THE RIGHT CHOICE

RANCHER'S CHOICE

The first thing you will notice is we have moved the sale back a month to April 22 at 2 pm. After hitting 3 blizzards in a row in March we hope April will give us better weather.

35 years ago when I went to the U of S the first lesson in economics 101 was supply and demand. If there is less supply of a commodity the demand is greater and the price goes up. The more the supply the less the demand and the price softens. This certainly applies to the cattle business today. The cow numbers are way down so the demand for the tight supply of feeder cattle and cull cows and bulls is giving us ranchers some great prices. My neighbor sold his 800 lb. steer calves in mid Feb. and netted close to \$1200(needless to say we had a few drinks after the sale). Further good news is unlike the pigs and chickens we can't increase our cow numbers over night so it looks like these good prices are here for a while.

Bill Dillabaugh went through the bulls. He told me they may be the best set of bulls we have raised. I know they are as a consistent set as we have ever offered. They are athletic, strong bulls that will put extra pounds on your calves.

Angus cattle and grain farming have been very good to me. I can't think of a better environment to raise a family. Son Ryan and nephew Lindsay continue to take on bigger roles on the farm. My three girls are all married to successful men in the oil business. Susan's daughter Taylor is in 2nd year college on her way to a nursing degree. With 11 grandkids our life is never dull!!!

Ranchers Choice sired calves continue to top calf and yearling prices through-out Alberta and Saskatchewan. April 22 is your chance to get Ranchers Choice influence in your herd. See you in Medicine Hat!!

RANCHER'S CHOICE

CARING FOR YEARLING BULLS

There are so many theories on how cattle should perform, some sound, some not so sound. The Holstein cow is very efficient in converting feed into milk and this may be done by the Holstein in a controlled environment. This enables the dairyman to produce a very inexpensive product.

The consumer is demanding lean, tasty, tender beef at an inexpensive price. How do we produce this? That is the question! Tender meat comes from young animals. So we have to have fast growing animals that can grade and weigh 1,250 to 1,350 pounds at 13 to 14 months of age.

The bulls that sire carcasses like this need to have explosive growth and fleshing abilities. They also have high metabolism so they may utilize and convert feed when exposed to it. As a result these young bulls are still growing fast at 13 to 14 months old when they are turned out to breed. They cannot get enough feed to maintain their growth and muscle mass and breed cows at the same time. Something has to give. These young bulls will not stop breeding, and likely their skeleton growth will not stop. It then means something else needs to give. The result is quite often a rapid drop in condition of the yearling bull.

A slower growing bull can maintain himself better, but his offspring will not convert feed well and they will reach market at a later date, possibly adding a little to the toughness of the meat. There can be a fine line in these genetics and we must guard against hard doing animals. However, after breeding season the majority of these good young bulls should be put on good feed and are then able to convert feed and rapidly regain their body mass. If they can do this it is an indication that they are easy doing cattle.

When the breeding season is completed these good yearling bulls that have good feed conversion and growth rates must be exposed to feed that compliments their rapid rate of gain to get their body mass in acceptable condition for winter.

This is why these young bulls should not have to compete at the feed bunk with older herd bulls. If you feed all the bulls with enough energy and protein for these young bulls, then the old bulls may become too fat by spring, particularly if the older bulls are easy converters. As a two-year-old the growth curve has leveled out and the bull is more able to look after his body needs.

The best feed for yearling bulls is a high quality hay and 1.5 per cent of his body weight for a balanced grain or pellet ration. That is a 1,450 pound bull needs to be exposed to free choice, high quality hay and approximately 15 to 20 pounds of a balanced ration.

A young bull looked after in his first year could possibly give one or two more years as a breeding bull and that would make those few extra dollars to feed him properly look pretty cheap.

William Dillabaugh

RANCHER'S CHOICE Financing Plan

- For Canadian buyers only •
- For bulls selling at \$2,500 and over •

The Rancher's Choice Group offers a special financing plan for buyers at the spring 2013 sale. A down payment of 60 percent is necessary at the time of purchase, with balance due on November 30, of current year. This finance plan is only available on bulls selling at \$2,500 and over (Example: 60% of \$2,500 equals \$1,500 down payment with balance of \$1,000 due November 30, 2013). Interest is waived until November 30 of current year as well. For more detailed information please contact Kim Robertson.

N. B. - A post-dated cheque is required on sale day for remaining balance.

Below is a sample of purchase agreement

**RANCHER'S CHOICE
FINANCING PLAN**

This agreement, made in triplicate, _____ this the _____ day of _____ A.D., _____ by and between **RANCHER'S CHOICE BULL SALE**, Reg. No. 178516, herein called the "Seller", and _____ of _____ hereinafter called the "Purchaser", it is mutually agreed upon between the parties as follows:

- 1.) The "Purchaser" agrees to pay 60% of the purchase price of animals bought at the **RANCHER'S CHOICE BULL SALE** on _____ day of _____ A.D., _____
- 2.) The "Purchaser" agrees to pay the remaining 40% of the purchase price on or before the _____ day of _____ A.D., _____
- 3.) The "Seller" agrees that no interest will be charged on the remaining 40% of purchase price until the _____ day of _____ A.D., _____
- 4.) The "Purchaser" agrees that 24% (2% per month) interest will be paid to the "Seller" on all outstanding money owed after the _____ day of _____ A.D., _____
- 5.) The "Purchaser" agrees that the animals with tattoo number's _____ have been purchased from the "Seller", and that these animals will be used as collateral for the purposes of this agreement.

THANK YOU

Honesty is very prominent in our industry. Where a man's word is still good. Since the implementation of our credit plan at Medicine Hat, to help our customers, payment has been 100%.

We thought we would share this with our customers. Hats off!

- Rancher's Choice

DOUBLE ANGUS

Hello Everyone,

A year has passed, and it seems like yesterday I wrote for Kim's 2012 sale catalog. I am enjoying semi-retirement. Don, Lloyd, Reish and I farm 1000 acres and look after Kim's cows in the summer as he uses our pastures.

I want to thank Kim Robertson and Matt Fleury for letting me be a small part of their operations. I have ten cows at Matt's and ten cows at Kim's. They let me help with their sales and also some input on their herd bull selection. (This input is also sometimes monetary). But, oh do I have an interest in some great herd bulls.

The above allows me to do what I enjoy most. A cold day in February, Kim phoned to say "your heifer just calved". This cattle business gets easier as one gets older.

Kim again has a great set of bulls. All his herd bulls are represented with some great calves in the sale. This speaks well of the great cowherd and cow families at Saskalta.

Kim runs his cattle more like the commercial ranch than any purebred operation I know of. He does not creep feed his calves so the weaning weights are clearly on how the mother milks and the great genetics he has.

There are some straight Canadian bulls in the sale, people interested in these cattle should have a look. A ranch needing a number of bulls can find them at this sale priced reasonable.

If you are in the cattle business, this is a must attend sale.

Bill Dillabaugh

**THE RIGHT CHOICE****RC**

RANCHER'S CHOICE SALE

2013

TERMS AND CONDITIONS

CATTLE INSPECTION - All sale cattle will carry identity tags corresponding to sale lot and/or tag numbers shown in the catalogue, and will be available for inspection at sale facility commencing the day before the sale.

ALL CATTLE SELL - Every animal entering the sales ring will be sold to the highest bidder, subject to such health tests as may be required under regulations of Agriculture Canada.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the auction block at sale time, and such corrections shall take precedence over the printed matter in this catalogue.

BREEDING GUARANTEE - All cattle are sold as sound and right and sell with a responsible breeders guarantee of satisfaction. In the unlikely event of a dispute, the regular Breeder's Guarantee, standard with the Canadian Angus Association, shall apply.

DNA TESTING - The Canadian Angus Association now requires that any sire of a calf to be registered with the CAA must be DNA tested. Rancher's Choice sale bulls have not been DNA tested. Therefore, it is the buyer's responsibility to make certain that any bull used on registered females, from which the offspring are to be registered, is DNA tested before going into service.

DELIVERY - Bulls will be delivered to central points within a three hundred mile radius on a \$2,500.00 purchase or more. We are again asking our customers to please bring their trailers and help us. It's not that we will not deliver but it's physically impossible to get these bulls out in the short time frame we have to work with.

SEMEN - Rancher's Choice reserves the right to collect 100 units of semen at Rancher's Choice expense and buyers convenience (including A.I. certificates) on any bull in the sale. Such semen for within herd use only.

MAIL BIDS - Orders for the purchase of sale cattle may be entrusted in complete confidence to any of the sale staff.

RISK - Ownership risk to the purchaser commences when the auctioneer's hammer falls. Insurance is recommended. Hartford Insurance will be applied for delivery purposes.

BULL WARRANTY - We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

TERMS OF SALE - Terms are cash or cheque. No sale entries will be released until satisfactory settlement has been made. Animals for export may not be released unless payment has been received prior to departure. Registration papers will be supplied upon completion of sale transaction, including payment in full.

ACCIDENTS - ALTHOUGH ALL REASONABLE PRECAUTIONS WILL BE TAKEN TO PROTECT SAFETY AND COMFORT OF PEOPLE ATTENDING THE SALE, ALL PERSONS ATTENDING THE SALE DO SO AT THEIR OWN RISK, AND THE OWNERS, MANAGEMENT AND SALES STAFF ASSUME NO LIABILITY, LEGAL OR OTHERWISE, FOR PERSONAL OR PROPERTY LOSS OR LOSSES FROM ANY ACCIDENT OR OTHER OCCURRENCE WHICH MAY OCCUR.
