## A Word From LCL

*We are pleased to be hosting our Annual Bull Sale at the Ranch! In our program we are passionate and committed to raising the best cattle we can for our environment. Our herd has been built on traits we feel are important. Fleshing ability, depth, foot & leg structure, udder quality and eye appeal are all qualities we highly value.*

*We strive to produce sound, functional, dependable cattle for our customers.*

*We are excited about the Yearling Bulls we have on offer, they are a very even group that we are extremely proud of. Our bulls are developed on a ration of protein pellets and free choice hay. They are pail feed twice a day to ensure that they are quiet and very easy to handle.*

*There are 3 different sire groups for you to choose from this year: Merit Out Front 6031D – This is the first year of Chumly calves and are we impressed. His calves are standouts in both the bull and heifer pen. He adds the right type of ruggedness combined with calving ease. We purchased his mother at the Merit production sale this fall, she is also here to view and I'm sure she will catch your eye.*

*Merit Shift 6094D - This is also the first year for Shift calves. He also has not disappointed. His calves are smooth made, long bodied and strong footed.*

*HF Defender 146B – This is the last year for Defender sons, as we sold him this past fall. His daughters are 2nd calf cows now and we are very happy with the mothers they are becoming. They are exceptional to handle with great maternal instincts.*

*A few dams of the bulls featured in the catalogue can be viewed on our website [www.lclangus.ca](http://www.lclangus.ca) or they are right here in the yard. We encourage you to come by and visit before the sale or on sale day and we will gladly help you out with your selection. Please take the opportunity to view the bull videos online and give us or Shane a call if you are unable to make the sale.*

*We would like to thank all of the past bidders, buyers, individuals who have supported our program throughout the years and those who help us to organize and host this event. Your efforts are truly appreciated.*

*Please join us after the sale for a meal, refreshments and some genuine LCL ANGUS hospitality.*

*The Carfantan's*

Purebred Sales • Daily Presort Sales  
 Direct Off-farm Sales every Thursdays at 10:00 am

## Terms & Conditions

*Terms:* The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance to the sale with the owner or Sales Manager.

*Bidding:* Each animal is to be sold to the highest bidder. No by-bidding will be permitted. A reasonable price base may be set.

*Disputes:* In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final. **Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

*Announcements:* Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

*Certificate of registry:* Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers for each animal after settlement has been made.

*Breeders Guarantee, bulls:* Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

In no event shall the seller be responsible for more than the purchase price.

The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

*Exception guarantee:* In cases where the animal was subjected to hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

*Settlement:* Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of the replacement animal, the Sale Management will appoint a mediator.

*Accidents:* Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer, or sellers assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

*Mail or telephone bids:* Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale.

*Rights and obligations:* The above terms and conditions of the sale shall continue a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction which is not covered by the terms and conditions of this sale.
