WELCOME TO OUR 32ND ANNUAL SALE

It's hard to believe this will be our 32nd bull sale; where does the time go. This year I will be turning the BIG "60". As I reflect on the past year, I am the most proud of the many young ranchers who started out as customers and quickly became long time friends. I am also very fortunate to have two great partners; the Johnstones from Conquest and of course Bill and Don Dillabaugh of the famous Double AA herd of which a large amount of my cow herd originate from.

On the personal side, my daughters and their families are busy with their lives. My 3 son-in-laws continue to do well in the oil sector. Also step daughter Taylor finished her Nursing degree and is working in Medicine Hat. With 14 grandchildren it's hard to keep up. My son Ryan and family, and my nephew Lindsay continue to be a huge part of the farm.

While EPD numbers are a tool to be used, we tend to forget that the bulls we produce need to cover sections of land to get a cow bred.

We again bring you a powerful set of bulls that are bred to put on extra pounds on your cows. We continue to use Canadian genetics that are bred to excel in our environment.

We Invite you to Medicine Hat on April 18.

YOU SELL THEM BY THE POUND

DOUBLE ANGUS

Just seems like yesterday that I was writing a letter for the 2015 catalogue. A lot of change comes and goes in the cattle industry in a year but the one thing that doesn't change is the cattle are still sold by the pound so the heavier the better.

Saskalta again has a pen of bulls with that extra stretch and bone that is needed to push the scale down on your calves and yearlings.

If you haven't been to Ranchers Choice Sale, just come and have a look at this great set of bulls, better still check Saskalta's cow herd, a good bull has a good mother and a good steer has a good mother.

Good cow herds on ranches start with the seed stock they use, Saskalta genetics will give you that extra size that is needed for the bigger carcasses used today in the packing industry.

Good luck with your bull purchases, this spring and wishing you all a great year. Here's hoping calf prices stay up, it makes the long hours it takes to raise good cattle a little less stressful.

I would like to welcome everyone to the 32nd Annual Rancher's Choice Bull Sale. I believe it's a huge accomplishment for the people involved in running this long, and it speaks volumes of the kind of quality of both the bulls and service it provides. With that being said I would like to thank Uncle Kim for the opportunity once again, and I couldn't be more proud to be a small part of it. We sure do appreciate it.

We are offering 7 bulls this year and believe the quality is very deep. Even though the choices are limited, I believe you will be able to find what you are looking for. As we continue to expand, we are utilizing A.I. and embryo transfer extensively. We spend hours on end researching pedigrees and searching for bulls that will provide customers with a herdsire that will deliver profits.

Our philosophy from the beginning has been quality over quantity, and we went out and tried to select the best females we could for our foundation. These females are easy fleshing, good uddered, and have the ability to wean a strong calf each and every year. We have had a very mild winter this year, but all of the bulls show tremendous hair coats. Another trait important to us is disposition. With our kids ranging from 2 years old to our grandfather at 85 working around the ranch, we can't afford to have a cow without a gentle demeanor. As you walk through the pens, you will notice the bulls have inherited this as well.

If there are any questions, please feel free to call anytime. We look forward to meeting more new faces, and would like to thank all the bidders and buyers from last year's sale. See you sale day.

Riverfront Franchise 509C has certainly earned the spot as our lead off bull and has been one to watch since birth. He started out with a modest 78 lb. birthweight but possessed extra bone and stoutness early on. He has grown into a very complete bull, and is long, thick and hairy. His sire is a bull we sampled and is known for his performance. We have 2 daughters in the replacement pen that are some of our very best. The dam is an extremely deep and broody female with a tidy udder, and was among the high sellers of Hamilton's 2013 sale. His EPDs compete with the top of the breed for BW, WW, YW and Milk.

To describe this bull in one word would be "rugged". If you are looking for some extra frame, length and shear pounds, look to 502C. Along with incredible hair, he gets around on a good set of feet and legs. The sire, Sitz Upward 307R has made a name for himself for providing just plain good and solid cattle. We have 3 sons available and all 3 possess great hair, growth, and solid structure. This bull started out a little heavier than his brothers, but was born unassisted from his 2nd calving dam. The dam hales from the famous Tibbie cow family at Hamilton Farms, and is among the favourites around the ranch.

A bull that is sure to impress on sale day. A combination of two breed leaders in Sitz Upward 307R and S A V Final Answer 0035. Riverfront Upside 503C brings forth a very neat package. He is deep, wide topped, big butt ended and has superior hair. His dam is a moderate, hard working cow with an impeccable udder. His EPD profile is very balanced, just as sure as he is.

504C was a strong calf all summer standing beside his moderate, heavy milking dam. The last Upward son to sell, he is a bit more refined than the 2 previous, with a desirable birthweight and a strong actual weaning weight. His calves will be born easily and will continue to grow. Again we see great hair coat and length of spine. His mother, may be one of the smaller cows in the herd, but is the type to wean a heavy calf year in and out. Here is another calf with very desirable EPDs.

Here is stout rugged bull. A middle of March calf, that although younger than his penmates, shows great performance and thickness. His sire is one of our resident herdsires that was purchased to provide easy doing, thick, and good footed cattle. His Tiger dam is a massive bodied female with a nice square udder.

A calving ease bull with a modest birthweight and a smooth shoulder. 507C will mature into a moderate frame bull, and will provide easy fleshing calves. His dam was selected from Hamilton Farms for her depth and muscle shape. 283Z seems to always have great body condition and looks the same throughout the year. Easy doing, good footed cattle on both sides of the pedigree.

Here is a heifer's first calf that may get overshadowed, but shouldn't. Born at the end of March, he has developed into a very complete package phenotypically, with solid performance numbers. 80C is a maternally charged bull, that has some great female makers close up in his pedigree. The dam is a moderate sized cow with a tremendous udder and a quiet disposition.

2016 TERMS & CONDITIONS

CATTLE INSPECTION - All sale cattle will carry identity tags corresponding to sale lot and/or tag numbers shown in the catalogue, and will be available for inspection at sale facility commencing the day before the sale.

ALL CATTLE SELL - Every animal entering the sales ring will be sold to the highest bidder, subject to such health tests as may be required under regulations of Agriculture Canada.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the auction block at sale time, and such corrections shall take precedence over the printed matter in this catalogue.

BREEDING GUARANTEE - All cattle are sold as sound and right and sell with a responsible breeders guarantee of satisfaction. In the unlikely event of a dispute, the regular Breeder's Guarantee, standard with the Canadian Angus Association, shall apply.

DNA TESTING - The Canadian Angus Association now requires that any sire of a calf to be registered with the CAA must be DNA tested. Rancher's Choice sale bulls have not been DNA tested. Therefore, it is the buyer's responsibility to make certain that any bull used on registered females, from which the offspring are to be registered, is DNA tested before going into service.

DELIVERY - Bulls will be delivered to central points within a three hundred mile radius on a \$3,500.00 purchase or more. We are again asking our customers to please bring their trailers and help us. It's not that we will not deliver but it's physically impossible to get these bulls out in the short time frame we have to work with.

SEMEN - Rancher's Choice reserves the right to collect 100 units of semen at Rancher's Choice expense and buyers convenience (including A.I. certificates) on any bull in the sale. Such semen for within herd use only.

MAIL BIDS - Orders for the purchase of sale cattle may be entrusted in complete confidence to any of the sale staff.

RISK - Ownership risk to the purchaser commences when the auctioneer's hammer falls. Insurance is recommended. Hartford Insurance will be applied for delivery purposes.

BULL WARRANTY - We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

TERMS OF SALE - Terms are cash or cheque. No sale entries will be released until satisfactory settlement has been made. Animals for export may not be released unless payment has been received prior to departure. Registration papers will be supplied upon completion of sale transaction, including payment in full.

ACCIDENTS - ALTHOUGH ALL REASONABLE PRECAUTIONS WILL BE TAKEN TO PROTECT SAFETY AND COMFORT OF PEOPLE ATTENDING THE SALE, ALL PERSONS ATTENDING THE SALE DO SO AT THEIR OWN RISK, AND THE OWNERS, MANAGEMENT AND SALES STAFF ASSUME NO LIABILITY, LEGAL OR OTHERWISE, FOR PERSONAL OR PROPERTY LOSS OR LOSSES FROM ANY ACCIDENT OR OTHER OCCURRENCE WHICH MAY OCCUR.
