ANGUS CATTLE

at the
Rivercrest Ranch

Rivercrest-Valleymere are pleased to welcome you to our 10th Annual Spady Bull Sale and our fifth year hosting it out at the Rivercrest homestead of Tom and Marg Spady, just like the good old days! There is a proud heritage built into the Rivercrest and Valleymere Angus cattle, built on integrity & high principles by our customers. The Spady's are now spanning into the 4th generation of raising Angus bulls, under ranch raised conditions. Fertility, good hair, easy doing, soundness and longevity are among some of the traits we have bred on since the 1930's and still do today. The Battle River hills provide a true test to our ranch raised cattle. You can buy with confidence. The Spady bulls will get the job done, and we stand by them all the way!

Rivercrest/Valleymere Black Angus Bull Sale

WEDNESDAY, APRIL 10TH, 2013 • RIVERCREST RANCH • 1:30PM

Featuring: 100 Black Yearling Bulls

TERMS & CONDITIONS:

BREEDER'S GUARANTEE: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All Bulls are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

CATTLE INSPECTION: All carry permanent identity tags. All shall be available for inspection prior to the sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day.

TERMS OF SALE: Unless otherwise previously arranged with Rivercrest Angus or Valleymere Angus, terms of this sale are cash or cheque, payable in Canadian funds. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure.

EVERY ANIMAL sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

ALL PERSON'S who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

DELIVERY: We will arrange delivery of the bulls within a 500 km radius, free of charge, or we offer a \$50 discount for those who take their bulls home sale day. We recommend all purchases, that are to be delivered, be insured.

BUYER INCENTIVE: We offer a volume buyer discount. For each additional bull purchased we offer a 1% percent discount. For example, 2 bulls = 2% discount, 3 bulls = 3% discount, 4 bulls = 4%...to a maximum discount of 10%.

SIGHT UNSEEN PLAN: If you're unable to attend the sale, we'll gladly discuss your bull power needs. Any purchases made in this manner will be 100% guaranteed for customer satisfaction.

CALVING EASE LEGEND:

* Not recommended for heifers.

** Use on well-grown heifers – may assist a few births

*** Highly recommended on heifers—little to no assistance expected

Welcome from Rivercrest Ranches

Rivercrest Ranches welcomes you to our 10th Annual Bull Sale. Its been a long winter and with spring just around the corner, it can't come soon enough. It looks like another promising start for summer with all the moisture and run-off to be expected this spring.

The bulls we put together are also promising, as they are good-looking group of bulls. We feel we have about the right amount of condition on them. You can see for yourself the thickness, style, feet and easy fleshing ability. Yet they won't have to 'melt down' before they go to pasture to breed.

At Rivercrest, bulls are fed a TMR ration consisting of hay, oat silage, straw and a 15% low sodium bull pellet. They were fed that ration on a daily basis. We feel that feeding them a total mixed ration will help give them the longevity they need to breed in any conditions, and keep physically sound to be able to cover a lot of ground.

Our cow herd works hard under rugged terrain. These bulls will do the same. Be sure to stop in, check out the bulls and have a coffee. Also check out our website and see our new and upcoming herd sires, new pictures and videos.

Coffee's on anytime,
Craig & Tom

A REMITALL STARFIRE 570U

AGN 570U MAY 2 2008 1472179

StarFire was purchased from the Remitall herd dispersal in 2008. He had Sept 15/08 weight of 920 lbs. On Jan 25/09 he weighed 1390 lbs (just under 12 months of age). StarFire is out of the legendary, Neonia cow family. His sire Rachis 21R was the 2006 Canadian National Reserve Champion and the 2007 Farmfair Supreme Champion over all breeds. StarFire is easy fleshing with extra length and excellent feet. StarFire is quickly becoming a powerhouse herd sire. His sons rise to the top, with thickness, eye appeal and sheer power. His daughters are extremely feminine with excellent udders. All his off spring have an excellent hair coat. Both Cayden and Jamie-Lee picked StarFire daughters for their 4-H projects last year. Jamie-Lee's StarFire Hfr was Club Reserve Champion Yearling Hfr, District Champion Yearling Hfr and District Reserve Champion over all Breeding Female in 2011. He is the next generation of Rivercrest cattle. Jamie-Lee picked another StarFire daughter for her 4-H breeding project this year and will be tough in the show ring.

Kodiak 9169 Daughter

Kodiak 9169 is the latest addition to our bull battery. We're very pleased with the calves at foot, as they have moderate BW, lots of hair and loads of style. The sire, HF Kodiak 5R is one of the top Angus bulls in the industry today. Take a good look at the Kodiak sons. I think you'll like what you see.

Dealin Dirty's sire SAV 004 Traveler is arguably the biggest icon in the Angus industry today. SAV 004 is known for his easy fleshing ability that he passes down through his progeny on a consistent basis. We purchased Dealin Dirty from Rainbow Hills Angus in 2009. Dealer was our top pick of the sale and was second highest seller. We used Dealer on our heifers and he exceeded all our expectations and then some. His consistent low birth weight calves, explosive gain and fall weights have us using him on cows. Dealer has proven that he will be a powerhouse herd sire for the Rivercrest program.

PurePower was purchased from Remitall dispersal in 2008. He weighed 900 lbs on Sept 15/08. On Jan 25/09 he weighed 1310 at 12 months of age. His dam, Erelite 83N, is a tremendous female. She is fleshy, lots of milk, good feet, eye appeal and was purchased along side her calf PurePower at the dispersal. 83N goes back o the great Rainmaker bull and Stevenson Expedition 859K. The sire Belvin Patriot 34'04 was the Grand Champion and high selling bull in 2005 Calgary Bull Sale. Patriot is out of the great cow family, Lady Blossom. PurPower will put growth and pounds into his calves. We are extremely pleased with his low birth weight calves and explosive rate of gain.

Jamie-Lee gives a big thumbs up on her bull when helping out on clipping day

Welcome from Valleymere Ranches

Welcome to our 10th annual bull sale. We are very excited to offer this group of good-footed bulls with length, thickness and depth from a cow herd that has stood the test of time. On offer will be the first sons of Xecutor, a direct son of World Angus Forum Grand Champion HF Tiger 5T purchased from Bar E-L Angus. As well, first sons from a Traveler 004 grandson purchased from Rainbow Hills Angus. Brian's Prime Cut 46W has left him a tremendous set of calves proving that trusted older genetics work too.

Speaking of trusted old genetics, over half of the 300 mother cows at Valleymere bear the Errolline name. This surprised me a bit since we have never culled cows by their papers but by their performance and production. As a result, I decided to research the history of this cow family thinking that Dad's herd must have started with predominately Errolline cows. I was wrong. The first Errolline was purchased in 1972 at the Cross Country Select Sale in Lacombe as a 5 year old bred cow. Coralta Errolline 742 would have 4 females for Valleymere and was then sold in 1975 through the Heatherbrook and Guests Sale for \$6600. She is the foundation Errolline cow at Valleymere and every Errolline at Valleymere goes back to this one female. Coralta Errolline 742's fourth daughter born in 1975, Errolline H P S 3G, pictured bottom left was sold at the Cross Country Sale in 1977 for the 2nd high selling bred heifer price of \$5400. Pictured beside her in Ty's 4-H heifer, Valleymere TTT Errolline 46W born in 2009, eight generations away from 742.

It amazes me that these 2 heifers born 34 years and 8 generations apart look like they could be full sisters. It is interesting to note that the seven dams between 46W and Coralta Errolline 742 average 9 calves each. That pretty much sums up longevity and fertility. No wonder half the cowherd at Valleymere bears the Errolline name. A lot of outfits "talk the talk" but how many have cows that actually "walk the walk"!

As always, the bulls, and cows for that matter, are available for viewing. We truly appreciate your interest and want to be part of your programs. Feel free to stop in any time, the coffee is always on.

Sincerely,
The Valleymere Crew

Errolline H P S 3G born 1975

Valleymere TTT Errolline 46W born 2009

*Original Errolline -

born 1967*

1 Canadian Angus Elite Cow: has a minimum of five calves, four of which must be registered, to determine her regularity of calving and ability to consistently produce calves with a superior weaning weight year after year, display early puberty, breeding and early calving, followed by regularity of calving and high performance offspring. The Canadian Angus Elite Cow Report identifies superior cows in the Canadian Angus herdbook.

17W was chosen to carry on the outstanding characteristics of his parents. The Sooner daughters are developing into some of the nicest cows here at Vallemere. 17W's cow family is the strongest in our herd. His dam, granddam, and great granddam are all listed elite with the Canadian Angus Assoc. 17W consistently sires calves with extra depth and length. Select his sons for added performance and high maternal traits. 17W and his many daughters will positively impact our herd.

The Direct bull continues to sire moderate birth weight calves that grow into long, thick, stylish cattle. All our Sandy Bar bulls are free-movin with exceptional feet and legs, the kind of bulls that can travel in rough conditions and settle a lot of cows. Directs grand-dam 19D is listed elite making him very strong maternally as well.

Traveler 207W came from the Rainbow Hills Angus herd at Delburne as a 2 year old. His dam is one of their best, being dam to one of their own herd bulls as well as the mother of the 2009 Calgary Bull Sale Grand Champion. She is listed Elite with the CAA. His grand-sire, Traveler 004, is arguably the best Angus sire in recent history. 207W bred mainly the first calvers as well as a few mature cows. He calved easy and his sons should be good to use on heifers. He is a moderate-framed, thick, long, deep and easy-doing herd bull. 7 sons sell

Xecutor was purchased from Bar E-L Angus in 2011 where he was the high-selling black angus bull. His sire HF Tiger 5T has been one of the heaviest used sires in Canada over the past few years. Xecutor's first calf crop has surpassed all expectations. He settled 27 heifers and 8 cows as a yearling and all calves were born unassisted. He has added depth and thickness as well as stamping his progeny with unbelievable haircoats and quiet dispositions. They are moderate-framed, easy-doers with correct feet and legs. 12 sons sell.

BW: 92lbs. Adj 205 day Wt: 765 lbs. 205 Index: 117
 BW:+2.5 WW:+42 YW:+70 Milk:+16 TM:+37

117Z is a real stout, long son of the Halfback bull that posted one of the highest weaning weights. His dam 38U is a full sister to the 31T herdsire used here that has left us a tremendous group of young females. Grand-dam 6K is listed Elite making 117Z one of the most powerful maternal bulls in my offering. WW ratio 117. Dam's age 4. Calving Ease *

Don't overlook this young bull calf, he is the right type. A long bodied bull with some style. Calving Ease **

65Z is a bull that will make you look twice. A deep bodied bull that is right full of red meat. Being an April 16th calf out of a first calve heifer he had an Actual WW of 630 lbs, a Feb. 15th weight of 1130 lbs and a rate of gain of 4.55 lbs per day for 110 days on feed. Calving Ease *

Thanks to all our helpers, supporters and cattle bosses.
