Spring Bull Sale

Wednesday, April 1, 2015

At the Ranch, Wood Mountain, Saskatchewan

236 BULLS

Lot 69 Peak Dot Gladiator 29B alongside his 10 year old dam

Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2015 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Our program, since its early beginnings, has always been committed to producing bulls for the commercial cowman. As you study the book you will find we put a lot of emphasis on maternal traits. We believe it all starts with the mother cows. With close to 1000 breeding cows we are very proud of the fact that we have kept them bred tight. By that I mean we have been able to assemble large groups of half sisters and in many cases full sisters resulting in a very uniform, closely bred herd.

The bull offering is not only our largest to date, but I also believe it is hands down the very best that we have offered. They are the kind that will keep you profitable in the cattle business for years to come. Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we want to produce.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,
Clay and Carson Moneo

PEAK DOT PREDOMINANT 1052A - LOT 1

SAV 004 PREDOMINANT 4438

"The cow-maker son of Traveler 004" Kelly Schaff

SAV 004 Predominant 4438 was selected by Peak Dot as the lot 2 bull in the 2005 SAV sale. Over the years Predominant has consistently sired cattle with volume, dimension and added thickness. His daughters are among some of the most impressive cows at Peak Dot. They are all beautiful, broody females with extra depth, and excellent udders. This sale will feature his influence and progeny from his greatest daughters.

PEAK DOT ELIMINATOR 1017A - LOT 5

SAV ELIMINATOR 9105

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. His sons and daughters were the highlights of the past Peak Dot Ranch Bull and Female Sales and the top selling sire group. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. Eliminator breeds true and his consistency is unparalleled. The 2015 sale will again have an outstanding array of his progeny.

TOP OF THE BREED EPDS...

>Recommended for cows
 >Herd bull and AI stud candidate. A May 25 calf with out of this world performance. He posted the highest weaning weight ever recorded at Peak Dot weighing 1056lbs at 205 days and a weaning ratio of 146. His EPDs for weaning weight and yearling weight are among the very best in the breed.
 >His young Iron Mountain dam has the look and she is just at the onset of her long productive career. His grandam is the most popular cow on the place and her influence can be seen throughout this sale catalogue. She is the grandmother of several lots selling and the mother of the lead off flush of 5 yearling bulls lots 104-108 and fall bull lot 8.

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. Eliminator breeds true and his consistency is unparalleled. The 2015 sale will again have an outstanding array of his progeny.

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous first calf crop has earned him a phenomenal EPD profile ranking among the Angus breed's elite: 1% WW, 1% YW, 1% RADG, 20% SC, 3% \$W, 1% \$F and 2% \$B with a BR 17/101, WR 17/103 and YR 17/104. Unanimous's WW & YW EPDs are a testament to the impressive three-dimensional pounds, mass and body his progeny display on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will be a major contributor to the future of the beef cattle industry.

SAV MADAME PRIDE 8264	

SAV Iron Mountain 8066 without a doubt is the most consistent calving ease sire to have ever landed at Peak Dot Ranch. We purchased Iron Mountain for \$75,000 out of the 2009 SAV Sale. Later we welcomed Kiamichi Link Ranch aboard as interest and popularity in Iron Mountain grew. He went on to be the most widely used bull of his calf crop in the United States. Iron Mountain is a very correct made individual abounding with true thickness and exceptional phenotype. Iron Mountain stamps his calves (every one of them) with a defining stamp of eye catching style and thickness. Iron Mountain bulls come highly recommended for use on heifer projects or as total herd improvers. His first daughters have now gone into production at Peak Dot, they are good mothers with impeccable udder quality and abundant milk.

Peak Dot Dominator 42U was selected by Packet Brothers as the \$20,000 top-selling yearling in the 2009 April Peak Dot Ranch Sale. He is phenotypically outstanding with worlds of volume, thickness and muscle. He is a very active, athletic, breeder and can cover a lot of cows in one season. He is noted for his consistency in siring a uniform set of calves. Dominator bulls are very quiet, level hipped and square rumped and will leave great replacements.

Peak Dot Bold 204U, our top selling bull in 2010, selling to Hillcrest Enterprises. In that same sale his dam was the top selling female when a half interest sold for \$18,500 to Salt Creek Ranch, TX. He is a changer, injecting more width, muscle and extra performance into his calves. His easy fleshing bulls have a very impressive rate of gain and best of all they are very docile and come with added scrotal size.
