Welcome to our 5th Annual Bull Sale

It is a pleasure to invite you to our 5th annual bull sale. First off I would like to thank last years buyers and bidders for making our 2013 sale the success it was. Along with the 25 2yr old bulls we also have a selection of 55 commercial replacement females from Two Valley Angus and Webster Farms of Big Valley. As always this is a video sale so please come early to inspect the bulls sale day and join us for lunch prior to the sale.

We are very pleased with this years offering of bulls, the Net Worth sire group is new, they will add some muscling and performance to any calf crop. The Predominant sire group of bulls have excellent muscle shape, thickness and a whole lot of capacity. The Stockman sire group offers length of body muscling and strong maternal traits. A Two Valley Angus bull is built for longevity, they are fed silage and pellets with free choice hay, for consistent growth and developement. We are not a feedlot so we don't feed our bulls in that manner. We do not pamper our cows they work for us. We stick to this program because it works and is profitable. Longevity and profitablity help us all make it in the cattle industry.
