted for her well attached udder and productive looking front.

**PEAK DOT IRON MOUNTAIN 973X - LOT 82**

The past few years we have been identifying our top producing cow families and selecting the very best females to enter the donor program. We put in over 300 embryos a year. Almost all of the embryo transplant females are being put back into the herd. We are now starting to see large groups of 15 to 20 full sisters enter production. We are not only seeing an increase in performance but also in consistency.

# Peak Dot Ranch Bulls...

**PEAK DOT PREDOMINANT 809X - LOT 86**

Two flush brothers by Predominant that must be seen to appreciate. I anticipate by the December 1 sale date that they will be among some of the heaviest bulls in the sale. Their productive Basin Prime Cut 354K dam has produced bulls which have sold to Gloria Blades, Joe Miller and Scott McClain. She serves in the embryo program along with her daughter Lady of Peak Dot 603T.

**LADY OF PEAK DOT 534M**

The dam of lots 86 and 87 and heifer lots 18 and 19

# Peak Dot Ranch Bulls...

**PEAK DOT IRON MOUNTAIN 983X - LOT 88**

**Rachael Wheeler**

Rachael Wheeler from Peak Hill, NSW Australia was awarded with the Matthew George Young Stockman Award. Rachael spent a week at Peak Dot where she toured the herd and several other ranches Peak Dot is in partnership with. Rachael also helped with the flushing and implanting of fresh embryos, as well as pulling CIDR's and assisting with the AI program. She also attended a wiener roast and experienced 'smores' for the first time at Peak Dot.

# Peak Dot Ranch Bulls...

**PEAK DOT IRON MOUNTAIN 473X - LOT 110**

One of our top picks of the Iron Mountain bulls. Lot 110 carries extra rib and volume. A deep sided bull with a wide full chest and girth and massive hindquarter. He comes from the famous Annie K cow family developed at Double AA Angus by Bill Dillabaugh noted cattle breeder and family friend.

**PEAK DOT BOLD 204U**

The maternal brother to lot 111  
The top selling \$35,000 bull from the April 2010 sale to Hillcrest Enterprises

**QUEEN OF PEAK DOT 652S**

The dam of lot 111  
The top selling \$18,500 1/2 interest female from the April 2010 sale to Salt Creek Ranch, TX

*A maternal brother to the \$35,000 Peak Dot Bold 204U...*

**PEAK DOT ENCORE 855X - LOT 111**

Peak Dot Encore 855X is a bull that was featured in the April 2011 spring catalogue but due to a case of foot rot was pulled out of that sale. He is 100% healthy and ready to go to work. Peak Dot Encore 855X is the result of breeding one of the most functional, practical, production-oriented Angus bulls in the breed to the deepest sided, biggest volumed Predominant daughters we own. He is sure to improve efficiency, and increase performance in your herd with less input cost. His dam was the top selling cow in last year's sale to Salt Creek Ranch, TX when a 1/2 interest sold for \$18,500. In that same sale his maternal brother Peak Dot Bold 204U was the top selling bull for \$35,000 to Hillcrest Enterprises.

# Peak Dot Ranch Bulls...

**PEAK DOT DYNAMITE 519X - LOT 112**

Lot 112 and 113 are a pair of Mohnen Dynamite 1356 sons. Dynamite bulls have been very well received in past sales. They have earned a reputation for increasing weaning weights and adding a little more stretch to their calves.

**PEAK DOT DYNAMITE 103U**

# Peak Dot Ranch Bulls...

Lot 115 is the only Kryptonite son in the sale. His sire was the very first Dynamite son to sell in Canada to Black Ridge Angus. This bull will add pounds and substance to his calves at weaning. His sire matured into one of the most gorgeous Angus bulls around and this bull is so much like him that I would expect the same.

# Peak Dot Ranch Bulls...

**PEAK DOT IRON MOUNTAIN 664X - LOT 122**

Here is a bull that has worlds of shape and style and the look of a real breeding bull. His correct structure and good disposition have made him a real favorite.

**PEAK DOT MOUNTAIN MAN 933X**

The \$40,000 full brother of lot 123  
Owned by Wildcat Creek Ranch

*The full brother to the \$40,000 Peak Dot Mountain Man 933X...*

**PEAK DOT IRON MOUNTAIN 934X - LOT 123**

**LADY OF PEAK DOT 818S**

The dam of lot 123

Lot 123 is a stout rumped thick made attractive bull with a defining Iron Mountain stamp. His dam is one of our more moderate framed Predominant daughters. One I would consider to be very forage efficient. She holds EPDs in the top 5% for weaning weight and she is in the top 1% of the breed for milk. She produced a flush of Iron Mountain bulls that were among some of the high sellers in the April 2011 sale going to Wildcat Creek Ranch, Gary Blevins and Thomas Academy Farm. We have 3 full sisters to lot 121 that will calve in March. She also raised Peak Dot Grassland 40W the high selling Grasslands son from the April 2010 sale to Someday Ranch.

# Peak Dot Ranch Bulls...

Lot 124, like many bulls in this sale, is the result of breeding Iron Mountain to Predominant daughters. It was a match that worked very well and we will continue to use it. We flushed the dam of lot 123 this spring and were able to get all 8 of her embryos in.

# Peak Dot Ranch Bulls...

**PEAK DOT GRASSLANDS 68X - LOT 134**

Grassland bulls have become very popular among the commercial cattleman in our area. They have been some of the top selling lots in Peak Dot Ranch sales as well as the annual Short Grass bull sales. They are correct well made cattle that can survive under harsh conditions.

Sandy Bar Grasslands 94T sire of lots 134 and 135 displays himself for visitors from Argentina.

*A maternal brother to the \$35,000 Peak Dot Bold 204U...*

**PEAK DOT GRASSLANDS 44X - LOT 135**

**QUEEN OF PEAK DOT 652S**

The dam of lot 135  
The top selling \$18,500 1/2 interest female from the April 2010 sale to Salt Creek Ranch, TX

**PEAK DOT BOLD 204U**

The maternal brother to lot 135  
The top selling \$35,000 bull from the April 2010 sale to Hillcrest Enterprises

# Peak Dot Advantage Program...

Peak Dot will assist you in getting top dollar for your calves. For every calf that enters the program Peak Dot will offer a \$5.00/head credit towards a bull in one of their upcoming bull sales. Phenotypic target is calves that are 100% Black Angus or black hided crossbred Angus. i.e. 75% Angus; 25% Simmental. Calves must be sired by 80% Peak Dot genetics. Accepted weight ranges will be 450 lbs. – 800 lbs. Heifers must not be implanted to qualify for the program. It is preferred that bulls be castrated at birth. If bulls are left intact, they must be castrated at least 60 days before sale and delivery. Dehorn calves minimum of 60 days prior to sale and delivery. Local calves in the 450lb. to 650lb. weight range will be sent to Hillcrest Enterprises Feedlot. A JGL representative will be available by phone at (306)692-4911 to discuss, market condition, trends and the current cash prices for your qualifying calves. Please identify yourselves and mention you are inquiring about the Peak Dot Advantage Program.

## Producer selling options:

### Option 1:

JGL will offer fair market value of the day on top cut Angus calves. At the discretion of JGL, calves with obvious blemishes such as frozen ears will be provided with a discounted calf price plus premiums. All calves will be evaluated at delivery. Price is FOB Moose Jaw or designated feedlot. JGL will provide a \$3.00 per 100 lb. Premium for calves that have been double vaccinated 2-3 weeks prior to weaning and are accompanied at delivery with an affidavit signed by your veterinarian. For this premium to be paid, there must be a minimum tri-axel load of 58,000 – 60,000 lbs. same sex calves with a 100 difference in weight to receive premium. Load can exist of multiple owned calves. Price will be offered on a slide which is variable on markets and futures. Please refer to the following example of what a slide looks like. i.e. The price to the producer are as follows: 500lb #1 steers @ \$1.30/lb. – 10 cent slide under 500 and 8 cent slide over 500. Here are 4 weights to understand how this applies:

477 actual weight, we pay;  $500-477 \times .10(\text{or } .001) = 2.3$  adjustment more, producer gets  $\$1.323 \times 477 = \$631.07$  per head

532 actual weight, we pay;  $500-532 = 32 \times .08(.0008) = 2.56$  adjustment less, producer gets  $\$1.2744 \times 532 = \$677.98$

461 actual weight = \$1.339 or 133.90/cwt

502 actual weight= \$1.2984 or 129.84/cwt

Fall Shrink is determined by the following scale:

0-24 miles 3.50%

25-35 miles 3.25%

36-45 miles 3.00%

46-60 miles 2.75%

61-75 miles 2.50%

76-90 miles 2.25%

91-100 miles 2.00%

101-125 miles 1.50%

126-150 miles 1.00%

151-175 miles .50%

176 miles plus 0%

Overnight stand 0% in our yard.

### Option 2:

Producers can take calves directly to JGL Moose Jaw and receive the CanFax average price from over a 3 week period. This option also allows you to enrol your cows for a small fee in the Feedlot Health Management program. You would be able to obtain individual calf data on gains, efficiency, and carcass data. This option also allows the producer to retain partial ownership or full ownership of their calves. JGL can assist you with your financing needs if you wish to retain ownership. Contact the JGL office for more information. (306) 692-4911

### Option 3:

If you believe in the competition of an auction, producers can take calves directly to an auction market and sell as one iron calves. JGL will be very aggressive in trying to obtain these calves but there is no guarantee they will be purchased for the program with this option.
