PEAKE RANCHING

Welcome to our 2nd Annual Sale

Hello and welcome to our Second Annual Bull Sale. First of all thank you to everyone who helped in making our first sale a great success, its sure nice to see a plan come together. Thank you to all the bidders and buyers for the great support and please let us know how your bulls are working.

Our cattle are getting stronger every year and we feel you will be pleased with the depth of the bulls in this offering. Strong growth to weaning means dollars for the cow calf producer and we have been selecting sires that will pass this on while still producing a sound, functional female.

The bulls are on a limited barley test again at Cattleland Feedyards in Strathmore and are available for viewing at any time. Feel free to contact us if you have any questions.

The bulls will be at Homestead Coulee for viewing prior to the sale and we look forward to seeing you on sale day.

Here is to continued profitability in all beef sectors!

Welcome to the Peake Ranching and R&W Cattle Co. 2nd Annual Bull Sale

Peake Ranching and R & W Cattle Co. first Annual Sale presented a great set of functional Angus bulls. Well if you like those bulls you will be even more impressed with the offering this year.

The 2016 edition features sons from some of the industry's very top sires as well as proven sires from their own program. Functional, sound performance sires with calving ease and maternal values bred in.

Note the Peake Ranching and R & W Cattle Co.'s three year Bull Guarantee, a very unique and value added service the Peakes and Currys are providing their customers.

The dams of these bulls are moderate framed easy fleshing, efficient cows with maternal, performance and stayability, the traits that have made the Angus cow famous and especially work for the cattlemen in the short grass areas.

The Peakes and Currys represent generations of cattlemen with well over a century in the beef business and a dozen years plus in the purebred business, they plan on supplying bulls that will that will work well in the short grass prairie of eastern Alberta as well as anywhere quality Angus are appreciated.

If Stratton, Adrienne, Regan, Whitney, Michelle, Martina, Steve, any of the sale staff, Linda or myself can be of assistance in anyway regarding this sale please feel free to contact us.

Yours truly
Doug Henderson

★ **PEAKE RANCHING INC. & R&W CATTLE CO.** ★ **3 YEAR BULL GUARANTEE**

All bulls offered for sale by Peake Ranching Inc. and R&W Cattle Co. are fertile and sound of hoof!

We have always strived for the highest customer satisfaction possible and, as a mark of our stringent selection process, we are proud to guarantee our bulls with respect to breeding soundness, good temperament, and sound feet.

Accordingly, each bull which sells for \$3,500.00 or more comes with a three (3) year guarantee starting the first day of turnout, which depreciates by 33% for each year the bull is in use. Our refunds are issued in the form of credit for upcoming sales or satisfactory replacement, if available. Sale credit is calculated as purchase price minus salvage value up to an \$8500 sale price, and must be used in the following calendar year.

Our bulls selling for \$3500.00 and over will be guaranteed against injury that renders them incapable of breeding. This Guarantee only applies to the original Purchaser and shall not apply to any bull that has not been maintained by the original purchaser at all times using good animal husbandry and management practices.

We will not guarantee against injuries or inability to breed arising out of the following causes:

1. Injury or loss caused by vehicles or equipment;
2. Injury or loss caused by act of God;
3. Injury or loss caused by failure to maintain good animal husbandry;
4. Injury or loss caused by predation;
5. Injury or loss caused from disease, feed intake, or poisoning.

To resolve a claim, the Purchaser must submit a claim to Peake Ranching Inc. and/or R&W Cattle Co. within fourteen (14) days of discovery of the injury or loss, which claim must be accompanied by a licensed veterinarian's verification of the injury or loss. Peake Ranching Inc. and/or R&W Cattle Co. reserves the right to semen check or verify the injury or loss claimed.

KOOTER KAISER

kooterkaiser@yahoo.ca

Morand Industries, Tru Test, Speedrite and Cobett produce top quality products that we use on our place. I am proud to offer them to you. Each one is eligible for funding under Growing Forward2 programs. With funding levels from **50%to 75%** I have found I'm left with no excuse not to get the best. Please contact me if you have any questions about funding, whether GF2 or many counties' grants. I have experience that can help you get approved and get it done fast with minimal fuss. I also carry Riverside Welding Feeders. If you have an animal that can bend or break, it it will be replaced free. I hope to see you sale day. I'll be bringing along a selection of equipment and one lucky bull buyer will **win a feeder**.

*Thank You
for your interest in our programs*

*Please bring this catalog
with you to the Sale*

Terms & Conditions

TERMS OF SALE: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in case of disputes, the auctioneer's decision will be final. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

BREEDING GUARANTEE: All purebred cattle are sound and right and sell with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association, shall apply. The consignors will not, however, provide replacement or adjustment for physical injury or mismanagement. We therefore stress the importance of insurance on bulls. At no time shall the seller's liability exceed the purchase price of any animal.

CATTLE INSPECTION: All carry identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to the sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected from the auction stand at sale time and will take precedence over the printed matter in the catalogue.

SIGHT UNSEEN BIDS: May be entrusted in complete confidence to any of the consignors, sale staff listed or to Douglas J. Henderson & Associates Ltd.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerks desk from representatives on Sale Day, also from the Sales Management.

ALL PERSONS who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
