RANCHER'S CHOICE FINANCING PLAN

- For Canadian buyers only •
- For bulls selling at \$2,500 and over •

The Rancher's Choice Group offers a special financing plan for buyers at the spring 2014 sale.

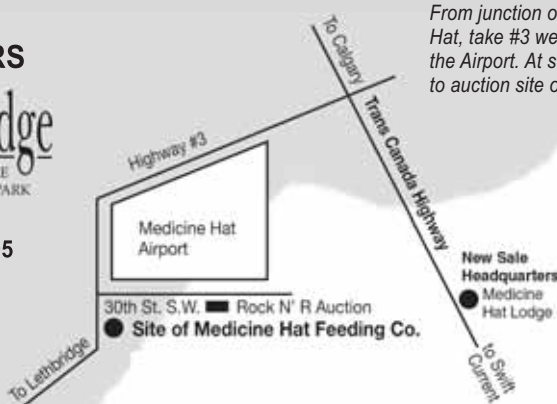

A down payment of 60 percent is necessary at the time of purchase, with balance due on November 30, of current year. This finance plan is only available on bulls selling at \$2,500 and over (Example: 60% of \$2,500 equals \$1,500 down payment with balance of \$1,000 due November 30, 2013). Interest is waived until November 30 of current year as well. For more detailed information please contact Kim Robertson.

N. B. - A post-dated cheque is required on sale day for remaining balance.

THE RIGHT CHOICE

WELCOME to our 30th Anniversary Sale

Thirty years ago when we started Rancher's Choice with the Dillabaugh's and the Johnston's at the old "Rock N' R auction barn, we were the first Black Angus bull sale in Medicine Hat. Now as you travel through Southern Alberta and Saskatchewan, Black Angus dominate the cattle scene. We like to think that the original Rancher's Choice partners played a part in bringing about this transformation.

What a great time to be in the cattle business! Cheaper feed, a .90 dollar, and small cattle numbers will be good for the cattle rancher. Hats off to the people who stuck it out through the hard times. Looking at the supply and demand ratio, the cattle market should be really good for a while. Unlike pigs or chickens, the cow numbers cannot be increased in only one year.

Angus cattle and grain farming have been very good to me. Son Ryan and Nephew Lindsay are taking on more responsibility around our farm allowing Susan and myself the time for our annual winter Hawaii trip. They actually think we should stay there all winter!!

My three daughters are busy raising their families and working. Their husbands continue to advance in the oil business. Susan's daughter Taylor is just finishing her nursing degree and will be looking for a job this summer. We have two more grandkids on the way, which will make 13. WOW!!!

Our goal thirty years ago was to bring sound bulls to our customers that will excel in our harsh Western Canadian environment while giving you calves with extra pounds at sale time. This year's bulls certainly meet this requirement! We again bring you a very consistent set that will move out and get their job done. We continue to use a lot of Canadian genetics. Rancher's Choice calves continue to be very popular at the feeder sales!

We look forward to visiting with you at our sale.

Kim and Susan

Kim & Sue

Ryan, Jill, Presley, Shayelle & Bentley

Hello, another year and a few more aches and pains but I made 80 years so have to be thankful. I would like to share a few things I found very interesting.

About 40 years ago I attended a seminar by Dr. Long at Saskatchewan University, he was an animal scientist and had done extensive work with beef cattle, I can't recall the university he came from but they had cut up 1000 steers of different breeds and it didn't matter shape, round bone or flat bone whatever, the ratio was 3 pounds of meat to one pound bone.

The other thing he taught us was steers peaked in feedlots at the same weight as their mothers. So if you want 1450-pound steers your cows should weight in that neighborhood. After a steer peaks you can still put on weight but it's more expensive. Remember the first Charolais cattle that came over, the cows were huge and you had a hard time putting fat on their steers till they were from 1500 to 1700 pounds.

The other thing interesting every breed started with a color. Color is also connected to other things in an animal. The Black Angus has an undercoat almost like fine sheep wool to help keep them warm, according to our ultra sound technicians, the Red Angus do not have that same type of undercoat, same mother and same father. When we had a few Speckle Park cattle and used an Angus bull we have had twin calves one black, one Speckle Park and the calf typed the breed it was colored like.

I do not believe 1100 pound cows work, the steers will fatten too quick and the heifer calves are too small for the feeding industry. You can cross breed them, but that's another story in management and possible calving problems in heifers.

If you use the right type of Angus cattle I do not believe you need to cross breed for top profitability in your cattle operation.

I just came from Kim's place and looked at the cattle. A great indication of the breeding program is the heifer pen and the heifers were big smooth and very feminine with their feet all-pointing in the right direction. Their hair coats were thick and healthy looking.

The sale bulls were thick with lots of scale, with more than a few that should go into purebred herds. Ranchers can find bulls that will help them top any calf sale and give them feminine heifers strong enough to stand our adverse climate when they end up in the cowherd. The bulls have that good hair coat that is necessary for our Canadian winters.

Spit and polish costs a lot, a lot of labour putting it on and a lot of money to buy it. You the buyer can benefit from this sale as the bulls are presented in their natural form. These bulls can compete anywhere if clipped and polished. I am not against cosmetics at any sale or show, I thoroughly enjoy it. You my rancher friends come take advantage of this.

Kim has stayed mostly with Canadian bloodlines; this has given the herd a little more stretch and scale. It's not hard to find 1450 plus cows in his herd. I think in seed stock producer's herds, the cows have to be a little bigger than the ranch cows, most seed stock producers cows are fed a little better from birth on.

Come buy a bull that will give you that extra 10 to 20 pounds on your calves at \$2.00 a pound it really adds up. These bulls will also produce you a great set of heifers.

Thanks
Bill Dillabaugh

2014

TERMS & CONDITIONS

CATTLE INSPECTION - All sale cattle will carry identity tags corresponding to sale lot and/or tag numbers shown in the catalogue, and will be available for inspection at sale facility commencing the day before the sale.

ALL CATTLE SELL - Every animal entering the sales ring will be sold to the highest bidder, subject to such health tests as may be required under regulations of Agriculture Canada.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the auction block at sale time, and such corrections shall take precedence over the printed matter in this catalogue.

BREEDING GUARANTEE - All cattle are sold as sound and right and sell with a responsible breeders guarantee of satisfaction. In the unlikely event of a dispute, the regular Breeder's Guarantee, standard with the Canadian Angus Association, shall apply.

DNA TESTING - The Canadian Angus Association now requires that any sire of a calf to be registered with the CAA must be DNA tested. Rancher's Choice sale bulls have not been DNA tested. Therefore, it is the buyer's responsibility to make certain that any bull used on registered females, from which the offspring are to be registered, is DNA tested before going into service.

DELIVERY - Bulls will be delivered to central points within a three hundred mile radius on a \$2,500.00 purchase or more. We are again asking our customers to please bring their trailers and help us. It's not that we will not deliver but it's physically impossible to get these bulls out in the short time frame we have to work with.

SEMEN - Rancher's Choice reserves the right to collect 100 units of semen at Rancher's Choice expense and buyers convenience (including A.I. certificates) on any bull in the sale. Such semen for within herd use only.

MAIL BIDS - Orders for the purchase of sale cattle may be entrusted in complete confidence to any of the sale staff.

RISK - Ownership risk to the purchaser commences when the auctioneer's hammer falls. Insurance is recommended. Hartford Insurance will be applied for delivery purposes.

BULL WARRANTY - We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

TERMS OF SALE - Terms are cash or cheque. No sale entries will be released until satisfactory settlement has been made. Animals for export may not be released unless payment has been received prior to departure. Registration papers will be supplied upon completion of sale transaction, including payment in full.

ACCIDENTS - ALTHOUGH ALL REASONABLE PRECAUTIONS WILL BE TAKEN TO PROTECT SAFETY AND COMFORT OF PEOPLE ATTENDING THE SALE, ALL PERSONS ATTENDING THE SALE DO SO AT THEIR OWN RISK, AND THE OWNERS, MANAGEMENT AND SALES STAFF ASSUME NO LIABILITY, LEGAL OR OTHERWISE, FOR PERSONAL OR PROPERTY LOSS OR LOSSES FROM ANY ACCIDENT OR OTHER OCCURRENCE WHICH MAY OCCUR.
