

Rivercrest Valleymere

11TH ANNUAL

SPADY

BLACK ANGUS
BULL SALE

Wednesday
April 9th
2014

at the
Rivercrest Ranch

Rivercrest-Valleymere are pleased to welcome you to our 11th Annual Spady Bull Sale and our sixth year hosting it out at the Rivercrest homestead of Tom and Marg Spady, just like the good old days!

There is a proud heritage built into the Rivercrest and Valleymere Angus cattle, built on integrity & high principles by our customers. The Spady's are now spanning into the 4th generation of raising Angus bulls, under ranch raised conditions. Fertility, good hair, easy doing, soundness and longevity are among some of the traits we have bred on since the 1930's and still do today.

The Battle River hills provide a true test to our ranch raised cattle. You can buy with confidence. The Spady bulls will get the job done, and we stand by them all the way!

Sale & Ranch Locations

Rivercrest/Valleymere Black Angus Bull Sale

WEDNESDAY, APRIL 9TH, 2014 • RIVERCREST RANCH • 1:30PM

Featuring: 120 Black Yearling Bulls

TERMS & CONDITIONS:

BREEDER'S GUARANTEE: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All Bulls are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

CATTLE INSPECTION: All carry permanent identity tags. All shall be available for inspection prior to the sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day.

TERMS OF SALE: Unless otherwise previously arranged with Rivercrest Angus or Valleymere Angus, terms of this sale are cash or cheque, payable in Canadian funds. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure.

EVERY ANIMAL sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

ALL PERSONS who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

DELIVERY: We will arrange delivery of the bulls within a 500 km radius, free of charge, or we offer a \$50 discount for those who take their bulls home sale day. We recommend all purchases, that are to be delivered, be insured.

BUYER INCENTIVE: We offer a volume buyer discount. For each additional bull purchased we offer a 1% percent discount. For example, 2 bulls = 2% discount, 3 bulls = 3% discount, 4 bulls = 4%...to a maximum discount of 10%.

SIGHT UNSEEN PLAN: If you're unable to attend the sale, we'll gladly discuss your bull power needs. Any purchases made in this manner will be 100% guaranteed for customer satisfaction.

CALVING EASE LEGEND:

* Not recommended for heifers.

** Use on well-grown heifers – may assist a few births

*** Highly recommended on heifers—little to no assistance expected

Welcome from Rivercrest Ranches

Welcome to our 11th Annual Sale. We are at one of the most exciting and rewarding times in the beef industry today. The cattle market is continually exceeding our expectations, which is great for the health of the industry.

It's been a long and trying winter, and with spring upon us, it couldn't come soon enough. It also looks like another promising start for summer, with all the moisture and run-off we can expect this spring.

We have new herd and reference sires and their group of sons are impressive. This year I will have more pictures of the lots and videos of our bulls on our website. Hopefully the videos will show you what a picture can't, as we feel the group of bulls we have to offer are an exciting and unique group.

We weaned all our bull calves Sept. 1st. It maybe didn't help their weaning weights any, but they did a great job of developing and transforming into the strong set of bulls they are today. Also giving all the cows time to prep for winter and the January-on calving time.

If you have any questions about any of the bulls or if you can't make it sale day, but are interested in a bull, give Craig or Tom a call. We would be happy to answer any questions or help you find the bull for your needs. Drop by anytime, the coffee is always on and we would be happy to see you sale day.

Craig & Tom

- Dark Horse was LLB's lead off bull & 2nd highest selling bull, bringing \$15,000 at their 2012 Sprng Bull Sale.
- Dark Horse is an out cross pedigree to almost all herds in Canada.
- He sires thickness, eye appeal and lots and lots of hair
- Possibly the best Limestone Dark Horse son to walk of Canadian soil.
- His daughters are shapely and feminine, yet provide plenty of thickness, with loads of eye appeal.
- His sons, as you will see at the sale, are thick, long, stylish, lots of depth and have lots of hair.

Reference Sire Sons - NEW DESIGN 18X

Sire Dealin Dirty 102U

- Dealin Dirty's sire SAV 004 Traveler is arguably the biggest icon in the Angus industry today.
- SAV 004 is known for his easy fleshing ability that he passes down through his progeny on a consistent basis.
- We purchased Dealin Dirty from Rainbow Hills Angus in 2009. Dealer was our top pick of the sale and was second highest seller.
- We used Dealer on our heifers and he exceeded all our expectations and then some. His consistent low birth weight calves, explosive gain and fall weights have us using him on cows. Dealer has proven that he will be a powerhouse herd sire for the Rivercrest program.

Sire Starfire 570U

StarFire was purchased from the Remitall herd dispersal in 2008. He had Sept 15/08 weight of 920 lbs. On Jan 25/09 he weighed 1390 lbs (just under 12 months of age). StarFire is out of the legendary, Neonia cow family. His sire Rachis 21R was the 2006 Canadian National Reserve Champion and the 2007 Farmfair Supreme Champion over all breeds. StarFire is easy fleshing with extra length and excellent feet. StarFire is quickly becoming a powerhouse herd sire. His sons rise to the top, with thickness, eye appeal and sheer power. His daughters are extremely feminine with excellent udders. All his off spring have an excellent hair coat. Both Cayden and Jamie-Lee have picked StarFire daughters for their 4-H projects. Jamie-Lee's StarFire Hfr was Club Reserve Champion Yearling Hfr, District Champion Yearling Hfr and District Reserve Champion over all Breeding Female in 2011, and Club Reserve Champion in 2013.

Welcome from Vallemere Ranches

Welcome to our 11th Annual Bull Sale! As I write this, it looks like winter's icy grip is beginning to let us loose. It has been another long, hard winter and spring can't get here soon enough!! Cattle prices are very optimistic and the possibility of a profitable future looks very promising.

We feel we have put together a very strong set of bulls for your evaluation. No bulls are sold prior to the sale and only the top 60 out of a 300 head cow herd make it into the sale. We don't creep feed and the cows are not pampered. We select our bull calves by allowing the cream to rise to the top on their own merit. In short, we don't try to make herd bulls, we let them, with only their dam's milk, make themselves. The bulls are then fed a growing ration in large groups with plenty of room to rumble. To my knowledge we haven't had any bull customers complain about blown feet or livers and we aim to keep it that way.

The bulls and their mothers are available for viewing anytime. If you are unable to make the sale, we have a fully guaranteed sight unseen program. Simply put, if you don't like the bull, you don't own him. If we can be of any assistance, don't hesitate to call or stop in. The coffee is always on! Hope to see you sale day.

Sincerely,
The Vallemere Crew

Bar-E-L Xecutor 23X as a Yearling

Xecutor was purchased from Bar E-L Angus is 2011 where he was the high-selling black angus bull. He consistently sires calves with added depth, length and volume. He is also passing on his quiet disposition and unbelievable hair coat. His first daughters to calve are deep-bodied, broody, easy do-ers with ample milk and are very docile. 11 out of the 12 we bred will calve in the first cycle. They could be the nicest group of heifers to calve out at Vallemere TTT so far.

Mandate was purchased from Fertile Valley Angus in 2012. He was their heaviest yearling and was the high-selling bull at their sale. He was chosen for his tremendous birth to weaning to yearling growth while still maintaining a moderate mature size. He has proven to be a "bet the ranch" calving ease bull and yet still had 3 sons in the top ten for weaning. His bull calves averaged 82 lbs at birth and 684 lbs at weaning posting a ww ratio of 108. His EPD's are in the top 4% for birth weight and top 1% weaning weight and yearling weight for the Canadian Angus Association.

The Direct bull continues to sire moderate birth weight calves that grow into long, thick, stylish cattle. All our Sandy Bar bulls are free-movin with exceptional feet and legs, the kind of bulls that can travel in rough conditions and settle a lot of cows. Directs grand-dam 19D is listed elite making him very strong maternally as well.

Traveler 207W came from the Rainbow Hills Angus herd at Delburne as a 2 yr old. His dam is one of their best, being the dam to one of their own herdsires. She is also the mother of the 2009 Calgary Bull Sale Grand Champion. She is listed as Elite with the Canadian Angus Association. His grand-sire Traveler is arguably the best Angus sire in recent history. He is a moderate framed, extra thick, long, deep, easy-doing herd bull.

1 Canadian Angus Elite Cow: has a minimum of five calves, four of which must be registered, to determine her regularity of calving and ability to consistently produce calves with a superior weaning weight year after year, display early puberty, breeding and early calving, followed by regularity of calving and high performance offspring. The Canadian Angus Elite Cow Report identifies superior cows in the Canadian Angus herdbook.

Ironman was chosen for calving ease and maternal strength. His dam is listed elite with the CAA. Ironman has developed into a moderate-framed, easy-doing, stylish bull with extra length, width and depth. He is an exceptionally good-footed bull. His first daughters have calved and are small-teated with beautiful udders.

We are very excited about BANDO 93X. He is out of an ELITE Cow & a home raised BANDO son at Travis' place. I expect good things from this bull in the future.

Valleymere TTT Lots 59 - 71 - BAR-E-L XECUTOR 23X

This will be Xecutor's second crop of bulls to sell and they are every bit as impressive as last year's group of 10. That group averaged over \$4000 and included the high-seller Cash Grab. Xecutor consistently sires calves with extra length, depth and thickness in an eye-appealing, sound-footed package. Unbelievable hair coats and quiet dispositions are a real bonus. We have calved about 100 heifers bred to him with about 1 in 25 needing a little assistance. His low birth weight sons should be good to use on heifers. All his sons will add performance and their heifers should be strong maternally as well.

Lot 59 - TTTS 18A

- Heifer bull.
- Grand-dam 15T is Elite. Stylish bull that has really excelled over winter.
- Herd bull prospect.
- Calving Ease***

Valleymere TTS Lots 72 - 79 - F U MANDATE 146Y

Mandate's calves are born small and then really perform. They are exceptionally long-spined with and excellent spring of rib. They are extremely correct on their feet and have quiet dispositions. As I get older, having docile, easy to handle cattle is getting to be very important. Mandate's first breeding season got stretched out a bit as he got foot-rot about half way through the first cycle. He still settled 32 head and we are very excited about his calves. Ty picked a Mandate heifer for his 4-H breeding project and the #1 adjusted weaning weight bull is a son, the very impressive 146A bull.

Lot 72 - TTTS 15A

- Actual weaning weight 705 lbs.
 "Bet the ranch" heifer bull that has gained 3.5 lbs/day on oats and oat silage in the past 120 days.
 - Calving Ease ***

Valleymere TTT Lots 90 - 94 - FOCUS SONS

Focus was purchased in 2012 from Fertile Valley as the second high-seller and #1 weaning weight bull of their calf crop. He was selected for calving ease with excellent growth as well as maternal strength. His first breeding season was a bit of a disaster as he developed pneumonia and couldn't be found out in our hills for 10 days and darned near died. He did survive and bred vigorously in 2013, servicing 35 head for us and quite a few for neighbor Dennis Weber as well ;) On the positive side, he calves easy and the few calves we did get from him that first breeding season look pretty darn good!

Lot 90 - TTTS 9A

- Actual weaning weight Oct. 15/13 705 lbs. Long, deep, thick bull with a very quiet disposition.
- Calving Ease*

Valleymere BPPS/HPS Lots 100 - 118

Valleymere BPPS / HPS focus on calving ease & low maintenance ranch cattle that look after themselves. The cow herd starts calving March 1st with the Heifers starting April 1st. The closer to green grass the better. Once weaned, our bull calves are on a ration that will ensure growth & maturity to perform for you for several years. Longevity is important to us. The Primecut 46W herd sire is an easy moving, good footed bull with calving ease. His bull calves are uniform with length & alot of red meat. His heifer calves have been moderate size with great utters.

Halfback bull calves are deep ribbed, thick & stout. The females are very stylish with small teets & lots of milk. They are making very productive cows in my herd.

Travis has mentioned all other herd sires, but if you have any further questions, don't hesitate to ask.

We would like to Thank you for all your support in the past and hope that we will meet your herd sire needs for the future. Herd bulls are an important investment for any cattlemen, purebred or commercial, especially now with the level of optimism for the cattle market.
