Welcome to the Brookside Angus Bull and Heifer Sale!

Welcome to our bull and female sale. This year marks our 2nd bull sale and our 1st independent sale. We are proud to be offering a strong set of yearling bulls, 2 year old bulls that grazed far into the fall and fed for longevity and performance and we are very proud of the great young females we have to offer, they have balanced EPDs, are maternally oriented and will make great cows. Our goal is to produce quality bulls and heifers that will continue to improve your herd no matter the size or type operation commercial or purebred.

Our bulls and heifers come from a great group of AI and herd Sires, Sitz Upward, Shipwheel Montana, Remitall F Rage 9A, Merit Manitoba 3059A, Brookmore Aberdeen 8Y, Brookmore Rage 47C, Merit Jaguar 4070 and Remitall F Warrior 2W. We believe the best part of this sale offering is the proven, experienced mother Brookmore cows that stand behind them.

Once again we cannot thank Barb Hart enough for her continued support, enthusiasm and her wealth of knowledge from the many years of working with the Brookmore herd. We would also like to thank all family and friends that helped make our sale possible and without the continued support and loyalty of our costumers all this would not be possible.

I feel confident that this group of bulls will work in any commercial breeding program, please join us February 28th for an 11:30 lunch and 1:00 sale time or prior viewing February 27th at the Neepawa Ag Complex. We look forward to seeing you.

If you have any questions or would like to view the cattle prior to our sale date, please give us a call.

Derrick & Megan Pilatic

Welcome from Castlerock

Welcome to the 1st Annual Brookside Bull Sale! Derrick and Megan Pilatic are bringing an excellent set of bulls and select heifers to town February 28th to Neepawa. A little background history on how the Brookside herd came about....Derrick was fortunate enough to work with one of Canada's great Angus breeders, the late Jack Hart for a number of years. This opportunity provided years of experience as a mentor which has served as valuable tools that not everyone has the opportunity to experience! Today, Barb Hart serves very much as a mentor to Derrick and Megan as they continue to expand and shape their herd. The cowherd consists of many great cow families that have proven themselves over the years as productive brood matrons as they lend their knowledge to the next generation of Angus breeders.

The bulls are a sound athletic group of bulls that are designed to provide calving ease, performance and best of all a strong maternal sense to you their customers! This commitment is taken seriously looking to provide their customers profit and sound breeding! The Two year bulls have been managed in a sensible fashion and will go out and serve your cows with ease in optimum breeding condition. A select group of heifers representing the many great cow families that make up the herd and will offer the new buyer access to strong genetics and become top brood matrons for their new buyers.

We invite you to stop by the farm and have a look at the bulls prior to the sale. The bulls will be available for viewing at the Neepawa Ag Plex on the 27th. If you have any questions regarding the offering or unable to attend the sale feel welcome to contact any of the sales staff, Derrick our ourselves at Castlerock Marketing.

See you sale day!
