202 BULLS - 128 HEIFERS

Lot 69 Peak Dot Eliminator 718A

Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2014 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull and Female Sale. We really would like to thank all the buyers and bidders from last falls Bull and Female Sale and all prior sales. Many of our repeat customers have become great friends over the years.

Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman. As you study the book you will find we put a lot of emphasis on maternal traits. We believe it all starts with the mother cows, or as my grandfather would say the factory. A number of the bulls and females in this sale are produced from our embryo program. We will once again be offering many full brothers, three quarter brothers, and half brothers. The easiest way to gain consistency in a herd is to buy bulls that are bred alike. Consistency can make the difference between a good calf crop and a great one.

The female offering is not only our largest to date, but I also believe it is hands down the very best that we have offered. Not many seed stock producers will put their top replacements up for sale. It is only due to our large embryo program that we can afford to allow our newest and freshest genetics to be sold. Also you have to pay for that large embryo program somehow. Heifers will enter the ring in evenly matched pairs with the winning bidder have the choice of picking one or sweeping the ring at that price. There is a great opportunity here to buy females that are bred alike, very consistent in kind and type.

For sale now right off the Ranch Peak Dot has 64 head of registered Angus heifers for sale by private treaty from our fall program. This is a seldom offered chance to acquire some of the top females from our program. Many daughters of SAV Eliminator 9105, SAV Bullet 0473, Peak Dot Dominator 42U, Peak Dot Pioneer 9X and Iron Mountain from the most popular cow families at Peak Dot. This is a perfect set of heifers for anyone wanting to start a new Angus herd, or strengthen an existing one. You can view a video and a supplement sheet on our website.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this third generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

WHAT THE PEAK DOT PROGRAM CAN OFFER YOU...

Canada's Largest Source of Angus Genetics

- ✓ We have developed one of the largest embryo programs in Canada with an AI program that encompasses our entire cow herd. Over 1000 calves are registered annually. Peak Dot offers large groups of full brothers and 1/2 brothers sired by breed leading sires in our two annual sales.
- ✓ A large number of calving-ease bulls.
- ✓ All bulls semen tested and ready to go to work. Genomic enhanced EPDs on the top bulls.
- ✓ Free Delivery in a 500 mile radius to central points.
- ✓ Sight Unseen Purchase Plan. We would like you to attend the sale, but if you cannot, you can have Carson personally handle your purchase. Call him with your specification and discuss the offering, preferably a week before the sale. Carson gladly will assist you with your sale selections and represent you on sale day. We guarantee full satisfaction upon delivery or you don't own them. Carson Moneo (306)266-4414
- ✓ Service year round. We have a large number of bulls on hand year round. When a bull goes down in the middle of breeding season, we can have a replacement bull of equal quality ready for you on a days notice.
- ✓ Opportunities to utilize the Peak Dot Customer Marketing Services. Along with JGL and Hillcrest Enterprises we will assist you in getting top dollar for your calves when they enter the Peak Dot Advantage Program. Whether your calves enter the program or not we now assist all Peak Dot customers with getting carcass data back on their calves. Peak Dot Ranch is also very active in working with their customers in marketing options for replacement heifers and bred heifers.

PEAK DOT IRON MOUNTAIN 52A - LOT 190

SAV IRON MOUNTAIN 8066

The sire of lot 190. SAV Iron Mountain ranks among the nine top sires for annual registrations in the Angus breed. He was the \$75,000 top-selling feature of the 2009 SAV Sale to Peak Dot Ranch, where is progeny shattered all previous Canadian sales records. His sons have met with demand in past sales and his daughters are proving to be outstanding cows with beautiful udder quality.

Peak Dot Advantage Program...

Peak Dot will assist you in getting top dollar on your calves or every calf that enters the program. Peak Dot will offer a \$500/head credit towards a bull in one of their upcoming bull sales. Phenotypic target is calves that are 100% Black Angus or black hided crossbred Angus i.e. 75% Angus 25% Simmental. Calves must be sired by 80% Peak Dot genetics. Accepted weight ranges will be 450 lbs - 800 lbs. Heifers must not be implanted to qualify for the program. It is preferred that bulls be castrated at birth. Bulls are left intact, they must be castrated at least 60 days before sale and delivery. Dehorn calves minimum 60 days prior to sale and delivery. Local calves in the 450lb to 650lb weight range will be sent to Hillcrest Enterprises. A JGL representative will be available by phone at (306)692-4911 to discuss, market condition, trends and the current cash prices or your qualifying calves. Please identify yourselves and mention you are inquiring about the Peak Dot Advantage Program.

Producer selling options:

Option 1

JGL will offer air market value on the day on top cut Angus calves. At the discretion of JGL, calves with obvious blemishes such as frozen ears will be provided with a discounted calf price plus premiums. All calves will be evaluated at delivery. Price is OB Moose Jaw or designated feedlot. JGL will provide a \$300 per 100 lb Premium on calves that have been double vaccinated 2-3 weeks prior to weaning and are accompanied at delivery with an affidavit signed by your veterinarian. This premium to be paid, there must be a minimum tri-axel load of 58,000 - 60,000 lbs same sex calves with a 100 difference in weight to receive premium. Load can exist on multiple owned calves. Price will be offered on a slide which is variable on markets and futures. Please refer to the following example of what a slide looks like. The price to the producer are as follows: 500lb #1 steers @ \$130/lbs - 10 cent slide under 500 and 8 cent slide over 500. Here are 4 weights to understand how this applies: 477 actual weight, we pay 500-477 x 10 (or 001) 23 adjustment more, producer gets \$1323 x 477 \$631.07 per head.

532 actual weight, we pay 500-532 32 x 08 (0008) 256 adjustment less, producer gets \$12744 x 532 \$677.98

461 actual weight \$1339 or 133.90/cwt

502 actual weight \$12984 or 129.84/cwt

all Shrink is determined by the following scale

0-24 miles 3.50%

25-35 miles 3.25%

36-45 miles 3.00%

46-60 miles 2.75%

61-75 miles 2.50%

76-90 miles 2.25%

91-100 miles 2.00%

101-125 miles 1.50%

126-150 miles 1.00%

151-175 miles 50%

176 miles plus 0%

Overnight stand 0% in our yard

Option 2

Producers can take calves directly to JGL Moose Jaw and receive the Canadian average price from over a 3 week period. This option also allows you to enrol your cows or a small fee in the feedlot Health Management program. You would be able to obtain individual calf data on gains, efficiency, and carcass data. This option also allows the producer to retain partial ownership or full ownership on their calves. JGL can assist you with your financing needs if you wish to retain ownership. Contact the JGL office or more information (306) 692-4911.

Option 3

If you believe in the competition or an auction, producers can take calves directly to an auction market and sell as one iron calves. JGL will be very aggressive in trying to obtain these calves but there is no guarantee they will be purchased or the program with this option.

FOR SALE NOW AT THE RANCH ...

Peak Dot Ranch has 64 head of registered Angus heifers for sale by private treaty from our fall program . This is a seldom offered chance to acquire some of the top females from our program. Many daughters of SAV Eliminator 9105, SAV Bullet 0473, Peak Dot Dominator 42U, Peak Dot Pioneer 9X and Iron Mountain from the most popular cow families at Peak Dot. This is a perfect set of heifers for anyone wanting to start a new Angus herd, or strengthen an existing one. Contact Peak Dot Ranch for more information on this opportunity.

View a video and complete list of the Private treaty heifers at:
