Welcome to the 2016 Reich Angus Bull Sale, this year we have a strong offering of performance bulls with lots of eye appeal. Our bulls are grass developed up until they are brought home in late October before the sale. They are then fed silage and 10 lbs of a textured ration. This year we had Rod Wendorff ultra sound our Angus bulls, after they had been on feed for 2 months. At that time their marbling scores averaged 5.1 (between 5-6 is AAA), their meat yield averaged 64.5%, and had a projected rib eye area of just under 19 inches for sale day. With these stats the carcass genetics of our Angus bulls would be as good as any other Angus bulls in Western Canada.

We are very excited to include a group of 2 year old Simmental bulls in the sale this year. We ran the Simmental bulls on the same grass program that we have used over the years for our Angus bulls, as we believe it promotes the longevity and soundness of the bulls, and we are very pleased with how this group of bulls has turned out.

You are invited to come inspect the bulls anytime at the ranch. Please join us on sale day for a Certified Angus Beef Prime Rib lunch and stay for coffee and pie after the sale.

We look forward to visiting with you at the sale
