## Welcome from the Manitoba Bull Test Station

By Kurtis Mckee

On behalf of the staff and board of directors I would like to invite you to attend the 53rd Annual Manitoba Bull Test Station Bull and Female sale April 1st at 1:00PM. Please join us for lunch and viewing of the animals before the sale! We are always open for potential buyers to stop by and view the offering any day before the sale. This year we are excited to announce we will have live internet bidding with DLMS!

- All Bulls sold have passed semen and soundness evaluation by certified vet (No Deferred Bull Sold Here)
- Heifers offered have been palpated by a certified vet, they are cycling and sound
- Animals are tested for BVD on arrival to the test station, we are BVD free as we have always been
- Developed in a way to promote longevity and soundness
- Performance tested to identify the animals with superior genetics so you can buy with confidence
- Multiple breeders comparing their top cattle genetics to one another that allows us to have a better indicator of genetic merit for potential buyers (The Douglas Advantage)
- CUP Ultrasound carcass data
- Animals are housed in large pens and run in the alleys every week to promote strapping down of muscle
- We are the one stop shop for bulls with 8 breeds represent, so no matter your needs we will have what you are looking for

Bulls are developed on free choice grass hay as well as a backgrounding pellet supplied once again by Landmark Feeds. The backgrounding pellet is formulated to target gains on bulls of 2.5-3 lbs per day. So any gains above this are purely from the genetics of that animal. The heifers are developed on free choice grass hay as well and a backgrounding pellet to target gains of 2lbs per day. Both the bull and heifer rations are designed to develop the seedstock in such a way to promote the longevity/soundness of the animals for their new owners. With all this in mind we can ensure our sale offering is going to go out and have a positive impact on the beef industry while putting more money into our buyer's pockets!

Thank-you to all the consignors this year again for your support, as well as the staff of the Test Station Tyler Winters and Bev Walker for all their hard work this year! With that I hope you will join us for the sale of one of the strongest seedstock offerings in the history of the Manitoba Bull Test Station.

Feel free to check us out on the web at [www.manitobabulltest.com](http://www.manitobabulltest.com) or give us a call with inquires at 204-763-4696. For bull and heifer videos please visit [www.cattlevids.ca](http://www.cattlevids.ca) or our link on [www.buyagro.com](http://www.buyagro.com)

Throughout the test, Station Staff and Breeders weighed the bulls. The bulls were fed a ration designed to develop growth, meat, muscle, fertility and structure provided by Landmark Feeds. They were also fed free choice grass hay.

To qualify for sale, bulls must pass a Breeding Soundness Evaluation (Structural Soundness Evaluation, Scrotal Measurement, and Semen Evaluation) performed by Morden Veterinary Clinic. It is strongly advised that buyers do their own visual assessment prior to sale time.

Only bulls that have passed the semen test will be allowed in the sale. All Breeding Soundness Evaluation forms are in the office and open to the public.

**The 53rd ANNUAL BULL SALE will be held at the Test Station,  
SATURDAY, APRIL 1, 2017 at 1:00 p.m.**

Again in 2017 there will be females available for sale on Sale Day which will be sold in conjunction with the bulls of the same breed.

**- BUYERS MUST HAVE A BIDDER'S NUMBER -**

**SALE TERMS AND CONDITIONS:**

The terms of the sale are cash or cheque payable at par to the Manitoba Beef Cattle Performance Association Inc. (M.B.C.P.A. Inc.). The buyer assumes all responsibility of his/her purchase at end of said purchase. The M.B.C.P.A. Inc. cannot be held liable after the sale clerk has recorded the buyer's bidding number on the sale receipt. All settlements must be made with the settlement officers of the sale in the office before any cattle will be released. Phone bids welcome. Please contact the Test Station to arrange telephone bidding.

All bulls purchased may be left at the station until convenient for pick up at purchaser's risk by signing a form in the office. One week free board, \$3.50 per head per day after. Please inquire at the Test Station office for details. Livestock insurance will be available from HMS Insurance at the Station on sale day and is strongly recommended to be purchased.

The guarantee on a bull is between the buyer and seller. The M.B.C.P.A. Inc. will act as a mediator in case of dispute. To protect both buyer and seller, a non-breeding bull must be reported to the seller within six months of the date of sale or according to the Breed's Code of Ethics. The seller will not provide replacement or credit for physical injury or mismanagement. In the event that your bull is a non-satisfactory breeder, the seller will not under any circumstances, be responsible for more than the original selling price of the bull.

The Manitoba Beef Cattle Performance Association Inc. is only providing a service in providing this sale -- persons attending this sale do so at their own risk. Sale catalogues will be available at the sale and copies of the registration certificates on file will be available in the office. Visitors may inspect the bulls at any time prior to the sale. If errors are noted in this report or in the sale catalogue, corrections will be made from the auction stand, and will take precedence over any printed matter.
