# Welcome from all of us.

Welcome to the 2017 Select Genetics Bull Sale and as always this sale group is excited and proud of the genetics on offer! A whole years worth of efforts come to fruition on sale day just as you the commercial customer can relate to, it's always an exciting time. Being consistent with our product for our customers brings a lot of stress and satisfaction all at the same time, the bar gets set high not only to meet our standards but yours as well. As always the bulls will come to you vet inspected and ready to rumble in the pastures.

Regardless of your breed(s) of choice the Select Genetics sale offering consists of sound, athletic bulls with lots of hair that will go out and get your cows bred. These performance minded bulls offer proven genetics from time tested bloodlines to keep the consistency in your breeding plans. What we feel is most important is as a sale group we take great pride in being able to sell the bulls locally to so many great friends and neighbours. This makes branding and weaning time all that more exciting to see how these bulls have gone out and worked in their respective herds. We are in your backyard everyday of the year doing what we love, being in the cattle business. We thank you all for your support and there really is no greater honor then to sell your friends and neighbour a bull and a relationship thrives from there.

Again this year we have the "South of the Tracks" Heifer show and sale which is open to any Select Genetics sired females. These heifers are top cut heifers from great operations, don't miss out of this select group. Join us Friday afternoon for this fun and exciting event. Heifers sell Saturday just before the bulls.

For your convenience and early viewing check out the videos of the bulls online at [www.castlerockmarketing.com](http://www.castlerockmarketing.com) where you can study the offering early.

Should you have any questions regarding the offering feel welcome to give any of the consignors or Castlerock Marketing a call, we'd love to hear from you.
