## **WELCOME TO THE PURE COUNTRY BULL SALE**

Welcome to the 7th Annual Pure Country Bull Sale.

For those of you who have endured and stayed with the cattle business for the past 7 years, we applaud you. It has not always been easy with BSE, drought and flood, but your endurance and perseverance are about to be paid off. The Canadian and US cow herds are at historical low numbers. Calf prices are approaching or surpassing record highs. Cull cow and bull prices are strong and expected to stay that way.

We hope you can join us in Melita on March 29, but if not, give us a call, our sight unseen program guarantees to select a bull of your choosing in your price range.

The bulls on offer are a very strong set. They have all had Breeding Soundness Exams and been thoroughly culled so as to offer you only the cream of the crop.

You can view the catalogue online at [www.vvvvbranch.com](http://www.vvvvbranch.com) or [www.rosstaylorauctions.com](http://www.rosstaylorauctions.com)

We would like to extend a thank you to all our past customers and look forward to meeting new people on sale day. Congratulations to Allan Wintle and Tom Stewart on winning credits for the 2011 Bull Sale at our Appreciation Day.

Feel free to call any of the consignors or sale staff with any questions. See you March 29th in Melita.

### EXPLANATION OF TERMS

We scored our cows udders and feet at time of calving with 1 being the poor end of the scale and 5 being the best.

### CALVING EASE

The calving ease of the bulls is done with a star system; the more stars the better calving ease. 4 and 5 star bulls are considered to be suitable for heifers; 3 for well grown heifers or cows; below 3 should only be used on cows.

29X's date of birth caused a little confusion, and hence the name, but well worth the DNA costs to determine his rightful sire. He possesses top notch EPD numbers; industry greats on both sides of his pedigree, strong maternal, calving ease and performance traits all in an extremely smooth, balanced, free moving, eye-appealing package.

33X is out of a thick, deep bodied, big ribbed, Northline Brick daughter purchased from the Dekeyzers. Just like his sire, 33X offers a unique combination of calving ease and performance; 86 pounds at birth with a below average birth weight EPD while posting an impressive adjusted weaning weight and well above average performance EPD's. 33X is smooth made, moderate, and very complete.

30X offers a bit more scale, being out of a larger framed cow, for producers looking to keep or add some additional performance. He'll sire growthy calves with ample thickness; the type that continues to be highest in demand with today's cattle feeders. His sire is an extremely sound footed bull that consistently stamps his progeny with quality. 30X is a clean made, deep sided, performance oriented herd sire prospect with a great hair coat.

This bulls dam is a tremendous uddered cow and very angular. His grandsire Ayougol of Craigie Measured a 16 inch rib eye back in 1964. Ayougol of Craigie was purchased by Dusty at three days of age from Kansas city. He was the foundation bull of the Dusty Dale Herd. Note that Tugboat 859U also stems back to Ayougol Craigie. Now I'd say that "The Proof Is In the Pudding".

This bull has strong maternal genetics. His mother is from the Lady Ruth cow family which originated with a heifer purchased from Geis Angus in Northern Alberta, who went on to become an Elite dam with the Canadian Angus Association. The maternal grand sire is Pinebank Waigroup 41'97, a New Zealand bull who leaves moderate framed, excellent structured, good footed cattle.

*\*means repeat or multiple buyer*

**BREEDING GUARANTEE:** All cattle are sound and right, and sell with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute, the regular terms and conditions of the Canadian Angus Association shall apply.

**PURE COUNTY BULL WARRANTY:** Pure County sale group guarantees to sell you a bull that is structurally sound and has passed a breeding soundness evaluation by a licensed veterinarian. Should any Pure Country bull fail to be a satisfactory breeder – unable to physically service a cow or heifer – he will be replaced with a bull of equal value. Should this not be possible, an adjustment will be made to reflect the value of the bull in question, or a credit will be given towards the purchase of another bull.

**WE GUARANTEE TO PROVIDE YOU A SOUND, BREEDING BULL.**

We, however, will not provide replacement or adjustment for physical injury or mismanagement. With this in mind, we stress the importance of insurance on your bull. Should you have a problem with your bull, notify us right away and we will make sure you are satisfied with your Pure Country bull.

**TERMS:** The terms of the sale are cash or cheque payable in Canadian funds; U.S. Funds will be accepted at current rate of exchange at sale location. The right of property shall not pass until after settlement is made. All settlement must be made with the clerks of the sale before any cattle will be released.

**RISK:** All animals are at the purchaser’s risk as soon as the Auctioneer’s hammer falls. Insurance will be available on sale day. We encourage you to insure your purchase prior to the animal returning to your farm. All persons who attend the sale do so at their own risk. The owners and sale staff assume no liability, legal or otherwise for property loss or any accidents that may occur.

**DISPUTES:** In case of disputes, the bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer’s decision will be final.

**INTEREST:** The Pure Country Consignors reserve the right to retain an interest in any of the animals selling. The consignors reserve the right to collect 100 doses of semen on any bull in this sale at their expense and the buyer’s convenience. The semen is for in herd use only.

**PHONE OR MAIL BIDS:** If you are unable to attend sale day, you can entrust your bid in confidence with the Sale Staff or the Consignors.

**ANNOUNCEMENTS:** Changes of information of any kind in this catalogue will be announced from the auction block and such announcements will take precedence.

**CATTLE INSPECTION:** All bulls carry permanent Canadian Cattle Identification Tags as well as tags corresponding to Sale Lot Numbers.
