WELCOME TO OUR 31ST ANNUAL SALE

Firstly congratulations to all you ranchers and cattle people who stuck it out through those trying times of the past few years. Your patience and fortitude are finally being rewarded with record prices for your product. The cattle numbers indicate continued good prices for the next few years.

Agriculture continues to be good to our family. With the purchase of some added grassland we will be running a commercial herd of Angus cows alongside of the purebred herd. Son, Ryan and nephew Lindsay continue to take on more responsibility of our farm and often suggest Susan and I spend more time away (which we are trying to oblige them).

My three daughters continue to be busy with their lives and families. Their spouses continue to do well in the oil business despite the downturn in that sector. Susan's daughter finished her nursing degree and is working in Medicine Hat. Our 14th grandchild is due in June. YES I said 14!!!

This year we bring you a really consistent set of sound growth bulls. We continue to use Canadian Genetics that are bred to excel in our harsh Western Canadian environment. We like cattle with extra growth to give our customers those extra pounds at sale time. We also believe these Canadian genetics provide extra hair, good feet and bone that cattle need to thrive in our area.

Contact myself, Ryan or Lindsay anytime if you have any questions. We look forward to seeing you April 21!!

DON'T BREED THEM TOO SHORT

Sixty-five years ago all British cattle were just too small, I know I was there. The best of the bunch were the horned Hereford, they had a little more scale than the other British Breeds. These cattle did not milk well unless you had a shot of Shorthorn cross in them. The calves weaned off at 390 to 450 lbs. The show people used to take a nurse cow along in their show string for their show calves.

In the seventies the two-year old bulls at Regina Bull Sale weighed 1325 to 1400 lbs. I remember the first 1600 pound Angus bull at the sale, we all gathered around his stall. Then we tried to make them tall and we made them tall, 52 to 65 inches tall. Well that was another run away. Some of you will remember they got tall because some of their ancestors may not have been Angus.

Then we started blood typing. All the time above, the Angus were discounted in the market because they were too short and small.

However, out of all that mess we have ended up with a pretty good animal. It's easier to make a small perfect animal than a bigger one. I'm talking about correctness and balance.

Jumping around a little and trying not to make this letter too long, I'll get to the point.

Years back when they started breeding for smaller cattle some of the old Canadian breeders didn't follow along and kept breeding for scale and good cattle, even when most of the cattle were small there was enough of the good old Canadian blood to keep those genetics alive. Thank goodness.

There is a group of people now breeding this type of good cattle, these cattle have more bone, they are longer, they have a little more scale than a lot of the highly promoted cattle of today.

These type of cattle work well in our Canadian climate and in our feeding industry and they don't have to be cross bred. The cows can stand our cold winters as they have that good Canadian hair coats. I have toured the cattle herd and bull pens at Saskalta. If you want some great Canadian cattle join us April 21 where you can judge these cattle.

LOT 74 - RANCHERS CHOICE BARDOLIER 294B

RANCHER'S CHOICE

2015 TERMS & CONDITIONS

CATTLE INSPECTION - All sale cattle will carry identity tags corresponding to sale lot and/or tag numbers shown in the catalogue, and will be available for inspection at sale facility commencing the day before the sale.

ALL CATTLE SELL - Every animal entering the sales ring will be sold to the highest bidder, subject to such health tests as may be required under regulations of Agriculture Canada.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the auction block at sale time, and such corrections shall take precedence over the printed matter in this catalogue.

BREEDING GUARANTEE - All cattle are sold as sound and right and sell with a responsible breeders guarantee of satisfaction. In the unlikely event of a dispute, the regular Breeder's Guarantee, standard with the Canadian Angus Association, shall apply.

DNA TESTING - The Canadian Angus Association now requires that any sire of a calf to be registered with the CAA must be DNA tested. Rancher's Choice sale bulls have not been DNA tested. Therefore, it is the buyer's responsibility to make certain that any bull used on registered females, from which the offspring are to be registered, is DNA tested before going into service.

DELIVERY - Bulls will be delivered to central points within a three hundred mile radius on a \$3,500.00 purchase or more. We are again asking our customers to please bring their trailers and help us. It's not that we will not deliver but it's physically impossible to get these bulls out in the short time frame we have to work with.

SEMEN - Rancher's Choice reserves the right to collect 100 units of semen at Rancher's Choice expense and buyers convenience (including A.I. certificates) on any bull in the sale. Such semen for within herd use only.

MAIL BIDS - Orders for the purchase of sale cattle may be entrusted in complete confidence to any of the sale staff.

RISK - Ownership risk to the purchaser commences when the auctioneer's hammer falls. Insurance is recommended. Hartford Insurance will be applied for delivery purposes.

BULL WARRANTY - We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

TERMS OF SALE - Terms are cash or cheque. No sale entries will be released until satisfactory settlement has been made. Animals for export may not be released unless payment has been received prior to departure. Registration papers will be supplied upon completion of sale transaction, including payment in full.

ACCIDENTS - ALTHOUGH ALL REASONABLE PRECAUTIONS WILL BE TAKEN TO PROTECT SAFETY AND COMFORT OF PEOPLE ATTENDING THE SALE, ALL PERSONS ATTENDING THE SALE DO SO AT THEIR OWN RISK, AND THE OWNERS, MANAGEMENT AND SALES STAFF ASSUME NO LIABILITY, LEGAL OR OTHERWISE, FOR PERSONAL OR PROPERTY LOSS OR LOSSES FROM ANY ACCIDENT OR OTHER OCCURRENCE WHICH MAY OCCUR.
