

Rivercrest & Valleymere Angus

14TH ANNUAL
SPADY
BULL SALE

New Sale Date

THURSDAY
MARCH 30TH
2017

at the Rivercrest Ranch
Alliance, AB

Rivercrest/Valleymere

We welcome you to our 14th Annual Spady Bull Sale and our ninth year hosting it out at the Rivercrest homestead of Tom and Marg Spady, just like the good old days!

We are pleased and honoured to share Rivercrest and Valleymere are the recipients of the 2016 Alberta Angus Contemporary Breeders Award. The recognition of four generations raising quality Angus cattle from the pioneer days in the 1930's to today is a heartfelt honour. We are thankful for the quality people we've had the pleasure to

meet over the years. This is a truly rewarding lifestyle and we look forward to the next generation.

We welcome you to come visit us anytime to view the strong foundation we have in our herd and check out our program. Come join us and be our guest for lunch. We look forward to visiting with our friends and customers sale day. Note this year's sale will be live broadcast by DLMS to allow folks who are unable to attend to view the sale online and easy internet bidding. Give us a call if you have any questions.

The Spady's

SIGHT UNSEEN GUARANTEE:

If you're unable to attend the sale, we have a fully guaranteed sight unseen plan. Just give us a call and we will discuss what you're looking for and do our best to meet your specific needs, but you will have the final decision. Any purchases made in this manner will be 100% guaranteed for customer satisfaction.

VOLUME BUYER INCENTIVE:

We offer a GREAT volume buyer discount. 2 bulls = 2% discount, 3 bulls = 3% discount, 4 bulls = 4%...to a maximum discount of 5% if you buy 5 or more bulls.

DELIVERY:

We offer a \$100 discount for those who take their bulls home sale day or pick them up within a week. Or we will arrange delivery of the bulls within a 500 km radius, free of charge. We recommend all purchases, that are to be delivered, be insured.

Black Angus Bull Sale

Featuring: 116 Yearlings & 11 Two Year Olds

THURSDAY, MARCH 30TH, 2017 • RIVERCREST RANCH • 1:30PM

SALE DAY:

Sale Day Weights and Scrotal Measurements will be posted on all the bulls Sale Day. All bulls will be semen tested and vet inspected. All bulls sell with a Breeder's Guarantee.

TERMS & CONDITIONS:

BREEDER'S GUARANTEE: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All Bulls are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

CATTLE INSPECTION: All carry permanent identity tags. All shall be available for inspection prior to the sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day.

TERMS OF SALE: Unless otherwise previously arranged with Rivercrest Angus or Vallemere Angus, terms of this sale are cash or cheque, payable in Canadian funds. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure.

EVERY ANIMAL sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

ALL PERSON'S who attend the Sale do so at their own risk, and the owners, Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

Canadian Angus Elite Cow: has a minimum of five calves, four of which must be registered, to determine her regularity of calving and ability to consistently produce calves with a superior weaning weight year after year, display early puberty, breeding and early calving, followed by regularity of calving and high performance offspring. The Canadian Angus Elite Cow Report identifies superior cows in the Canadian Angus herdbook.

Calving Ease:

- CE * - Recommended for cows.
- CE ** - Recommended for larger heifers or cows.
- CE *** - Recommended for heifers.

Welcome from Rivercrest Ranches

We would like to welcome everybody to our 14th annual bull sale. Spring is a season that is much anticipated here at Rivercrest. The oncoming of new baby calves and the final product of last year's calf crop.

We are pleased with this year's bull crop, one of the strongest set of bulls we've had to offer. The feedback from everyone who has come to look at our pen has been very rewarding. Our bulls weaned off strong last fall, which in the cattle business mean more dollars in your pocket. We don't creep our calves, the cow and grass is their only source of nutrients, as there is no swath grazing before weaning either. Our calves were weaned on October 7th. Remember if you are unable to attend our sale, we offer a sight unseen guarantee. Also note this year's sale will be live broadcast by DLMS for easy online bidding for those

unable to attend. Or let us know what you're looking for and we'll do everything in our power to meet those requirements. If you decide the bull won't work for you, we'll take him back no questions asked. We also keep a number of good bulls back for private treaty for those unforeseen circumstances that can happen throughout the summer. Stop by and view the bulls anytime before the sale or give us a call and we can send you pictures or video. The coffee pot is always on, so if you have time stop in for a visit.

Tour of Duty is an industry giant that stamps his progeny with tremendous growth. This good natured bull has great feet and leg structure. He will throw moderately sized calves at birth and they grow rapidly. The daughters have small teats with attractive udders. They will turn into great mothers. Tour of Duty has the pedigree, performance and phenotype.

Lot 2 - CTTS 9D
 A long soggy Tour of Duty son, out of Cayden's famous Blossom cow (Elite Dam). Currently his maternal brothers are working at LLB Angus, Jordan Hoopfer and Bill Brown. Recommended on cows.

Spady Boys High School Graduation - Logan, Ty and Cayden

Welcome from Valleymere TTT Ranches

Hello, welcome and thank-you for taking time to check out our 14th Bull Sale offering. Hard to believe it is that time of year already but I'm sure glad to bid 2016 farewell. Record losses in the cattle feeding sector, over-corrections in the fall calf market and challenging harvest weather have made ranching a pretty tough occupation. A political landscape which doesn't seem to give a crap about the people who supply food for our population isn't helping either. Then, to top it off, we get a bright, sunny Groundhog Day (the day I'm writing this) and winter's going to last forever. Last but not least, we just started calving, have 30 bulls left to clip for the sale and Tanner's working and Ty's in college! I am ready to trade 'er all for a bottle of whiskey and head to Arizona!

Actually, life is pretty good. Halley and I are enjoying our "freedom" now that Ty is done hockey and High School rodeo. Tanner and Amy live close by and Tanner is working 20 minutes from home and gets to sleep in his own bed every night. Amy is a good hand and always

willing to help and Ty is finishing up his first year of Welding at Red Deer College. Cattle markets are looking more promising and they are calling for warmer weather the end of next week. Now if Donald can chew up Justin and Rachel becomes a "not so" innocent bystander casualty maybe Arizona can wait.

At this time, I would like to thank the Alberta Angus Association for inducting the Spady families into the Alberta Angus Association Hall of Fame as the Contemporary Breeders of 2016. This comes one year after being honored by the Canadian Angus Association for registering Angus cattle for 75 years. We are very proud of the heritage Grandpa started so many years ago.

The bull pen this year looks great and consists of our largest offering of calving ease bulls ever. As always, our bulls are fed a high roughage ration in a large lot to ensure their longevity. They are available for your viewing anytime. Something new this year is the girls started a Valleymere Angus Facebook page. We will be updating with more pictures and information in the coming weeks. Be sure to check it out, it looks pretty good. If we can be of any assistance, please call or stop in. Your interest in our operation is truly appreciated.

 WW ratio 102 Adj. WW 630

Mandate was purchased from Fertile Valley Angus in 2012. He was their heaviest yearling and was the high-selling bull. He was chosen for his tremendous birth to weaning to yearling growth while still maintaining a moderate frame size. His calves are born small and then really perform. They grow into long-bodied, thick calves that really press down the weigh scale. He is the most consistent low birth weight bull used here in a very long time, maybe ever. His daughters coming into production are moderate framed, level uddered cows with average teat length.

70 progeny
 Avg BW: Males 86
 WW ratio 102 Adj. WW 729
 Avg BW: Females 84
 WW ratio 101 Adj. WW 670

Updraft came from Duralta Angus in 2014 where he was their #1 weaning weight bull, weaning off the cow at 933 lbs. His dam is one of their best. His sire Sitz Upward ranks at the top of many important traits such as growth, maternal, heifer pregnancy, dollars weaned and carcass weight. Updraft 45A himself ranks in the top 1% for weaning and yearling weight as well as for milk and total maternal in the entire Angus breed. He delivers cross breed performance while maintaining Angus calving ease and high maternal traits. His calves are easy fleshing, deep, muscular cattle with quiet dispositions.

42B is a ranch raised sire we really like. He is an easy fleshing, deep, long-bodied bull with a hair coat like a good Hereford. His dam is one of our best with every daughter retained in the herd. His full sister is as close to the perfect cow as I have raised. He calved easy and his sons should be good to use on heifers.

Focus was purchased in 2012 from Fertile Valley as the second high seller and the #1 weaning weight bull of their calf crop. He is double bred calving ease with Mitty in Focus as his sire and Final Answer as his dam's sire. A true curve bender sire with a negative BW EPD but sporting excellent growth numbers as well. His daughters are deep, broody feminine cows with flat udders and small teats.

Ironman was chosen for calving ease and maternal strength. His dam is listed elite with the CAA. Ironman has developed into a moderate framed, easy doing, stylish bull with extra length, width and depth. He is an exceptionally good-footed bull and moves like a cat. His daughters in production are feminine, angular cows with small- teated well attached udders with ample milk. His sons should add weight to your calf crop and leave some pretty fancy replacement heifers as well.

Grasslands was purchased at the 2013 Sandy Bar sale mainly to be used on our heifers. He is a clean-fronted, stylish, long-bodied bull with a good big foot and excellent leg structure. We had always been impressed by the thickness of the Grasslands cattle when viewing the Sandy Bar bulls and 300Z is no different. I would recommend his sons to be used on larger heifers or cows as he does throw some thickness.

Welcome from Vallemere BPPS/HPS Ranches

Another year has passed and I feel we are one step closer to achieving our goal of the transition to a 2yr old program. Our philosophy on raising cattle is the same as always; producing low maintenance, consistent, easy calving cattle with maximum performance. We are very excited with this pen of 2yr olds. They have shown consistent growth and promise to what we like to see in our bull pen. We are trying to develop these bulls to be honest breeding bulls that travel well, settle a lot of cows and produce the breeder a uniform pen of calves. We appreciate the comments we hear from our past customers on the calf crops they are producing & marketing each year. It's good to know our bulls are working for you and meeting your expectations as a cattleman.

We'd like to Thank-you for your continued support and wish everyone a successful year in the cattle business! If you're ever in our area, be sure to stop by for a coffee!

KBJ PREDO 105A Sire & Sons - Yearling Bulls

Reference Sire KBJ PREDO 105A

One of our new herd sires that we purchased from the Round family from Clyde, Alberta. 105A had an 80lb BW and is out of an ELITE Dam. When talking with Jim Round, he can't say enough about this young cow. 105A's first calf crop, the bull calves had an average BW of 86 lbs with an average Adj. WW of 714 lbs. We are pretty excited about this new herd sire.

46W has been everything I had hoped he would be. The Prime Cut influence is very strong at Valleymere, with good reason. They are good functional cattle. The bull calves are moderat BW, big hipped, wide topped with style and eye appeal. The females are making excellent cows. Moderate framed, lots of volume, tight udders with lots of milk. Nice cattle.

We had a herd bull go down just before the 2014 breeding season. I phoned Bob Switzer and he sent me this bull. Bob told me the bull was out of the ELITE cow 92L and he expects great

things from this bull. So far he is on track, his calves are deep girthed with loads of volume. The first crop of bull calves had an ave. BW of 91 lbs with an average Adj. WW of 745 lbs.

Ironman was chosen for calving ease and maternal strength. His dam is listed elite with the CAA. Ironman has developed into a moderate-framed, easy-doing, stylish bull with extra length, width and depth. He is an exceptionally good-footed bull. His first daughters have calved and are small-teated with beautiful udders.

Thanks to all our helpers, supporters and cattle bosses.

Thanks to all our bidders and buyers from the 2016 sale.

A herd of black Angus cattle is shown in a field. In the background, there is a dense forest of trees. The cattle are of various ages and are standing in a grassy area. The overall scene is a rural, agricultural setting.
