TWO YEAR OLD BLACK ANGUS BULL SALE

**Wednesday, March 23, 2011
1:00 PM, VOLD JONES VOLD
PONOKA, ALBERTA**

WELCOME TO REICH ANGUS RANCH 2 YEAR OLD BULL SALE.

The Reich family has been in the Black Angus Bulls Business for 55 years. Reich Bulls have been sold to many of the top Ranches in North America and we look forward to providing you with your next herd sire.

Reich Black Angus Bulls offer high performance, excellent feet, lots of bone and exceptional length which will translate into extra pounds when weaning their calves.

Our cow herd is low management. The calves are born from April - June out on pasture and are calving very close to 100 % unassisted. Our calves are not grain supplemented, they wean in mid November and are fed 100% silage until the following May they then go onto grass pasture until mid October.

When the yearling bulls are brought in they get fed a 90% silage ration (this high roughage ration promotes the longevity and soundness of our bulls). all bulls are semen tested, there is no foot trimming of any of the Sale Bulls.

We at Reich Ranch stand behind our bulls.

Join us sale day Wednesday March 23, 2011 at 1:pm, VJV in Ponoka Alberta.

Come by for lunch at the horse trailer over by the bulls.

Stop by the Ranch anytime to preview this top set of 2 year old Black Angus Bulls.
