

# Rivercrest Valleymere

9<sup>TH</sup> ANNUAL

SPADY  
BLACK ANGUS  
BULL SALE

Wednesday - April 11<sup>th</sup> - 2012

at the  
Rivercrest Ranch

Rivercrest-Valleymere are pleased to welcome you to our 9th Annual Spady Bull Sale and our fourth year hosting it out at the Rivercrest homestead of Tom and Marg Spady, just like the good old days!

There is a proud heritage built into the Rivercrest and Valleymere Angus cattle, built on integrity & high principles by our customers. The Spady's are now spanning into the 4th generation of raising Angus bulls, under ranch raised conditions. Fertility, good hair, easy doing, soundness and longevity are among some of the traits we have bred on since the 1930's and still do today. The Battle River hills provide a true test to our ranch raised cattle. You can buy with confidence. The Spady bulls will get the job done, and we stand by them all the way!

# Rivercrest/Valleymere Black Angus Bull Sale

WEDNESDAY, APRIL 11TH, 2012 • RIVERCREST RANCH • 1:30PM

**Featuring: 119 Black Yearling Bulls •  
80 Black Commercial Yearling Heifers**

## TERMS & CONDITIONS:

**BREEDER'S GUARANTEE:** All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All Bulls are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

**CATTLE INSPECTION:** All carry permanent identity tags. All shall be available for inspection prior to the sale.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day.

**TERMS OF SALE:** Unless otherwise previously arranged with Rivercrest Angus or Valleymere Angus, terms of this sale are cash or cheque, payable in Canadian funds. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure.

**EVERY ANIMAL** sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

**ALL PERSON'S** who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

**DELIVERY:** We will arrange delivery of the bulls within a 500 km radius, free of charge, or we offer a \$50 discount for those who take their bulls home sale day. We recommend all purchases, that are to be delivered, be insured.

**BUYER INCENTIVE:** We offer a volume buyer discount. For each additional bull purchased we offer a 1% percent discount. For example, 2 bulls = 2% discount, 3 bulls = 3% discount, 4 bulls = 4%...to a maximum discount of 10%.

**SIGHT UNSEEN PLAN:** If you're unable to attend the sale, we'll gladly discuss your bull power needs. Any purchases made in this manner will be 100% guaranteed for customer satisfaction.

## **CALVING EASE LEGEND:**

\* Not recommended for heifers.

\*\* Use on well-grown heifers – may assist a few births

\*\*\* Highly recommended on heifers—little to no assistance expected

# Welcome from Rivercrest Ranches

Rivercrest ranches welcomes you to our 9<sup>th</sup> Annual Bull Sale. We are very pleased with our bulls we selected for the 2012 sale. We feel these bulls will pass on the traits needed to succeed in today's market. Thickness, easy fleshing, good hair, longevity and a touch of style will take you to where you need to be in today's cattle business.

We are in the process of bringing in new herd sires to our program. We have had great success with the Grid Maker bloodlines and the daughters are excellent mothers with beautiful udders, good feet and lots of milk. We have purchased new sires that we feel will continue on producing the traits we feel are important. Our new herd sires come from some of the top cow families in the Angus industry, such as the famous "Neonia" cow family, the "Lady Blossom" cow family, and the popular TipTop and Erelite cow families. These bulls will carry these

strong maternal traits as well as the other traits mentioned above.

This is a good time to upgrade your bulls with the strength in the current market and promising returns in the future forecast, and its been a long time coming!

Our cows must be good-footed, able to travel, rustle and thrive in ranch conditions. They need to be good milkers, give birth without assistance and raise that calf until fall. We have had cows as old as 17 raise calves all on their own. These cows breed that longevity into their offspring, and that is important to today's ranching. Every year the cows are expected to rustle until after Christmas or New Years. No cow is pampered on the Rivercrest Ranch.

With a cow herd that can perform under these conditions, we feel our bulls will breed on that same hardiness and quality into your herd. These bulls are bred to travel and get the job done. Stop in any time, have a coffee and check out our bulls or cows.

We look forward to seeing you on sale day.

Craig & Tom

## REMITALL STARFIRE 570U

AGN 570U MAY 2 2008 1472179

StarFire was purchased from the Remitall herd dispersal in 2008. He had Sept 15/08 weight of 920 lbs. On Jan 25/09 he weighed 1390 lbs (just under 12 months of age). StarFire is out of the legendary, Neonia cow family. His sire Rachis 21R was the 2006 Canadian National Reserve Champion and the 2007 Farmfair Supreme Champion over all breeds. StarFire is easy fleshing with extra length and excellent feet. StarFire is quickly becoming a powerhouse herd sire. His sons rise to the top, with thickness, eye appeal and sheer power. His daughters are extremely feminine with excellent udders. All his off spring have an excellent hair coat. Both Cayden and Jamie-Lee picked StarFire daughters for their 4-H projects last year. Jamie-Lee's StarFire Hfr was Club Reserve Champion Yearling Hfr, District Champion Yearling Hfr and District Reserve Champion over all Breeding Female in 2011. He is the next generation of Rivercrest cattle. Jamie-Lee picked another StarFire daughter for her 4-H breeding project this year and will be tough in the show ring.

Kodiak 9169 Daughter

See Line

Kodiak 9169 is the latest addition to our bull battery. We're very pleased with the calves at foot, as they have moderate BW, lots of hair and loads of style. The sire, HF Kodiak 5R is one of the top Angus bulls in the industry today. Take a good look at the Kodiak sons. I think you'll like what you see.

Dealin Dirty's sire SAV 004 Traveler is arguably the biggest icon in the Angus industry today. SAV 004 is known for his easy fleshing ability that he passes down through his progeny on a consistent basis. We purchased Dealin Dirty from Rainbow Hills Angus in 2009. Dealer was our top pick of the sale and was second highest seller. We used Dealer on our heifers and he exceeded all our expectations and then some. His consistent low birth weight calves, explosive gain and fall weights have us using him on cows. Dealer has proven that he will be a powerhouse herd sire for the Rivercrest program.

PurePower was purchased from Remitall dispersal in 2008. He weighed 900 lbs on Sept 15/08. On Jan 25/09 he weighed 1310 at 12 months of age. His dam, Erelite 83N, is a tremendous female. She is fleshy, lots of milk, good feet, eye appeal and was purchased along side her calf PurePower at the dispersal. 83N goes back to the great Rainmaker bull and Stevenson Expedition 859K. The sire Belvin Patriot 34'04 was the Grand Champion and high selling bull in 2005 Calgary Bull Sale. Patriot is out of the great cow family, Lady Blossom. PurePower will put growth and pounds into his calves. We are extremely pleased with his low birth weight calves and explosive rate of gain.

This is Jamie-Lee's 1st bull calf in our sale and could very well be our most complete bull. His mother was Reserve Champion 2-yr-old cow with this calf at her side at the 2011 4-H District Show. For her first calf she did an awesome job. With his 71 lb BW you can go either way with him, cows or hfrs. Note his 205 index of 117.

34Y as a calf and 34Y's dam - Reserve Champion 2-yr-old 2011

Jamie-Lee showing her steer at Club

### CALVING EASE LEGEND:

\* Not recommended for heifers.

\*\* Use on well-grown heifers – may assist a few births

\*\*\* Highly recommended on heifers—little to no assistance expected

This bull is as close to a sure thing as it gets to calving ease. The youngest calf Rivercrest has to offer, but he'll make a great hfr bull. His 205 index is 117.

# Welcome from Valleymere Ranches

Can it be true? Rain, grass, feed, and strong prices all at the same time. It is true, it is deserving, and it has been a long time coming.

Welcome to our 9th Annual Bull Sale. Every year we strive to improve and we feel that this set of bulls is our best yet. The herd sires are carefully selected for a balance of moderate birth weights to high weaning and yearling weights, and to still mature into moderate-framed, grass-efficient cattle. Most of the sires are either off elite<sup>1</sup> dams or the grand dam is elite. The backbone of any ranch is the quality of the cowherd. Our cows are not pampered. They receive no grain, very little, if any, supplement mineral and the calves have not had any creep feed. They are strictly culled on fertility, soundness and temperament.

This is an ongoing process but I can say that we haven't had to cull a cow for big teats or a blown udder in a long, long time. We strongly feel our bulls will pass on these traits that have taken 75 years and 3 generations of the Spady family to produce. Stop by anytime for a viewing of the bulls or the cowherd. We truly appreciate your interest and support over the past and we sincerely want to be a part of your future. We have been Black Angus for 75 years and with the interest of our 4th generation, there will be Spady Black Angus for many years to come.

Sincerely,  
The Valleymere Crew

Purchased in 2007, Sooner was a moderate framed bull with exceptional thickness, length and depth. He was double-bred to be a cow maker with breed legend Sitz Alliance on the dam's side and Boyd New Day for a sire. His offspring are early maturing and grow into moderate framed, efficient cattle. Sooner is no longer in service at Valleymere but his son 17W and his many daughters will positively impact our herd.

*Ty & Sooner 27S Daughter - won District Grand Champion Hfr in 2010 and Club Grand Champion Breeding Female in 2011*

<sup>1</sup> Canadian Angus Elite Cow: has a minimum of five calves, four of which must be registered, to determine her regularity of calving and ability to consistently produce calves with a superior weaning weight year after year, display early puberty, breeding and early calving, followed by regularity of calving and high performance offspring. The Canadian Angus Elite Cow Report identifies superior cows in the Canadian Angus herdbook.

17W was chosen to carry on the outstanding characteristics of his parents. The Sooner daughters are developing into some of the nicest cows here at Valleymere. 17W's cow family is the strongest in our herd. His dam, granddam, and great granddam are all listed elite with the Canadian Angus Assoc. 17W consistently sires calves with extra depth and length. Select his sons for added performance and high maternal traits. 17W and his many daughters will positively impact our herd.

This will be Direct's second crop of calves coming to auction and they are outstanding. He was our most consistent birth weight sire with most of his calves being born weighing between 80 and 90 lbs. He sires calves with extra thickness and eye appeal. Brian's boys, Logan and Evan and my son Ty all chose Direct daughters for the 2010-2011 4H Heifer projects with Ty's eventually being named Champion Yearling heifer for our club. The sons in this sale offering are some of our best.

31T was a stand out from the day he was born. His dam is listed as an Elite dam with the CAA. Her sire Aspelund Gold Eye 78F is also listed as an Elite sire with 8 daughters listed Elite out of 32 analysed. Gold Eye was the Calgary Bull Sale Grand Champion in 1998, and his lineage is in many top Valleymere cows. 31T is a moderate-framed, thick son of Prime Cut 42N, his 1st crop of calves were born easy and have shown excellent performance. This is 31T's third and final calf crop as he was struck by lightning in July of 2010. His calves were born 100% unassisted and his daughters are going to make truly great cows. Moderate framed, easy-doers with tight udders and small teats, they still have ample milk. 31T will be missed in our program.

Equator was purchased from Sandy Bar Ranches in Aneroid Sask. He was used successfully on heifers and sires easy fleshing cattle with a lot of capacity. His calves do very well on feed. His 1st daughters are feminine cows with good udders. They are built to last. He has crossed exceptionally well with our Prime Cut daughters.
