

Rainbow Hills Ranch

12th Annual Production Sale Power & Performance Black Angus Bull & Female Sale

**Thursday April 6th, 2017
1:00 pm
At Rainbow Hills Ranch
Delburne, AB**

Welcome

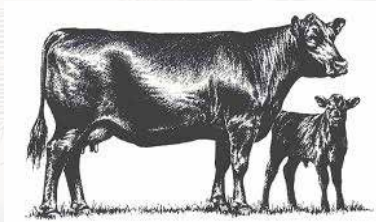

Welcome to the 2017 Rainbow Hills Ranch production sale. We appreciate your continued support of our program and without you we would not be able to do the job that we take pride in, breeding superior Angus seed stock.

For those not familiar with our operation, we are a fourth generation ranch that has been raising Angus seed stock for 55 years. We have always selected cattle with traits favorable to the commercial cattleman with growth, calving ease, longevity and structural conformation in mind. We manage our cow herd without a lot of pampering. I believe that the cows need to work for us and we do not work for them. Our calves never see creep feed and this helps to get the total picture of a cows performance and value in the herd.

Again this year you will find a good selection of bulls. We are also offering forty one open yearling heifers with the top picks right off the top of my replacement pen. You will find that we have a very uniform set of bulls that will go out and work well for you for many years to come. The bulls have been selected for performance and conformation. We feel that we have selected cattle that will put added value in your calf crop. The females are fancy, productive females that are ready to go work in your herds. Not often do you get the opportunity to access the top of our female pen, but those who have, know the job they can do. You will appreciate the many years of production and profitability they can bring to your herd.

We hope to see you all on April 6th. Please come early and join us for lunch and some good Angus fellowship. If you have any questions about the sale offering feel free to contact us or any of the sale staff. The coffee is always on, so stop by and have a look. We would be happy to show you around and offer you any assistance we can. The cattle will be sold by video in our heated sale building so please come early and inspect the cattle prior to sale time. The cattle videos will be available for your viewing at www.rainbowhillsranch.com early March. The sale will be online at www.dlms.ca for those unable to attend in person.

Thank you to all past buyers for your continued support in our breeding program. We look forward to seeing you and look forward to meeting new ones.

Thursday April 6, 2017

Sale starts at 1:00 P.M.

Held at the Rainbow Hills Ranch

COMPLEMENTARY LUNCH 11:30 A.M.

The Beck Family have been breeding Angus seed stock for four generations, their Angus have to be functional, fertile and profitable, they have to be able to travel, so feet and legs are most important, throw in gainability, longevity and good udders and you have the Rainbow Hills program.

April 6th, will present the opportunity to insert this positive influence into your herd. The cattle selected from this sale have worked extremely well in the herds they have gone into.

Real cattle bred by real cattlemen, sold to real cattlemen in the real world.

I am proud to be associated with the Becks and their program. If I can assist you in any way please feel free to call. If you can't make the sale, I am available to describe the cattle, assist in selections and buy on order if required. Hope to see you at the sale, enjoy the hospitality, study the offering and make a great investment in top quality Angus seed stock.

Yours truly,

Doug J Henderson

Lots 1 - 45 Yearling Bulls

Lots 46 - 47 Two Year Old Bulls

Lots 48 - 69 Yearling Heifers

Lots 70 -87 Group Heifers

To view cattle online prior to sale go to
www.rainbowhillsranch.com or www.dlms.ca.
Video will be available two weeks before the sale.

Livestock Insurance

An insurance representative will be present on sale day.

Keep & Feed Program

We will keep and feed your purchases until May 1st, 2017 at no cost as long as you insure your purchase. After May 1st 2017 there will be a 2.00 Dollar/day charge to the purchaser.

Trucking & Delivery

Free delivery to central areas, US Exchange rate given sale day.

Terms & Conditions

Cattle will be sold under the terms and conditions of the Canadian Angus Association. Full settlement needs to be arranged before release and transfer.

Sight Unseen Purchases

We would like you to attend the sale, but if you are unable to Warren or any of the sales staff would be glad to assist you. We are not satisfied unless you are. There will be a cellular booster on site sale day, but if you need assistance please inquire prior to sale.

Herd Management & Health

We make a special effort to manage our cattle so they will perform to the maximum for you. We do not creep feed our calves as we feel that using weaning weights is a tool to indicate a cows performance. Our calves are weaned in late October and fed a high ruffage diet, you will find that our cattle are not carrying the flesh common to some purebred herds, these cattle will respond quick to grass and will last longer for you. Our cattle are all vaccinated in June with 8-way and cattle master 5 and then this is repeated again in October with an application of Ivermec. Our cows survive under normal conditions without a lot of pampering.

Breeding Guarantee

We stand behind our cattle and if you get a bull or a female that will not breed please let us know in a reasonable fashion and we will look after you. We will not be responsible for physical mismanagement, and not provide more than the original sale price.

Can't make it to the sale? Watch & Bid Online.

Thunder is out of the great herd sire Connealy Thunder. What a set of bulls he has left us. His females are outstanding as well which we have retained in the replacement pen. Thunder's calves are small at birth and grow fast once on the ground. They have lots of hair, excellent temperament and his calves all have lots of eye appeal to them.

Peak Dot Iron Mountain 937X is a huge girthed bull with all his pounds in his rear quarter. He has excellent feet and legs moves out extremely well. He is a bull with exceptional phenotype with thickness, big rump and body volume. We are very happy with the job he is doing here at Rainbow Hills Ranch. His full brother Peak Dot Mountain Top 940X was the top selling bull at \$44,500 in 2011 Peak Dot spring bull sale. His dam Duchess of Peak Dot 556R is a donor cow at Peak Dot that needs no introduction. She is a above average producing kind of cow.

Here is an amazing daughter of the Six Mile Thunder Struck 162Y. A heifer that is about as thick and feminine as they come, she is out of a great young Tiptop cow that is on the path to success. Her mother 7N has had 15 calves and has achieved elite status. Here is your opportunity, I don't let too many like this go.
