SOUTH VIEW RANCH

Your Herd Bull Factory

***14th ANNUAL
RED & BLACK ANGUS
BULL SALE***

***THURSDAY, APRIL 10, 2014 ~1:30 PM
at South View Ranch, Ceylon, SK***

Welcome . . . from South View Ranch

Hello from all of us at South View Ranch. We extend our personal invitation to join us on April 10, 2014 for our 14th annual bull sale. On offer will be a strong, powerful group of sound, functional, structurally correct bulls for your heifers and cows.

The dams and granddams are sound, hard working females. We breed on rotational grazing paddocks of crested/alfalfa, later moving to native pasture for the summer. After weaning, the cows go out grazing until the snow gets too deep. They are turned onto swath grazing or bale grazing until calving time. All our cattle are on a complete herd health program advised by Deep South Animal Clinic.

The bulls are in excellent working condition, fed for longevity and soundness. Prior to 205 day weights the bulls are raised naturally on mother's milk and grass. Since weaning they've received a balanced TMR. They are housed in large areas for optimum exercise. All the bulls on offer will be semen tested, vet inspected and scrotal measured. If you are unable to attend the sale, please feel free to come anytime to have a look as sale day phones will be available or consider our sight unseen purchase program. NEW this year, we will have full internet coverage with Cattle In Motion. Call Sarah Buchanan at 519-546-3352 or email sarah@cattleinmotion.com. If you have any questions or need any assistance give us a call or stop in.

We sincerely thank our many customers for your interest and support of our program. We appreciate the opportunity to work with you. We make our living from the cattle business so our customer's success is very important to us.

We look forward to visiting with you on April 10. Hope to see you there!
