BULL SALE

February 18, 2010
Beautiful Plains Ag Complex
Neepawa, Manitoba

WELCOME! On behalf of the consignors, we would like to welcome you to our bull sale.

Another year of uncertainty in the cattle industry, people are sick and tired of believing things will be better next year. Now is the time more than ever to produce the best product, meaning big stout calves that will top the market.

Some of us will exit the cattle industry, and some (Stewart Cattle Co.) will stay in it, being optimistic about the future.

Good cattle will always sell for a good price, our commercial calves brought more money per lb. in fall of 2009 than the fall of 2008.

There will be a good set of thick, stout, black bulls for your appraisal on Feb. 18, 2010. We will take the bulls home, semen test, and deliver them to you sometime after April 1/2010, free of charge.

If you are unable to make it on sale day, please give me a call ahead of time. We offer a sight unseen purchase program and successfully sold many bulls this way in the past. I would be happy to help you pick a bull that will suit your operation.

I, on behalf of our consignors, would like to thank our repeat customers and look forward to meeting some new faces on sale day. If we can be of any help prior to the sale or at the sale, please contact myself or one of the consignors.

You are invited to join us for lunch at 12:00 noon on sale day.

Sincerely,

Brent Stewart
