

2nd Annual

PRODUCTION SALE
Registered Black Angus Bulls

Maple Creek, Sk

May 10th, 2013 - 1pm CST

At Sheidaghan Ranch
Maple Creek, Sk

Welcome to our Sale!

On behalf of our entire team I welcome you to Sheidaghan Angus Annual Spring Bull Sale. It is a pleasure to have **Sandy**

Bar Ranch and Delar Cattle as consignors this year. Bob, Gail, Larry and Debbie have become great friends and have brought some very fine cattle to the sale.

Our focus is to provide you with sound, predictable bulls that will advance your program. We don't chase trends or fads but attempt to raise solid functional cattle. The bull pen is deeper and more uniform this year. We feel we're offering top end bulls to fulfill your requirements in calving ease, power payweight and maternal bulls. Our junior herd sires and Scotchman 2999 combined with our AI and embryo program have provided superior genetics with emphasis on maternal, longevity and consistency.

2012 was a year of transition and change as we have moved this sale to the ranch. We are really excited to be hosting our sale in our new multi-purpose barn. The crew from Cowtown Livestock is coming up the hill to work the auction for us. It is great to work with Brent, Gordie, Jim, Rocky, Wayne and their very competent staff. Even Sheila from Cowtown kitchen is providing our lunch.

Another first this year is the video sale provided by Sarah Buchanan of Cattle in Motion. Information concerning this part of the sale can be found in the catalogue. We feel this arrangement will provide a less stressful environment for the cattle and we all will benefit.

We would like to thank our customers for their continued support. The effort you make to attend the sale and visit the ranch to see the bulls is truly appreciated. If you can't attend check out our Sight Unseen Program!

Above all, be proud of your accomplishments in agriculture. It's a great industry.

Calving ease – we have rated each bull (in our opinion) based on all the information we have.

*** Heifer Bull should produce minimal problems when bred to moderate size first calf heifers,

** LG Heifer / Cow Bull recommended for second calvers or smaller framed cows 1100 lbs to 1300 lbs,

*Cow Bull recommended for mature cows 1400 lbs plus

Right to semen – Sheidaghan Anghus reserves the right to draw semen from any bull sold in this sale for in-herd use only - at our expense and the buyers convenience

Veterinarian's Endorsement

Since its inception, Sheidaghan Anghus has worked with Grasslands Animal Health Services to adopt a comprehensive approach to animal health and disease prevention. In part this means a complete vaccination program. All cows are vaccinated with a pre-breeding vaccine which includes IBR, BVD, Type I & II, P13 and BRSV to ensure fertility, prevent abortions and permit healthy calves at birth. All calves are vaccinated spring and fall to prevent clostridial diseases, sleepers, viral and bacterial pneumonias. Yearling bulls have been given a vaccine to prevent footrot. The purpose of a comprehensive vaccination program, coupled with appropriate nutrition and environmental management is firstly to prevent disease, but secondly to be able to sell cattle from a herd with high health status. Rest assured that any purchases from Sheidaghan Anghus are healthy cattle. All bulls presented at the sale have passed breeding soundness evaluation with focus on health,

fertility and structural soundness.

SIGHT UNSEEN PURCHASE PROGRAM

Rocky

Monty

Buyers unable to attend the sale may call to discuss the type of bull you are interested in and a price range. Monty or Rocky will do their best to fulfill your order. We guarantee complete satisfaction for bulls purchased in this manner.

PLEASE REMEMBER...

The bulls will be selling on **VIDEO** sale day. A video clip of the bulls will be shown while they are auctioned. Live bulls will not enter the sale ring. They will be stalled outside for your inspection before, during, and after the sale. To be well prepared allow yourself time to study the bulls before the sale & make a list of potential selections.

Videos of the bulls will be posted to our website www.sheidaghananghus.com.

Please stop out at the ranch any time before the sale to view the bulls. We'll be happy to show you around.
