SCOTT STOCK FARM LTD.

BLACK & RED ANGUS

3RD ANNUAL

The Bull Sale

FRIDAY MARCH 18 2016

1 PM AT THE FARM, CROSSFIELD, ALBERTA

OFFERING 72 YEARLING BULLS

FERTILITY ~ PERFORMANCE
TEMPERAMENT ~ FUNCTIONAL TYPE

SSF

SSF

JOIN US FRIDAY, MARCH 18TH, 2016

BOARD/DELIVERY: SSF will feed all bulls until May 1, 2016 at no additional cost to the buyer. If the buyer wants the bull at a later date than May 1 arrangements can be made for SSF to board the bull at a fee of \$3.00 per day per head. SSF will deliver all bulls in Western Canada at no charge to the buyer. SSF will assist in arranging delivery and cost share to Ontario, Quebec, Maritimes and U.S. destinations.

INSURANCE: The bull(s) become the property of the buyer as soon as the bull is sold. Insurance will be available sale day and Scott Stock Farm Ltd. requests all bulls staying at the farm for a later delivery date be insured. SSF is not responsible for injury or death.

SEMEN: SSF retains half semen interest in all bulls.

TERMS: Terms of sale are cash or cheque. All bulls must be settled for at the conclusion of the auction.

BULL HEALTH/GUARANTEE GUIDELINES: All bulls will have passed a satisfactory semen test and visually appraised for soundness by a licensed veterinarian prior to sale day. Bulls, if failing to be breeders, will be replaced by a bull of equal value and quality or a sale credit will be given towards the purchase of another SSF bull. No refunds will be given. Scott Stock Farm Ltd. will follow the terms and conditions as stated in the Canadian Angus Association's Breeders Guarantee Guidelines on all bulls sold. All bulls are on a complete herd health program including Ivermectin at weaning and again in January.

LIABILITY: Scott Stock Farm Ltd., its owners or employees accept no liability for accidents that may occur or assume any responsibility in this matter and disclaims any liability, legal or otherwise in the event of accidents or loss of property.

Scott Stock Farm is Family Owned & Operated

Ladies & Gentlemen

We invite you to attend our 3rd Annual Bull Sale March 18 at the farm. On offer is an excellent listing of calving ease and performance yearling bulls. We have added a few new herd sires for the 2016 sale, plus we will have progeny from the herd bulls that have been in demand in the past sales.

Scott Stock Farm cannot thank our repeat customers enough for your support over the last 28 years. It is your continued confidence in our breeding program that makes breeding cattle so rewarding to the Scott family. For those Cattlemen that are looking at our program for the first time we are more than open to answer any questions you may have. Better yet, come before the sale and analyse the bulls and the cow herd. They will speak for themselves.

Scott Stock Farm is the one stop shop where we have both Black and Red Angus bulls on offer. You decide on the color because we have quality in both breeds to select from.

Please be our guest for steak and pie dinner starting at 11:30. You will not want to miss that part of the day's events.

See you at the sale.

Tiger 5T is the best son to date out of HF Kodiak in my opinion. With added length, depth of body and style he can be used as a calving ease sire or performance sire. He will sire great females or great herd bulls. One of the top sire groups this year.

This Net Worth son (we call him Hart) was the highest selling bull out of the 2011 Cattleman's Connection Bull Sale, Brandon, Manitoba. He's as long as a freight train, wide topped as they come, a deep quarter with lots of muscle, excellent feet and a flawless structure. His sons will leave a big impact on your herd.

Expected Progeny Differences - EPDs

EPDs are an estimate of how future progeny of each sire can be expected to perform in each traits listed. The higher the Accuracy, the higher the reliability.

BW: Birth Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

WW: Weaning Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires. Weaning weight is an indicator of growth from birth to weaning (205 days of age). The calf's growth during this period is influenced by its own ability to grow plus its mother's maternal abilities.

AVERAGE EPDS - CANADIAN BLACK CALVES BORN IN 2015

BW	ADJ. WW	BW	WW	YW	MILK	TM
Actual	@ 205 days	+2.3	+43	+77	+18	+44

YW: Yearling Weight EPD - expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

MILK: Milk EPD - is an indicator of milking ability in daughters. It represents the differences in weaning weights of calves due to the amount of milk produced by their mothers. It is expressed in pounds of calf weaned.

TM: Total Maternal EPD - is a combination of the weaning weight and milk EPDs. It is calculated as: 1/2 Weaning Weight EPD + Milk EPD = Total Maternal. This EPD represents the differences in weaning weights between calves due to mothering and milking ability of their dams.

AVERAGE EPDS - CANADIAN RED CALVES BORN IN 2015

BW	ADJ. WW	BW	WW	YW	MILK	TM
Actual	@ 205 days	-0.1	+52	+78	+17	+31

Sale Day 2015

The Bull Sale **SSF**

Why Angus Tags ... Brand Your Cattle!

CAA strives to provide our members and their customers with innovative programs and services, to continue advancing the quality, reliability and value of Angus and Angus-influenced seed stock used in the commercial beef industry.

Mission: To maintain breed registry, breed purity and provide services that enhance the growth and position of the Angus breed.

292140 Wagon Wheel Blvd
Rocky View County, AB T4A 0E2
Phone: 1-888-571-3580

The Angus tag, noted for its green color, is the only way that you can prove to

the order buyer, the feed yard, the packer and most of all the consumer, that your calves are at least one half Angus.

Angus has been synonymous with either solid black, solid red or black and red baldies. That no longer holds true. With so many other breeds borrowing the Angus colors we must be able to identify the Angus cattle in order to maintain the integrity of the breed and the quality of the meat that the consumer has come to expect from Angus labelled beef.

When the consumer is asking for Angus beef, the packer must source the Angus cattle. The easiest way of, and most cost efficient is by using Angus tags at the farm or ranch gate. The other way would be for the packer to DNA test these cattle for Angus genetics. This would be cumbersome and an added cost which in turn would be passed on to the producer thus lowering his price received at the market.

To many times we hear, "If I would get a premium for using the Angus tags then I would use them". Well, any time that you get more than the average price for the day or for any other breed that day, this should be considered a premium.

All owners of a **REGISTERED** Angus bull that has been transferred to them or their farm or ranch are eligible to purchase Angus tags. These tags can only be purchased from the Canadian Angus Association. The cost of the tag is the same as those carried by most retailers and in some cases less. As a bonus, the Angus office will age verify your tags upon request. It

can take up to one week from the time of order until you receive your tags right at your doorstep, but the average is less.

To qualify for the program, you need only to use the CCIA, Angus RFID tag with the green button that has the black A on it.

Please use Angus Tags and help keep Angus cattle at the forefront of the beef industry.

How to Order Canadian Angus Rancher Endorsed Tags:

- Order online at www.cdnangus.ca
- Mail the order form to the CAA
- Fax completed forms to (403) 571-3599
- Call 1(888) 571-3580

The Canadian Angus Rancher Endorsed program is demanded in every segment ...

Where do you fit?

Producers tag their calves ANGUS

Proud to be the largest tag program in the world

Consumers choose Angus beef

Ranchers purchase registered Angus bulls

Feedlots need Angus tagged cattle

Branded programs supply Canadian Angus Rancher Endorsed beef
